1. INTRODUCTION :

1.1 Purpose:

The purpose of this document is to identify and map the business requirements with software requirements. The software requirements are further mapped with the user interfaces and the use cases in order to meet the actual business requirements and scope of the project.

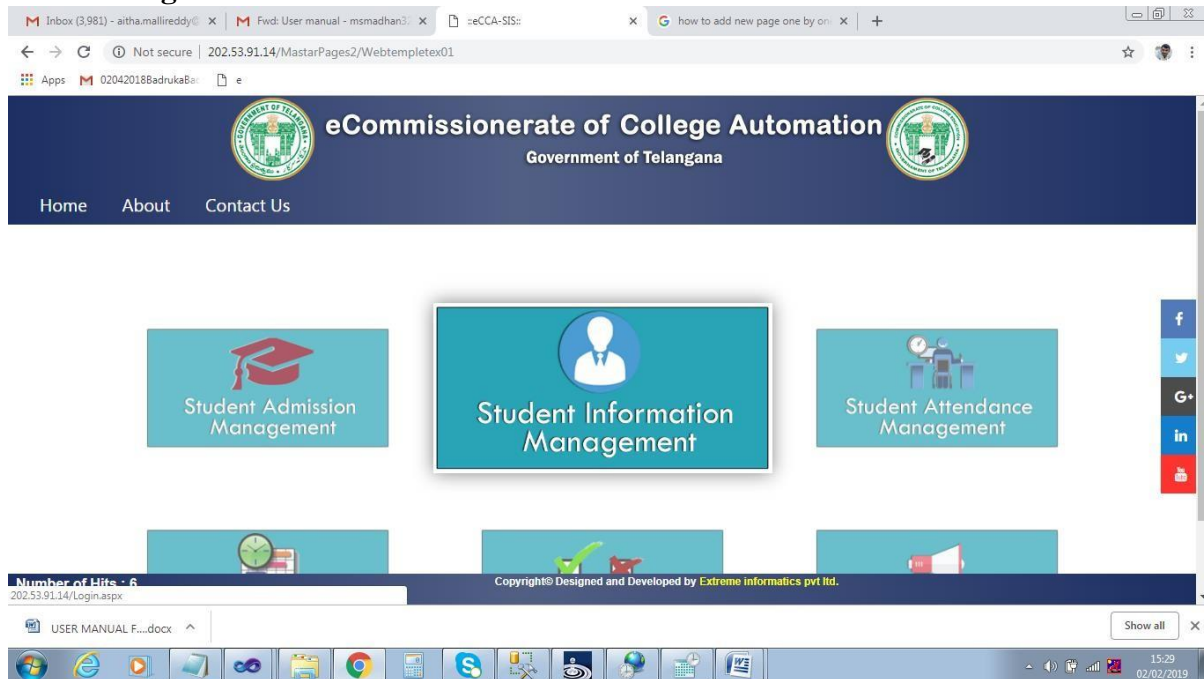

1.2 Scope:

The document is defined with a high level user interfaces and detailed use cases with high level business validations.

2. Overall description:

2.0 Dash Board

ScreenDesign:

Whenever we enter an IP address then a dashboard will appear.

In that homepage we are having different Modules. You can choose whatever Module you want to choose.

Every Module has their respective information.

