FIELD TRIP  
A  
REPORT ON  
METEROLOGICAL DEPARTMENT

DATE:27-10-2021

TIME:9.30AM TO 5.00PM

TOTAL NUMBER OF STUDENTS ATTENDED : 50

On Thursday 27<sup>th</sup> of October 2021, the Commerce department of Government degree college for Women's , Begumpet , organized a visit to "METEROLOGICAL DEPARTMENT" situated in Prakash nagar , Venus plaza. On the main road near airport , Begumpet. A batch of 50 students from the commerce department was accompanied by the incharge madam B.A.Rajanikala.

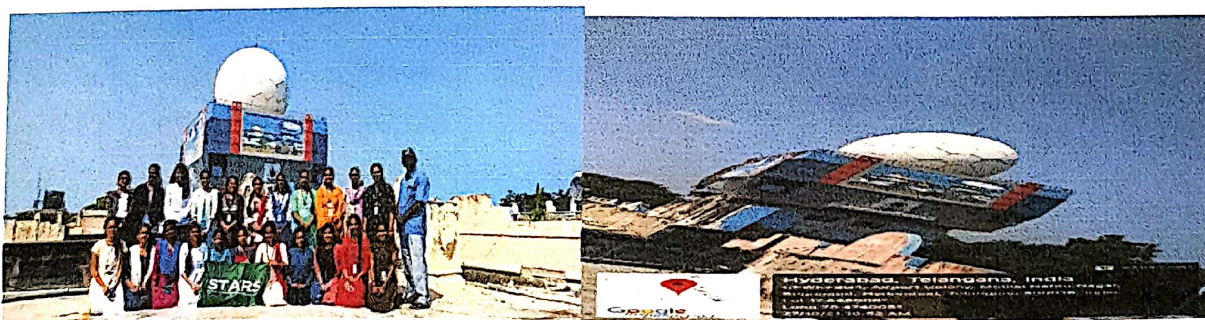

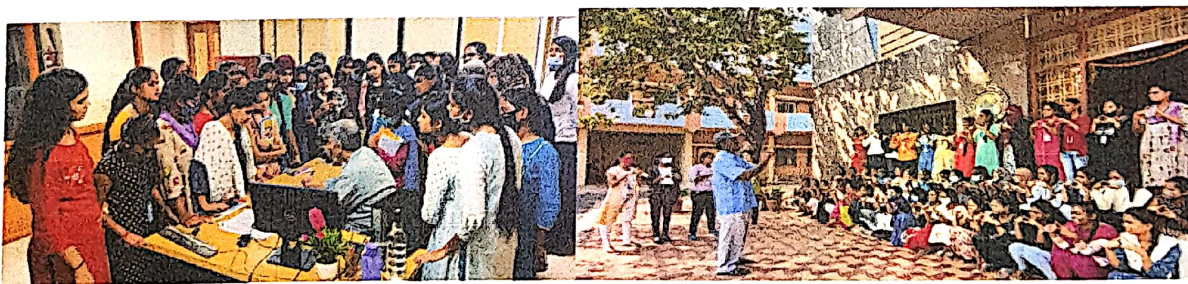

The journey commenced at 9:30am in the morning in a very graceful and excitement mood .As soon as we reached the meterological observation centre ,all the students were divided into two groups in pairs. One of the group was sent to see how they measure the climatic conditions accurately and the other group was sent to look up the department. Before that students were asked to proceed to a conference hall where they were showing us the centre and then sir explained the guidelines and precautions which everyone should take. Then one group was moved to the yard where the thermometers where placed which were used to record the climatic conditions. The students witnessed all the actual process which took place there while sir showed how they measured the climatic conditions using thermometers. Sir explained about the wooden box and how it works . There was wooden box which was specially made to place four different types of thermometers. One of the thermometer works with a human hair as the hair absorbs more water vapour so it was placed along with the thermometer for the early identification of climatic change and then there were other instruments placed and all the instruments were used to identify the climatic changes.

