2. HARITHA HARAM – 8TH JULY 2021

Telangana Ku Haritha Haaram was launched by Telangana Chief Minister Kalvakuntla Chandrashekar Rao on 3 July 2015. It is one of the Telangana Flagship programmes to rejuvenate degraded forests, protecting these forests from threats such as smuggling, encroachment, fire and grazing. Telangana Government to increase the present 24% tree cover in the State to 33% of the total geographical area of the State.

The main objective of Telangana Haritha Haaram scheme is to build our Telangana State into a Green City which covers to at least one-third of the State's geographical areas. This initiative has in turn proved successful in the academic circles by engaging students in group activities and addressing the concerns of ownership and responsibility. The need to address the growth issues by adopting the plant and taking care of it has increased a sense of responsibility among the student community.

In lieu with this our college has celebrated Telanganaku Haritha haram on 8th July 2021. In this program, the POs and NSS volunteers have participated with lot of vigor and interest in this initiative of planting saplings and adopting them to closely monitor their growth.

3. FREEDOM RUN

Fit India Mission in its endeavour to promote fitness and creating awareness amongst countrymen keeps coming with innovating fitness campaigns to indulge people in fitness activities. Fit India Mission converges with Swachh Bharat Abhiyan with Fit India Plog Run where fitness meets Swachhhta in a form of engaging fun-loving exercise is now entailed in Fit India Freedom Run culminating where we discover a litter free clean surroundings while running

Fit India Freedom Run was conceived in 2020 when the entire nation started following social distancing in a 'new normal' lifestyle, so as to keep the imperative need of fitness active even while following the social distancing norms. The campaign's objective is to encourage fitness and help us all to get freedom from obesity, laziness, stress, anxiety, diseases etc. The Fit India Freedom Run is yet another endeavour to strengthen the Fit Indian Movement and involve citizens to embrace fitness as a way of life. Participants will be allowed to run at their own place and at their own pace at a time convenient to them during campaign period. The concept behind this run is that "It can be run at anytime and anywhere!

Till date two editions of the campaign have been held in 2020 and 2021 respectively and the campaign has seen tremendous support from various stakeholders such as government, private organizations and individuals from all walks of life and demographics making it a truly people's campaign. This year, Fit India Mission has decided to organize the 3rd edition i.e. Fit India Freedom Run 3.0 from 2nd October to 31st October 2022 under Azadi Ka Amrit Mahotsav (AKAM) initiative. Citizens will be urged to inculcate 30 minutes of physical fitness in any form, celebrate achievements of active lifestyle and make a resolve to remain fit on the grand occasion of India's 75th Independence year completion i.e. "Azadi ke 75 saal, fitness rahe bemisaal". The campaign will kick-off with a Plog Run on 2nd October 2021 to celebrate Mahatma Gandhi's birth anniversary followed by running events for the remainder of the campaign i.e., till 31st October 2021.

Fit India Plog Run is always in Fit India Mission charter as 1st event organized under the aegis of Fit India Mission was Fit India Plog Run on 2nd October 2019 i.e., 150th anniversary of Mahatma Gandhi.

On the account of Freedom Run event, NSS volunteers have participated on 14th August 2021 organized by NSS cell, Osmania University.