2.1 About

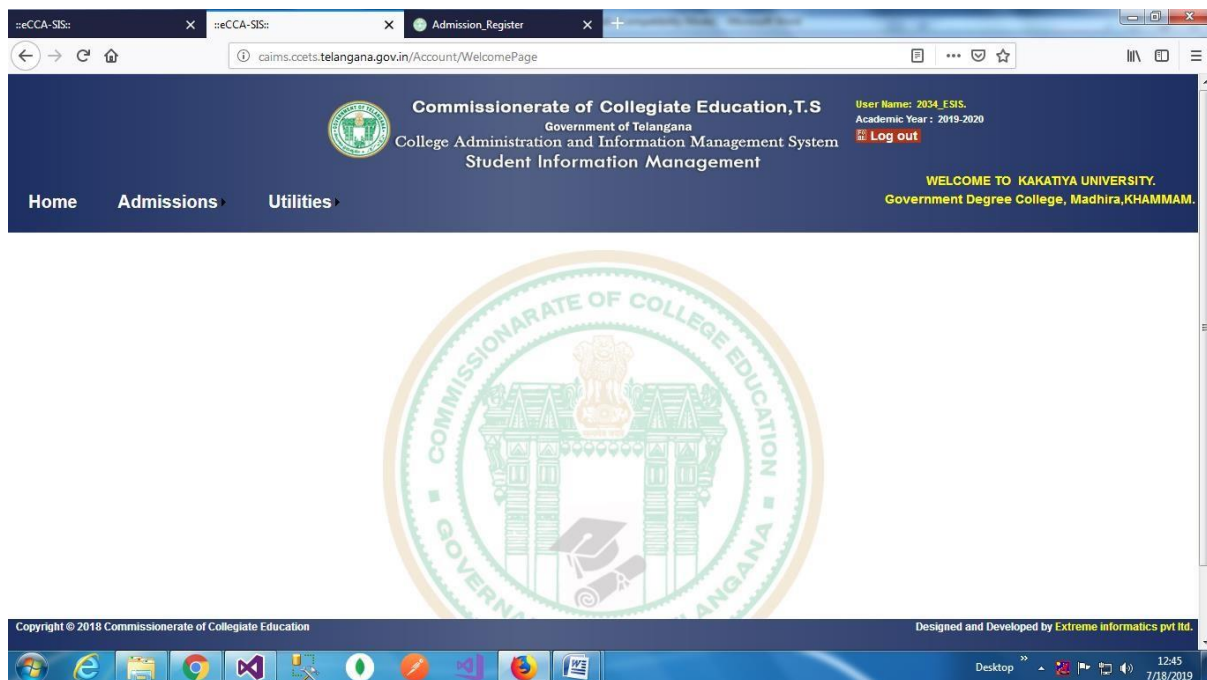

The information for Commissioner ate of College Automation will be displayed here.

2.1.1 Login Form:

- Every University and College has their own Admin login Credentials.
- After entering user id and password then click login button. **User Credentials:**
User Name: College Code_ESIS
Password: CollegeCode@123

For User login

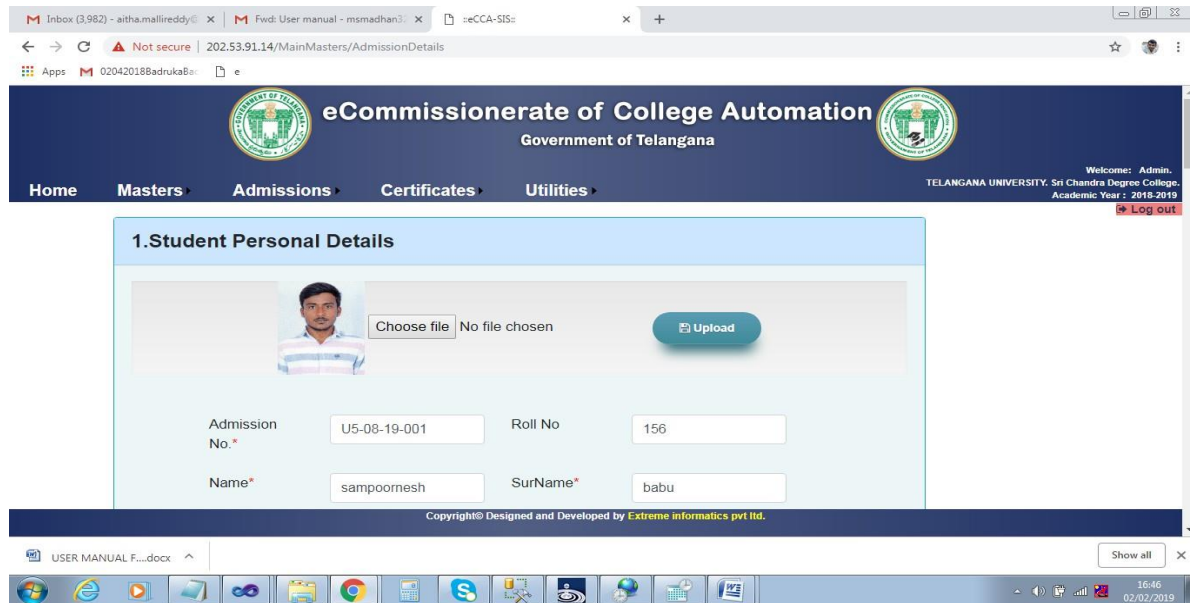

Here user login the page for specific Roles applicable here.