Then later all the two groups were combined and were informed the instructions. Then everyone went inside the Meterological Department . The students were surprised seeing the department and then seeing the automatic machine and also the manual machines hich were placed to get the accurate results and accurate readings. The students witnessed the hygrograph readings. In the department there were two types of Barometer , one barometer which functions manually and the other barometer was automatic. Then students saw the wind readings and then all went sunshine recorder which records the intensity of heat of sunlight and we saw Anemometer which records the speed of the wind and there was a UHF preamp, which is a

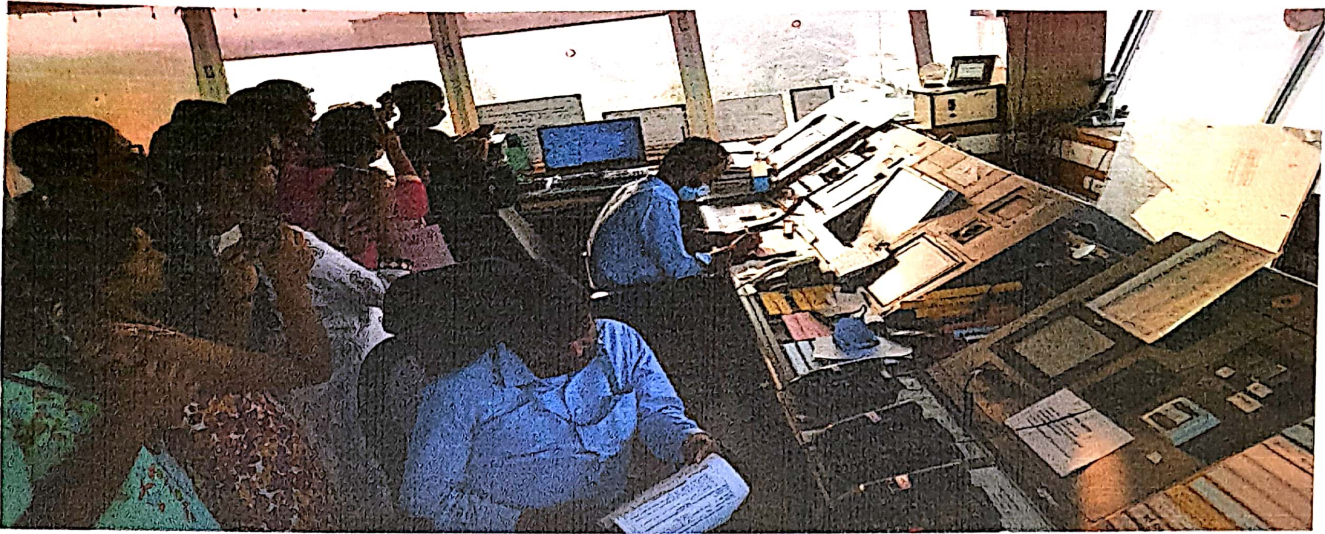

automatic machine used to know the climatic changes .Then everyone went to the top of the building where a big antenna was placed which can list the climatic changes around 250 kilometers and a height upto 18kms .It was very huge.Then everyone went to the Rajiv Gandhi terminal and witnessed the take off of the Aircrafts and also ahelicopter and even everyone saw the take off of the aeroplane . Then after that we all went to the conference hall. There we all were introduced with the co-ordinator Manager and Director .Later the manager explained us about the Swatch Bharath Abhiyaan and a small interaction was between the yaan and a small interaction was between the manager and the students.Later everyone took pledge regarding Swatch Bharath Abhiyaan and everyone who took pledge were awarded with a certificate and lastly we played few games and finally the visit was finished by evening 5.30 PM and we all came to the college at 5.45 PM. The students dispersed to their home. This visit was a great experience for the students in getting live exposure of how to record the climate changes. This visit will help students in their further pursuit and to make a courier in climatic change department.

FORTUNE BUTTERFLY CITY

FORTUNE BUTTERFLY SCHOOL

FORTUNE INFRA DEVELOPERS

#### FORTUNE BUTTERFLY CITY:

The journey commenced at 6:30am in the morning in a fresh and excitement mood . As soon as we reached fortune butterfly city all the students were divided into two groups with two pairs .The fortune butterfly city is very nice integrated township. It is started in 2006 and it crossed 15 years . This venture has acquired 3600 acres of land . The environment of fortune butterfly city can jointly view to achieve the highest possibilities of life . The concept of fortune butterfly city is that it will have separate colonies for highly qualified like doctor's , professionals ,CTO and NRI's . It ensures a convenient life style and offers facilities for families for kids , there is children's play area near by park swimming pool , sports enthusiasts can also make the most tennis court , cycling and jogging track . Indoor games are also provided for outsiders , they have rooms for them per day with cost 3500 and there is a saloon court for ladies and gents . The fortune butterfly has 60 and 40 feet wider slide interconnected roads underground power , water supply and rain water harvesting.

