ACTIVITIES FOR FUTURE EMPLOYMENT
2020-2021

Personality Development Programme

Objective:

Students will know about the types of personalities, personality development and apply them to improve themselves.

The Department of Economics conducted a programme in collaboration with Vandemataram Foundation. Mr.Narsinga Rao, founder member of Vandemataram foundation is the Resource person on 13-12-2020. He has delivered lecture to the students on the types of personalities. He has spoken about the importance of Yoga in daily life. He also focussed on Patriotism and narrated few examples. He introduced the Role models from Youth especially women. Totally 120 students participated in the event. This also served as a Orientation Programme to the first year students and motivated them towards learning.

Outcome:Students enthusiastically participated in the event and happy about this programme. They have given good feedback about the event. They agreed to apply this knowledge in their daily life.