For Admissions

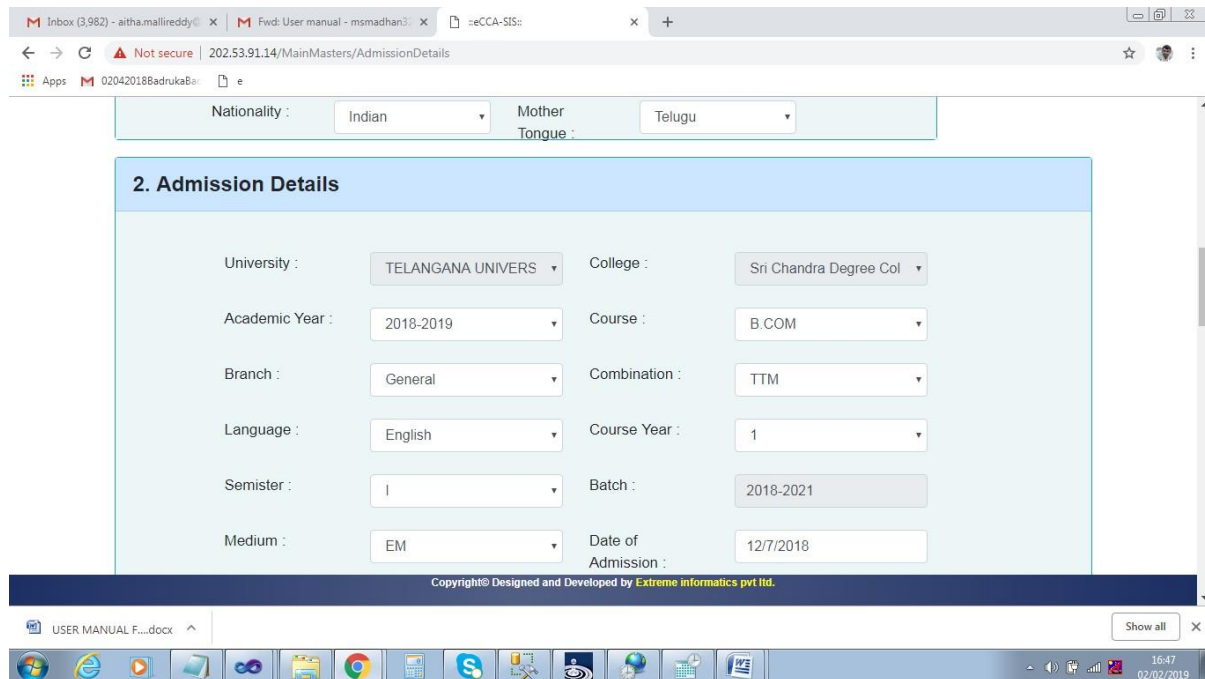

Student Personal Details:

After entering the admission icon a student personal details page will be displayed. Now we need to enter the details for students.

Admission Details:

After entering all the details of the student personal details then we need to go to the admission details.

Family Details:

After entering the admission details then we need to enter the family details as below.

The screenshot displays a web browser window with the URL 202.53.91.14/MainMasters/AdmissionDetails. The page contains a form for entering family details. The form is divided into two main sections: '3. Family Details' and '4. Address Details'. The '3. Family Details' section includes the following fields:

Father's Name :	<input type="text" value="BOBBY REDDY"/>	Father's Cell No.:	<input type="text" value="959595555"/>
Father Occpt. :	<input type="text" value="Govt. Employee"/>	Father's Income.:	<input type="text" value="959595295"/>
Mother's Name:	<input type="text" value="KAUSHALYA"/>	Mother's Cell No.:	<input type="text" value="656565656"/>
Caste :	<input type="text" value="BC-B"/>	Sub-Caste :	<input type="text" value="Chitrakara"/>