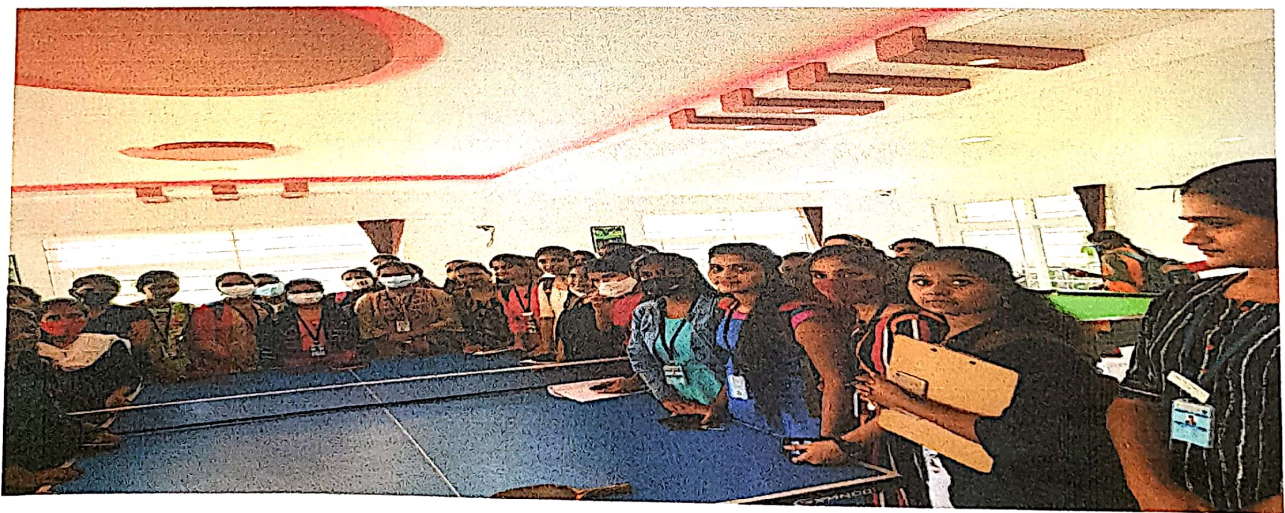

FORTUNE BUTTERFLY SCHOOL:

*In this township there is a school named fortune butterfly secondary school affiliated to CBSE, is known for imparting quality education in rural North Telangana spanning across 65 villages and 6 mandals far away from the city .The fortune butterfly school is with 4 acres campus and addresses the social , intellectual and emotional well being of each and every child . The school has good infrastructure ,dedicated teachers . They offer child-entered education from pre-primary to 12<sup>th</sup> grade along with vocational course from grade 6 to grade 12 . Hostel is offered to distant students.*

FORTUNE INFRA DEVELOPERS PRIVATE LIMITED:

*Finally we met with a sir . He explained about the fortune infra developers . It is well known in real estate industry and their focus from day has been provided the best quality real estate products and they provide the best customer service . The company's main goal is to provide the best real estate services .*

REPORT  
ON ISRO/FOREST ACADEMY

DATED: 18<sup>th</sup> October, 2021

NO. OF STUDENTS ATTENDED: 50

On 18th October 2021, the Commerce department of Government Degree College for Womens Begumpet, organized an Industrial visit to "ISRO FOREST ACADEMY". A Batch of 50 students from the commerce departments was accompanied by C.P.Uma, Bhargavi.

With the setting up of Indian National Committee for Space Research (INCOSPAR) in 1962, Space activities in the country were initiated. Work on Thumba Equatorial Rocket Launching Station (TERLS) near Thiruvananthapuram was also started during the same year. In August 1969, Indian Space Research Organisation (ISRO) was established. In June 1972, the Space Commission and the Department of Space (DOS) were constituted by the Government of India and brought ISRO under DOS in September 1972.

Space Commission formulates the policies and oversees the implementation of the Indian space programme to promote the development and application of space science and technology for the socio-economic benefit of the country. DOS implements these programmes through, mainly, ISRO, Physical Research Laboratory (PRL), National Atmospheric Research Laboratory (NARL), North Eastern-Space Applications Centre (NE-SAC) and Semi-Conductor Laboratory (SCL). Antrix Corporation Ltd., and NewSpace India Limited, Government owned companies are set up for commercialization of R&D activities of DOS/ISRO.

The establishment of space systems and their applications are coordinated by the national level committees, namely, INSAT Coordination Committee (ICC), Planning Committee on National Natural Resources Management System (PC-NNRMS).

