

Extension lecture by Dr.Anil K.Pasupuleti on May 11 th 2020

An Online Extension Lecture on Career Opportunities in Life Sciences was conducted on 11-5- 2020, by Dr. Anil Kumar Pasupulati, Assistant Professor of Biochemistry, University of Hyderabad.

The lecture mainly focused on scope for biotechnology as a career option is immense as its applications and innovative products are in the market every day. There are various organizations that serve as great resources for those for entering the field of biotechnology. Biotechnologists are at the forefront of the continuous search to find new, sustainable food sources. They can work in various work environments like industrial sector, environmental sector, medical sector, food manufacturing, health-care and pharmaceuticals. Professionals in this field can specialise in one or more subfields like genomics, proteomics, and bioinformatics. Head of Biotechnology Mrs.V.Rohini, organized this lecture. Number of students participated - 70

STEP - Student Talent Enhancement Program on MAY 12 th 2020

Topic: student talent enhancement program by Dr.KS Prasad, to departments of zoology and Biotechnology. Time: May 12, 2020 11:00 AM

The students were enlightened by how leadership skills are a must-have for anyone to succeed in life, most importantly for young students who are our future citizens. A quick survey reveals that a majority of students today are either not adequately equipped or not proficient in communication skills, interpersonal skills, confidence, a sense of responsibility and precious human values. With the noble objective of bridging this gap, The International Association of Lions Clubs, District 320D has designed an exclusive NIPUNA - Soft Skills training program to build leadership skills among youth. The program titled STEP (Student Talent Enhancement Program) has Four Cs as its components: Communication Skills, Collaboration Skills, Confidence and Compassion.

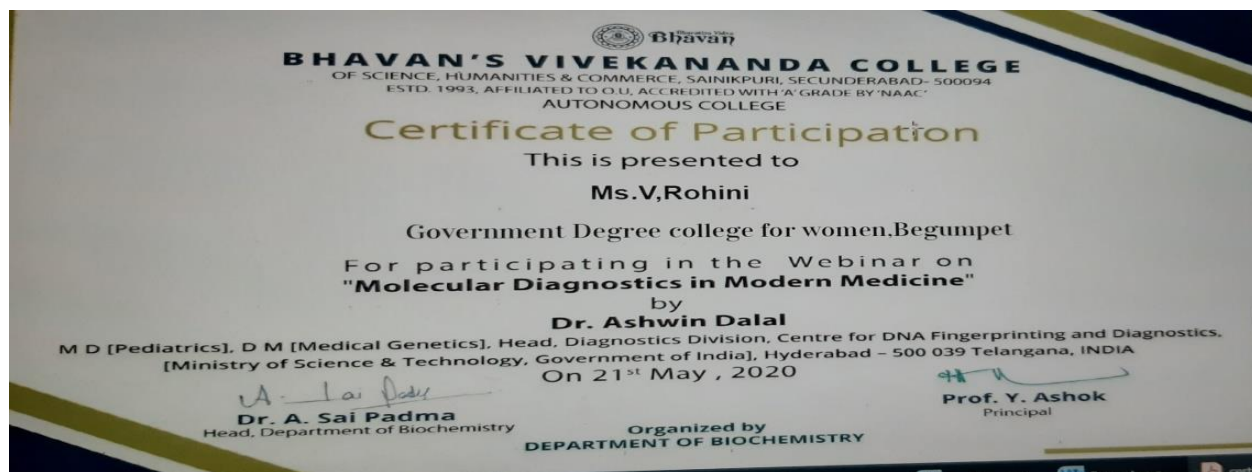

Heads of Biotechnology Mrs.V.Rohini, Zoology Mrs. Suprabha Panda had organized this lecture. Number of students participated -32