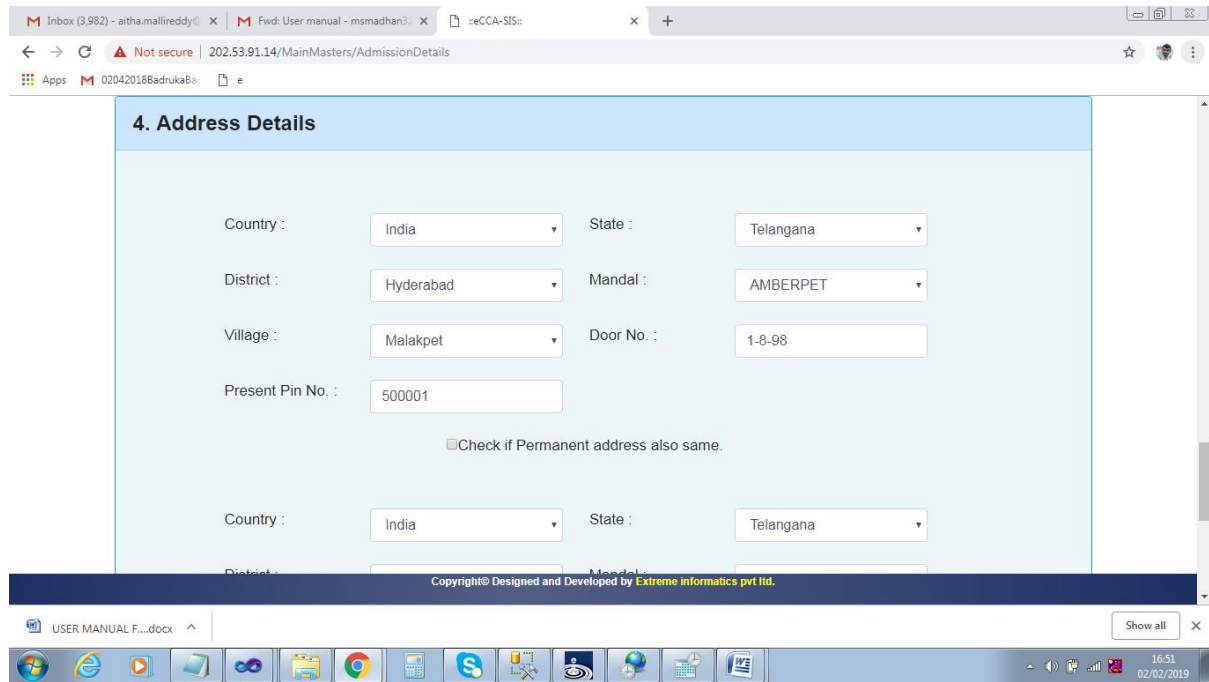

The '4. Address Details' section is partially visible below the family details section. The browser's taskbar shows the system time as 16:49 on 02/02/2019.