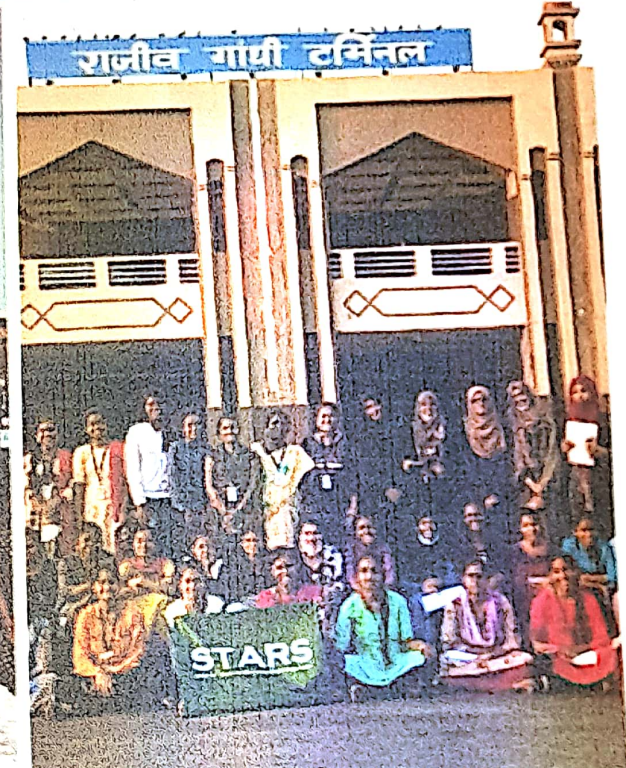

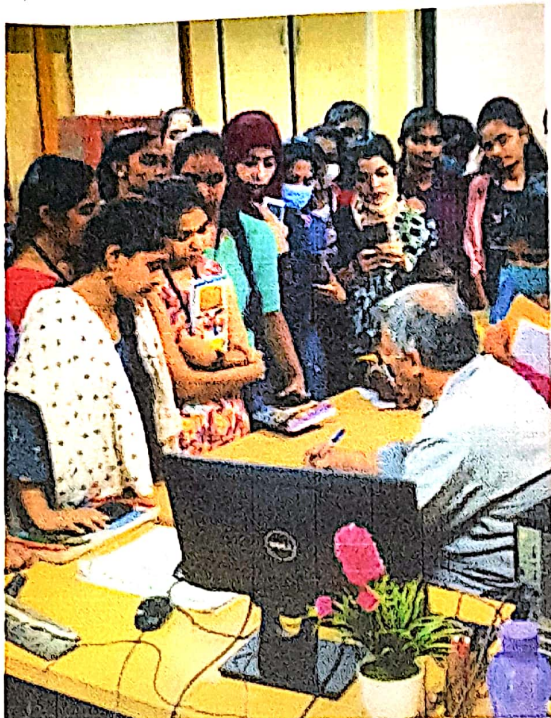

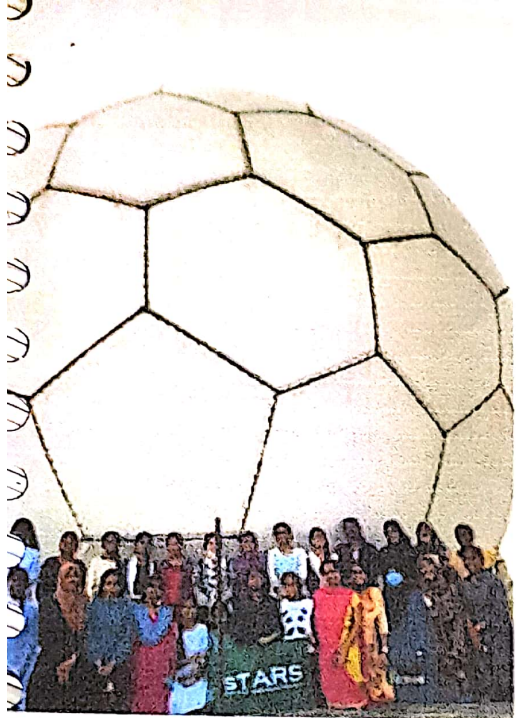

The state Institute of forestry training established in 1926 in Nizamabad. It occupies 75 hectares of area, Dhullapally reserve forest and it was renamed as forest academy.

The academy is acting as a National Level Center of Excellence for training the personal of forest department. The representative of NGO'S on various aspects of natural resource management. The National level workshops and training program including one week compulsory courses for the forestry department. It is a wonderful experience after attaining the 2 field trips ISRO and Forest Academy. We are aware of various space gadgets how it works and the wonderful academy with full of forest
