HYDERABAD

DEPARTMENT OF MATHEMATICS

A ONE DAY WORKSHOP ON FAST CALCULATION TECHNIQUES

ON 25.2.2021

REPORT

RESOURCE PERSON:

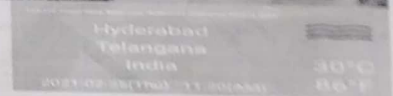

Sri E.Chandraiah, Director, Quest Smart Learning  
Solutions, Hyderabad.

OBJECTIVE:

Enhancing skills in fast calculations for competitive exams.

After completion of B.Sc., most of the students appear for many competitive exams to crack a job. In this competitive world , speed and accuracy play as added skills in achieving it. As every competitive exam is time bound, fast calculation techniques are very useful for the aspirants. In view of these reasons, the resource person gave a lot of tips and techniques for speed calculation. The interactive and practice sessions enhanced the students fast calculation abilities.