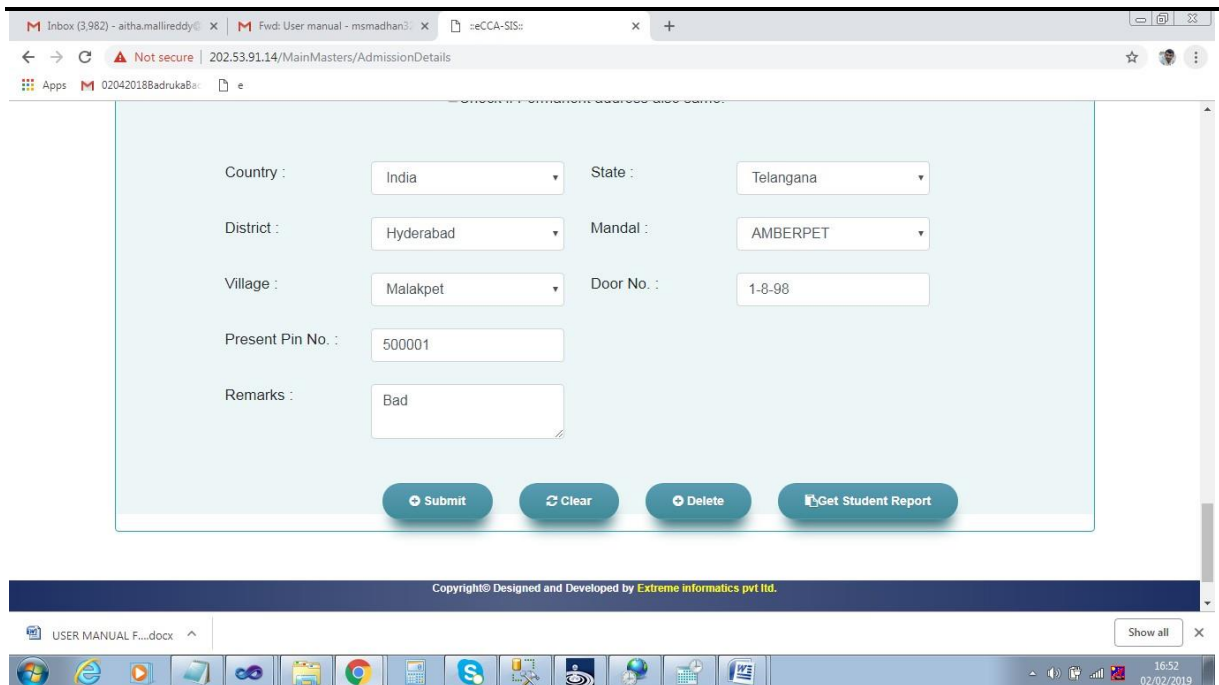

Address Details:

After family details the address details will be displayed. After entering the present details columns.

If the candidate present and permanent is same then we need to click the check button.

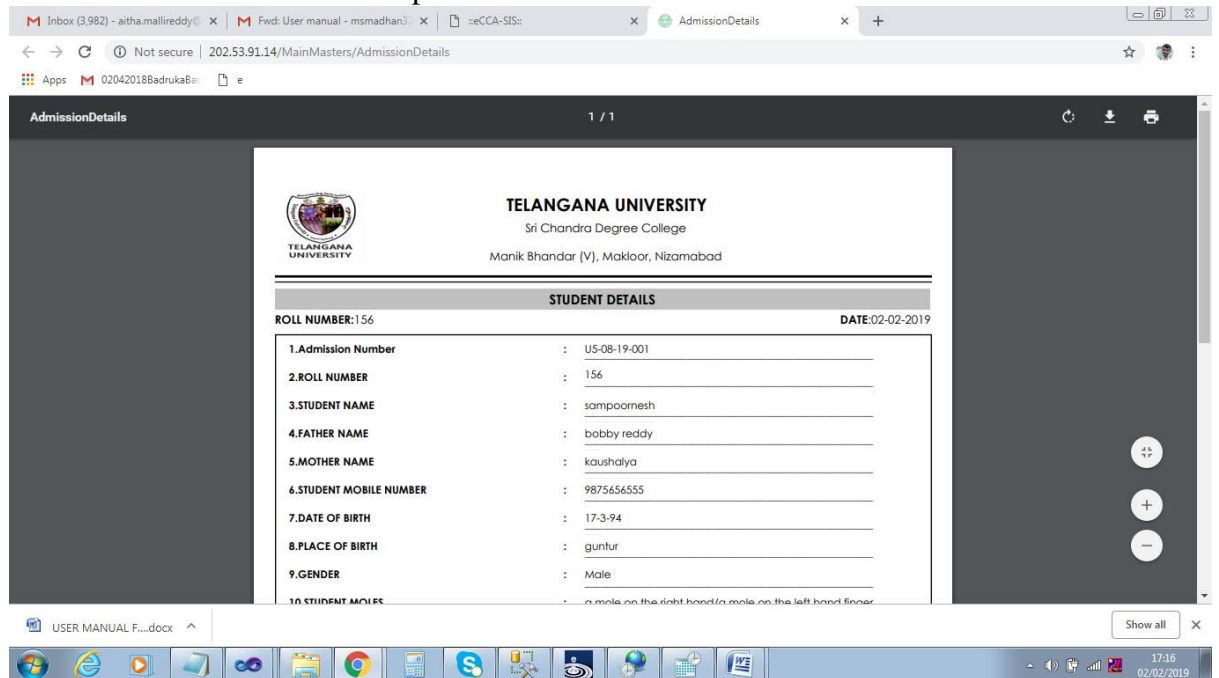

After entering all the fields then click on submit button.

