

Cluster Colleges Meeting

Report on first meeting of cluster colleges of GDC was held at Nodal College, GDCW, Begumpet on **16th November 2022**.

The following have been requested by GDC Kukatpally:

- Services of Sanskrit faculty and Physical Director
- Access to the library
- Access to laboratories for the conduct of practical examinations
- Collaboration with GDCW Begumpet teachers to carry out minor research projects
- Provision of seminar hall or auditorium for conduct of seminars or workshops

GDC Khairatabad has requested the following:

- Access to Microbiology and Biotechnology laboratories for practical classes.
- Sharing of resources for conducting Certificate Courses

GDC Patancheru asked for the following:

- Services of the Physical Director
- Collaborative research work with nodal college teachers to conduct minor research projects
- Viewing extension lectures or other important Seminars conducted by the Nodal College via virtual classroom.

GDC Quthbullapur requested the following

- Requirement of faculty
- Training for girls at Nandi Foundation at GDCW, Begumpet

GDC Serilingampally has requested for

- Computers
- Botany faculty
- Access to life sciences laboratory for practical conduction

After elaborate discussion on the requirements of the cluster colleges, it was decided to share the facilities/amenities of the Nodal College with the cluster colleges. The

Nodal College would be sharing its resources and would involve the cluster colleges in various activities like-

1. Certificate program and skill-based programs can be conducted collaboratively as the nodal college is having Research Centre and guide ship, the facility will be extended to the cluster colleges for collaborative research work like seminars, workshops, project work etc.
2. Video lessons and the notes posted in e- Adhyayan Kosh of the website of the Nodal college can be accessed by the cluster colleges
3. Any extension lecture conducted by the nodal college can be shared on virtual mode. The details of the programme shall be communicated in advance to the cluster colleges.
4. Literary, cultural and sports events can be conducted at cluster level.
5. National events or Days celebrated like Science Day, Mathematics Day can be conducted collaboratively.
6. The best practices of the nodal college will be shared with the cluster colleges. Likewise the best practices of all the cluster colleges can be shared with other colleges.
7. Workspace of the laboratories of the nodal college can be availed by the cluster colleges during the internal exams and semester end exams. Cluster colleges can utilize the consumables of the nodal college.
8. The infrastructure facility like seminar hall and auditorium of the Nodal College will be shared with the cluster colleges on prior information for conduct of Seminars or workshops.
9. Regarding access to N-list of the Nodal College, a decision will be taken after verifying the ToC of the same.
