Breast cancer awareness Program

An awareness program was organized by an NGO 'We for Women' on 31st October 2021 in view of Breast cancer awareness week. In this program, students from our college have participated. Our students prepared placards showing the importance of breast cancer awareness and participated in Rally. In this program they said that for every 8 women, 1 being affected by breast cancer now a days. If we can diagnose the problem in early stages, it can be cured. They said there should change in our life style to overcome the chances of getting breast cancer. Exercise, good food, avoiding stress is important parameters that have to be taken care. With these awareness programs many people can understand the spread of the disease and they can understand how to recognize the problem in early stages. NGO founder Dr. Pratibha Lakshmi, Dr. Sravanthi, Dr. Kirthi, Dr. Sandeep, Dr. Madan Mohan, Dr. Annapurna, Dr. Vijaya Lakshmi, Dr. Sunitha Joshi, Vamshi etc have addressed the audience.

We for Women creating awareness on breast cancer RISE- Rally in supporting, serving and screening Everyone- by We for Women

Rise in Cancer Risk
HYDHRABAD, INDIA

October month is breast cancer awareness month and early detection is the key to save lives. said Dr Pratibha Lakshmi founder of We for Women society for women empowerment during the breast cancer awareness rally in cash on necklace road in Sundo.

Breast cancer being the second most common cancer in women. One in every 8 women get breast cancer in their life. But 95% WHO can be saved with early detection. 1,16,381 new breast cancer cases were reported in 2021 which amounts to 12.9% of total cancers. 30,436 deaths from breast cancer were reported in 2020 which amounts to 10.8% of total cancer deaths are added.

We on behalf of we for women are ready to create awareness and training for self breast examination in colleges for early detection of breast cancer. Majority of cases diagnosed with cancer breast in females showed local and nodes (77.5% spread) followed by 29.0% and 15.3% of cases with advanced disease(confined to breast) and distant metastasis (spread going to other organs of body) respectively and Dr. Sandeep, a specialist in Gynaecological Malignancies.

Dr. Madanmohan, Dr. Vijaya lakshmi, Dr. Annapurna, Dr. Sunitha Joshi, Aishwari, Dr. Teerasa, Dr. Vamshi, Shaikhin Ghoraba, Purnali Rajendra, around 50 students from Government degree college Begumpet, and many more counting a total of around 200 attended this awareness program.

Haemoglobin Estimation Camp

Department of Microbiology in collaboration with Microbiologists Society India and Red Ribbon club has organized Haemoglobin estimation camp on 6th November 2021. Students of B.Sc. III Year, MBC and MZC have conducted haemoglobin estimation for students of B.Com II year. Around 43 members have got tested their haemoglobin. It is found that haemoglobin for these students was in the range of 6 to 13. We have created awareness about importance of haemoglobin level in our blood. And explained the problems associated with low haemoglobin. We have also suggested measures to increase the haemoglobin i.e. to have more leafy vegetables, carrot, beet root, jaggery, pea nut etc. Students have received our suggestions and were happy with the outcome.

SURYA NAMASKARAMS

Dt.03-01-2022

On the occasion of 75 anniversary of independence, the Govt. of India announced to celebrate 75 crore Surya Namaskar Project historically under the banner of Azadi ka Amrit Mahotsav. The organisers including Patanjali Yogpeeth, Geeta Pariwar, Heartfulness, Kreedha Bharathi and National Yogasana Sports Federation. This program will be a landmark in generating awareness about the efficacy of Surya Namaskarams and yogasana.

Objective of the Program:

1. To bring awareness of Suryanaskas and their role in maintaining sound health.
2. To bring discipline among the students.
3. To understand the role of Govt. of India towards the health of youth and others.

Women empowerment cell in collaboration with NSS units this program was started on 03-01-2022. This program was held for 21 days continuously and the students learnt about 13 Yogasanas. The students were guided by the eminent persons from various organizations like G. Nagarjuna (Bharath Swabhimani Trust), P. Devender (Patanjali Yog Samithi), Deepak Josh (Bharath Swabhimani Trust), Neelam Thripathi (Mahila Patanjali Yog Samithi), Shatrughan Singh (Zilla Prahari Yuva Bharath), Sunil Agarwal (Zilla Prahari Kisan Panchayath), Ch. Suresh (Bharath Swabhimani Trust).

Outcome of the program : 1. Students will come to know about the importance of Surya Namaskars and their importance.

2. Students become more conscious about health.

3. They also play a major role in spreading awareness regarding Surya Namaskars and Yogasana.

**INSTALLATION OF INCINERATOR IN STUDENTS WASHROOM
(8-2-2022)**

An incinerator was installed in student washroom in first floor; on February 8th 2022. This was procured by funds equally contributed by health bhagya team and Kaameshwari Trust. The member of the Trust Mr.Vijaya Krishna not only helped in installing the instrument but also instructed regarding the working and operation of the same.

Sanitary napkins constitute a large chunk of the non-biodegradable waste across the world. That they cannot even be recycled, unlike the rest of the plastic waste, make them the most dangerous form of waste.

Disposing of napkins a major concern for most people, who are not equipped with incinerators. Thus, these objects end up being thrown into the waste bin or clogging the toilets.