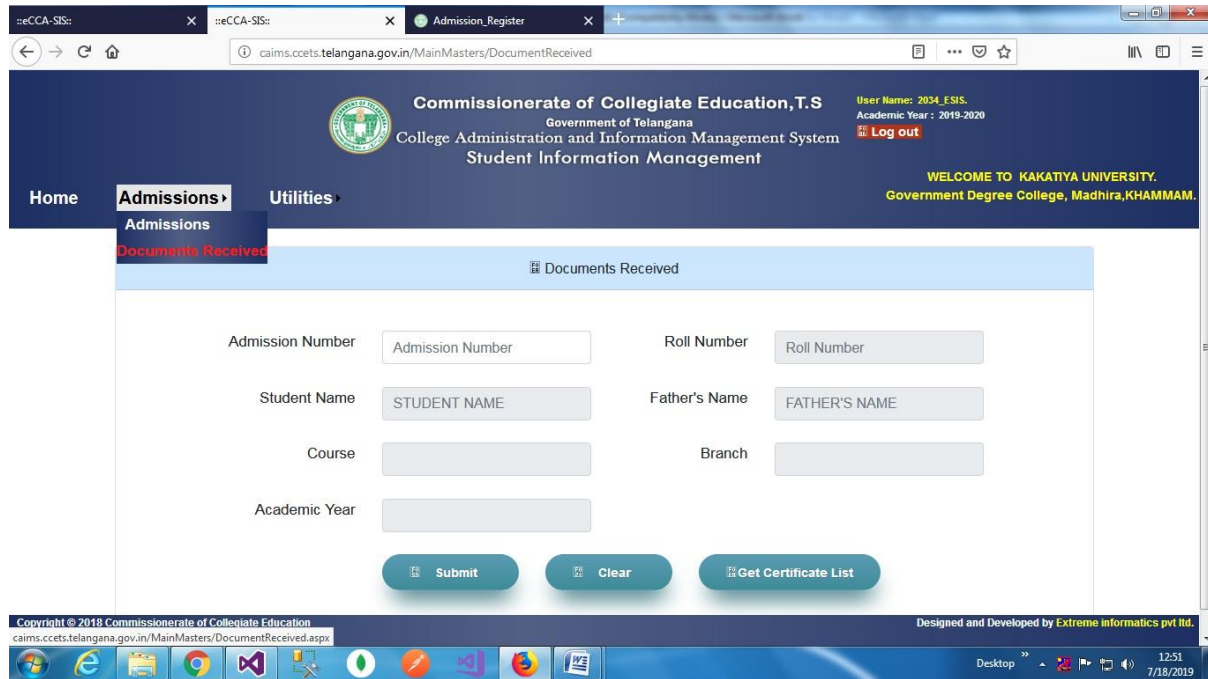

After submitting the details the student information will be stored in the database. A clear button is displayed on that page when you click on that button all the fields will be cleared.

