Action taken Report 2020-21

19/3/21

The Grievance Redressal cell has conducted a meeting on 19th March 2021, to discuss the grievances received from B.A. Final year student against the watchman - Rajkumar for his misconduct, rude behaviour.

The student alleged that the watchman had hit her twice on her face as she was not wearing I.D. card. This act was objectionable.

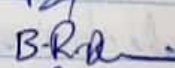

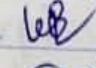

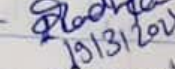

Further to this, a serious inquiry was done and found that the watchman indulges in bad, rude, and rash behaviour with other students.

In view of the above inquiry, the Committee reported the Principal for stern action.

Following the suggestion and report, Principal Dr. G. Saritha mam. has removed the watchman and assigned him other office work so that he does not come in contact of students and indulge in awful activity. The watchman is replaced by other office sub-ordinate.

The Grievances Redressal cell ensures that such incidents are not repeated and make the college safe, secure premises for the girls and women staff.