The Eco-Friendly Group, health bhagya team and Kaameshwari Trust, has come up with a solution to this problem and procure high quality incinerators which can handle 150 pads a day.

It is specially designed to destroy up to 30 napkins at a time. It is the best solution for destroying sanitary napkins and converting them into sterile ash.

Installation of Incinerator

PULSE POLIO PROGRAM

Dt.27-02-2022

Government Degree College students got a great opportunity to render their services in participating social services. **Pulse Polio Program motto is "POLIO FREE WORLD".**

Pulse Polio is an immunization campaign established by the Government of India to eliminate poliomyelitis (polio) in India by vaccinating all children under the age of five years against the Polio Virus. The project fights polio through a large-scale, Pulse Vaccination programme and monitoring for poliomyelitis cases.

Women Empowerment Cell and NSS units in collaboration with the Primary Health Care Center, Begumpet our students participated in **Pulse Polio Program** at Govt. High School, Begumpet. Students from NSS and NCC Cadets participated enthusiastically in the program on **dt.27.02.2022** from 7.00 am to 5.00 pm. Before attending the program online training was given by the Dr. Prasanna, Primary Health Care Center, Begumpet. Madam has given instruction regarding timings, taking care of vaccine vials, how many drops are given to the children, registration, and also to motivate the society by giving awareness on Polio Diseases and its effect on children.

Objective of the Program:

The Pulse Polio Initiative was started with an objective of achieving hundred per cent coverage under Oral Polio Vaccine. It aimed to immunize children through improved social mobilization, plan mop-up operations in areas where poliovirus has almost disappeared and maintain a high level of morale among the public.

Outcome of the Program:

- Students get aware of the effects of viruses and its causes.
- Polio affected people and their health problems.
- Understand about the affords taken against polio virus by the Central Government.
- Understand about the children protected by taking these measures.
- Understand how to participate in social work.

MEGA MEDICAL CAMP

dt.23-03-2022

A Mega Medical Camp was conducted by the Bhagya-health committee with NCC and NSS committees, on 23 March 2022, with Osmania Hospitals senior consultant physician Dr.L.Jayasree and team.

About 600 students and their parents, teaching and non-teaching staff attended the camp and underwent checkup at the health camp. The panel of doctors included General Physician, Gynecologists, Nutritionists and Pharmacists.

Free medical camps are set up with a sacred aim to bring awareness and provide completely free medical checkup including all medical services. Medical camps provide free medical advice, medicine to the unfortunate people and refer for specialized treatment or surgery whenever it is required. These camps make sure people are getting healthcare at the right time, and seeing the doctor early enough before a small health problem turns serious.

Nearly 600 teaching, non-teaching staff, students and their parents utilized this camp, got medical consultation and medicines for health issues diagnosed during checkup.

Awareness on Anti Tobacco Day

Dt.31-05-2022

This yearly celebration informs the public on the dangers of using tobacco, the business practices of tobacco companies, what WHO is doing to fight the tobacco epidemic, and what people around the world can do to claim their right to health and healthy living and to protect future generations.

In view of anti-tobacco day, the Government degree college for women, Begumpet Health club in collaboration with Dept.of Zoology, NCC and NSS has organized rally with placards against tobacco usage. The rally was taken up from college to nearby local area. Students participated enthusiastically by holding placards and explaining the hazards caused by the use of tobacco.

The Member States of the World Health Organization created World No Tobacco Day in 1987 to draw global attention to the tobacco epidemic and the preventable death and disease it causes. In 1987, the World Health Assembly passed Resolution WHA40.38, calling for 7 April 1988 to be a "a world no-smoking day." In 1988, Resolution WHA42.19 was passed, calling for the celebration of World No Tobacco Day, every year on 31 May.

World No Tobacco Day (WNTD) is observed around the world every year on 31 May. The yearly celebration informs the public on the dangers of using tobacco, the business practices of tobacco companies, what the WORLD Health Organization (WHO) is doing to fight against the use of tobacco, and what people around the world can do to claim their right to health and healthy living and to protect future generations. Students will understand about the damage caused by the tobacco usage amongst the people and ultimately affecting their families and the society.

The Member States of the WHO created World No Tobacco Day in 1987 to draw global attention to the tobacco epidemic and the preventable death and disease it causes. The day is further intended to draw attention to the widespread prevalence of tobacco use and to negative health effects which currently lead to more than 8 million deaths each year worldwide, including 1.2 million as the result of non-smokers being exposed to second-hand smoke. The day has been met with both enthusiasm and resistance around the globe from governments, public health organizations, smokers, growers, and the tobacco industry.

Objectives of the program:

- 1.To bring awareness about tobacco causing health issues in people.
- 2.To draw attention to the tobacco epidemic and the preventable death and diseases it causes.
3. Function of WHO against Tobacco causing diseases.
- 4.To save the youth from addiction of narcotics.

Outcome of the program:

- 1.Students will come to know about the caused by tobacco.
- 2.Students will try to control themselves from peer group pressure.
- 3.Try to understand about diseases like cancer and how it is effecting the society.

No. of students participated: 50

Anti Tobacco day