When Click the Get Student Report show in the below

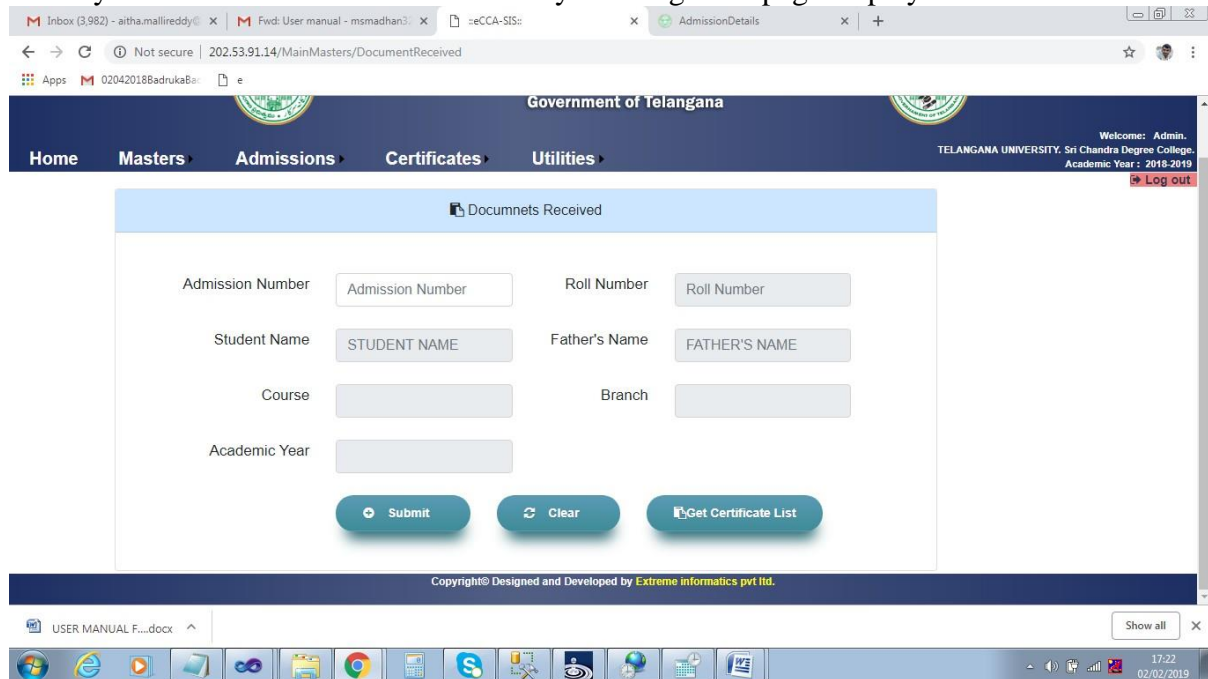

For Documentation Received

When you select documents received then you will get the page display as below.

After entering to these page then enter the admission number of the particular student. Then select list of the certificates student given and which he was not given. Then enter submit button.

The screenshot shows a web application interface with three buttons at the top: "Submit", "Clear", and "Get Certificate List". Below the buttons is a table with the following data:

S.No.	Certificate Name	Received	Yet to be Received	Return
1	Application Form	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
2	DOST Allotment Order	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
3	Transfer Certificate	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
4	Memorandum of Marks of SSC	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

After submitting the documents if you want to select next student documents then you need to clear the information using clear button.

If you need to print the documents which are received and not received of a particular student then we use get Certificate list.

After clicking the get certificate list student document list will be displayed as follows

The screenshot shows a web application interface displaying a student's certificate checklist. The header includes "Commissionerate of college automation" and "Commissionerate College". The date is "02/02/2019". The title is "Acknowledgement of Certificates Submitted by the student". The student's details are as follows:

Admission Number : U30-07-19-001 Roll Number : U30-07-19-001
 Student Name : sachin Father Name : NAIDU
 Course : B.COM

S.No	Certificate Checklist Documents	Selected
1	Application Form	Recieved
2	DOST Allotment Order	Not Recieved
3	Transfer Certificate	Recieved
4	Memorandum of Marks of SSC	Recieved

For Student Search

Here we enter some student name and RoolNo/Admission No who are register in their organization.

Statistical Report.....

- In Stastical report form, we are Find how many members are registered in our organization for every Gender wise,Caste wise,PHC wise when click the button of stastical report of Specific Course
- In Stastical All we are find how are men Find how many members are registered in our organization for every Gender wise,Caste wise,PHC wise when click the button of stastical report of All Courses

Home Transactions Reports Utilities

Teaching Diary Report

Period From : Period To:

- Enter Dates and click on Report Button.

- In Utilities you can find Reset Password option and here you can reset your password as shown in below image.

The screenshot shows a web application interface for password reset. At the top, there is a dark blue navigation bar with the following menu items: Home, Transactions, Utilities, and UserManuals. Below this, a light blue header bar contains the text 'ACADEMIC ADVISOR' and a hamburger menu icon followed by 'User Password Reset'. The main content area is a white box with a thin border. It contains two text input fields: 'New Password :' and 'Confirm Password :'. Each field has a corresponding text box with the placeholder text 'New Password' and 'Confirm Password' respectively. Below these fields is a blue button with a white plus sign and the text '+Submit'.

- Click on Logout.
