2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

College is an Institute that is catering to the need of various student communities coming from varied demography that include the rural and tribal region along with a strong presence of tribal students. It is a bigger challenge for the teachers to cater the needs of these students towards their employability and all round development. Process of Mentoring/Counseling The students of undergraduate course are divided into sections (SecA, SecB, …) year wise as per the requirement. Two teachers in each department are allotted one section. The concerned faculties take care about the various grievances put forward by the students. For example in Commerce Department The course is divided into three sections in each year. Each section consists of 20 to 25 students. every faculty who are involved in theory and practical class for these sections are made mentor for them. In similar manner students of other UG courses are also allotted mentor. As majority of our faculty teach respective subjects at UG level, they are able to take care about the different issues faced by UG. Apart from full time teacher, we have a strong support of one part time and four contract teachers who play a major role in mentoring and supporting our students.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

An academic calendar is prepared at the beginning of each year and copies are made available to staff and students. The college plans the activities for every working day and other activities with the help of academic calendar. Every teacher prepares a lesson plan for every subject at the beginning of the academic year and this is verified by the Head of the Department to ensure the syllabus completion. In the beginning of every academic year strategic plan was prepared for every month activities on various thrust areas like Academic excellence, Institutional level programs/activities, extracurricular activities. Meetings are organized to ensure the implementation of the activities planned. Internal assessment test are planned as mentioned in the

calendar, Papers are valued by the subject teacher. Pattern of question paper is communicated to the student which is framed by the university. . Individual student record is maintained in the department that is transparent to both student and parent. Parents Teachers Association meeting is organized and feedback is also taken from all the students, parents, teachers and employer to regulate internal evaluation system for the betterment of the student fraternity. The student is evaluated through student centric activities. Initially a basic diagnostic test is conducted by every department and the identified students are encouraged to attend the bridge course. Assignments are given to the students to expertise them in subjects and also to improvise their written skills. Student seminars, Group discussions, Debates, Quiz Programmes, JAM Sessions etc all student centric activities are encouraged. The following methods of our institution evaluate the students as follows: Assignments develop written skills of student knowledge, Seminars, discussions improves students Oral skills and written skills, Field Trips and Study Projects encourage their research quench.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The Institution is following the Academic calendar of the Commissionerate of Collegiate Education and also strictly adheres to the Almanac of the Affiliated University. Being affiliated to the University, the college strictly follows the guidelines of the University. The weightage of marks is assigned to the students based on the guidelines given by the University that includes Internal Tests, Assignment, and Seminars. Affiliated colleges do not have freedom to change any of the components, however the inputs for improvisation are given in departmental confersnces held in the university. Monitoring the learning outcome is a continuous and concurrent activity taken up by the tutor. It can be retrieved at any point of time through the mentor – mentee system adopted in the college. The following are the methods adapted to improve the learner's outcome: • Compulsory Attendance minimum 75 per semester. • Strict adherence to Academic Calendar to complete the Syllubas. • Timely evaluation of the paper for continues internal assessment. • Maintenance of the practical record. • Remedial measures taken based on the result analysis. • Counseling and guidance given for better performance. • Bridge course in basics of respective subjects.
