

Campus Bazaar

This event was conducted in the College premises on 22-3-2023 by student self-help groups from various departments namely Vedika, Chempak in which the students displayed the self-made products which were environmental friendly.

This event has encouraged the students to showcase their hand-made products such as self-made Sanitizers. Jute products, paper crafts, Food items such as pickles, powders, ready-made juices. Students have come forward to showcase their talent such as hair-styles, Saree-draping, Mehendi and paper crafts. The students have prepared jute bags and Best- out-of waste products and displayed their items for exhibition.

Objectives:

- 1)To encourage the students to learn the entrepreneurship skills.
- 2)To showcase the inherent skills and talent in such group activities.
