About US

A Brief Story About us

·Women, who are the energy center of the family. when the energy center of the family engages in a certain way of living, the direction of the whole family will changes and there for the society and country. we have 3800 + students in the college and if each women can become a change maker the impact it will be wider then the imagination of anyone, in live with that we have initiated the social responsibility wing in the college and doing a lot of society friendly activities.

“A woman is the full circle. Within her is the power to create, nurture and transform.” – Diane Mariechild

Vision

" Empowerment of women through knowledge" Creating the community of change makers.

Mission

02

The mission of the college is to empower young women to fight the challenges of life with courage and commitment and to become the builders of a just and humane society. Thus, the college promotes a value-based learning community where everybody contributes to holistic growth.

Activities

01 Grain and water for birds

The students of the college came forward to join hands together to bring a little change in society. We could make this initiative a success with the support and cooperation of the Principal mam, HOD Mams Kanchanalatha mam, Sajida mam, and Shraavan sir. As part of that, the first activity is to keep water and grain for birds. They have not spent much time on it, but its impact was much more than expected. It just took 5 minutes for the students to keep grain and water for the birds. They got immense pleasure and joy by seeing the birds feed.

02 Chalivendram

The second activity, which was done by the students with the active support and cooperation of Principal Mam, HOD Mams, other faculty members, and Shraavan Sir, was Chalivendram. We have got donations from HOD moms and faculty members for earthen pots. Then we placed 3 earthen pots outside the college for passersby, visitors, students, etc. This initiative helped us beat the heat and satisfied a lot of people's thirst.

03 A treat to MOM

The third and most heart-touching activity done by the students was a Treat to MOM. It can't be called an initiative because this day is really special for all the children and their mothers. All the students gifted their moms with priceless love, affection, and care and made this day the most memorable one.

04 Food distribution drive.

The fourth activity done by the students and HOD mam Kanchanalatha mam was serving breakfast to the respectable citizens who happen to be the patients, their respective attenders, passersby, and others in need at Osmania Hospital, Hyderabad. The students themselves served breakfast with their own hands and felt the inner happiness in them. The students felt the need to spread the message of love, brotherhood, and humanity to one and all.

Activities

05 Fist of Rice

The fifth and most required initiative done by the students with the active support and cooperation of Principal Mam, HOD mams, faculty members, and Shraavan Sir was First of Rice. The students have given a challenge to various wings of the college, such as NCC, NSS, Social Responsibility wing, Rotaract club, and many more, and have successfully collected approximately 15 kilogrammes of rice. The initiative began on May 26th, and the campaign of collecting 1 gist of rice began. On May 25th, we successfully collected the rice. For the first time, we gave the rice to the members of AIPIF, and they used it for the preparation of breakfast and other meals.

Activities

07 Distribution Drive

DISTRIBUTION OF BOOKS AND CLOTHES TO WORKING LABOUR CHILDREN CONSTRUCTING WASHROOMS ON THE BEGMET COLLEGE CAMPUS

08 Distribution Driver

The Faculty of GDC Begumpet, consisting of the Social Responsibility team, namely, and students of the college, conducted a school education kit distribution programme @ ZP High School. Gattu Ippalapalli, Ranga Reddy district, Telangana. The kit consists of a school bag, note books, and other stationery required for the academic year (2022-23). The cost of each kit was Rs.1000/200. Such kits were distributed to the high school students of zilla parishad. The journey started on a bus after serving breakfast to the faculty and volunteers at 9 a.m. In addition to the distribution of kits, plant saplings were also distributed in and around the residences of the school.

Activities

09 Peer to Peer

Our students are actively involved in volunteering to take the classes to Anganwadi schools located in the Mayurimarg every morning before college hours.

10 Rakshabandhan with prisoners

Students celebrated the rakshabandhan by sharing love and prosperity with people who were in the central jail. Prisoners meet their family members very often, and a few of them are orphans. They are under punishment, but they really need a relationship to feel responsible and change their mindset and come out as pure human beings. To give that hope, we have decided to celebrate the rakshabandha in central jail by tying the Rakhis to prisoners.

Program Structure

Social responsibility The wing has shortlisted a few activities and is still framing a few more, and this activity framing for volunteering will continue for ever. The core team, a group of students from various departments, will come together and select an activity to execute. The steps of the programme from the beginning to the end are as follows:

- 1.The core team meeting
- 2.Creating the framework based on scope, feasibility, and other factors
- 3.Obtaining approval from the respective incharges
- 4.Volunteer registration progresses
- 5.Circulate the programme framework with all the volunteers.
- 6.Finalizing the date based on everyone's availability
- 7.Assurance of safety and risk factors
- 8.Implementation of the programme:
- 9.Documentation and reporting

We also ensure the safety of participants and other creatures, copy right issues, and legal liability before we start a programme.

Weekly updates and plans will be shared with concerned people
