

GOVERNMENT DEGREE COLLEGE FOR WOMEN BEGUMPET

COLLEGE ANNUAL REPORT (2019-2020)

Government Degree College for Women, Begumpet, Hyderabad was established in 1971. It is located centrally at Begumpet and caters to the needs of the girl students of twin cities and also the nearby districts. The college provides education to deserving candidates in a secular atmosphere and is committed to serve the economically weak, socially underprivileged and needy students. During the last four decades the college has grown from strength to strength and presently helps about 4500 students to access higher education. Our college is the first Government College in the Telangana State to volunteer for the 3rd cycle of Accreditation by NAAC. We were awarded B+ grade. Recognizing the potential of the college, the University Grants Commission had conferred fresh autonomous status to the college in the academic year 2012-13 and the college is getting ready for second cycle of Autonomy Inspection in 2019-20.

This year, the college has registered student strength of 2953 with 33 U.G. courses and 06 P.G. courses. The infrastructure in the college is conducive to the multifaceted courses that we offer. Our Library comprises 22,000 books, a Reading Room with e-corner, several Journals related to various subjects, Magazines and Newspapers. In the light of such academic and infrastructural facilities, we reiterate our commitment to our objective

‘Learning is the Best Ornament’, as we firmly believe that women empowerment alone can take the society to greater heights.

The Telangana Skill Knowledge Centre (TSKC) in the college is a prestigious initiative of the State Government and our college has been identified as the nodal centre for TSKC activities. At the TSKC, students are given training in Computer Skills, Aptitude and Communication Skills to instill confidence in the students to face the selection process for various companies. The TSKC interacts with various industries to conduct placement drives on campus and recruit students. Due to Covid- 19 On-campus hiring was uncertain. Nevertheless, the TSKC Cell planned OFF-CAMPUS RECRUITMENT DRIVE. Schneider Electric conducted a job drive off campus and 91 students were selected during the drive.

- The pass percentage of the college increased to 94% in the Academic Year 2019-2020.
 - The college is open to new ideas and ready to embrace new adoptions for quality education.
- Moving on the similar lines, as per the CCE instruction, the College introduced MOOCs (Massive Open Online Courses) under the CBCS system offering 33 new courses with different combinations during the academic year 2019 - 2020.
- TSKC Curriculum on Employability Skills and Gender Sensitization Course was added to the 1st year Degree Course in semester I & II respectively and was revised for 2 credits each from 2019-2020.
 - In addition to the languages and core subjects offered, the college has introduced 16 GE and SEC Electives in the academic year 2019-2020. The syllabus and the evaluation pattern for these 16 electives were designed by the respective Departments.

Under the CBCS pattern 100 hours of training spread over three years either in NCC / NSS / Sports / Martial Arts has been made mandatory for all students for 2 credits each from 2019-2020.

I am happy to inform you that the college in its endeavor to strengthen the teaching learning process has taken up several initiatives comprising extension lectures, teachers and students participation, achievements for the academic and the student's response to these courses has been overwhelming. The college notably caters to the extra curricular activities including NCC, NSS and sports and achieved accolades during this Academic Year.
