YOGA FOR ALL

The theme for International Day of Yoga 2022 is “Yoga for humanity”. Yoga is universal — it can be practised anywhere, at any time, and by anyone irrespective of age, gender, culture or nationality. Yoga is a powerful tool for individuals, communities and countries to improve both mental and physical health.

Yoga has been shown to have immediate psychological benefits, decreasing anxiety and stress, and increasing feelings of emotional and social well-being. It helps prevent and control noncommunicable diseases (NCDs) — cardiovascular diseases, cancer, chronic respiratory diseases and diabetes, among others — that are a rising cause of disability and premature death.

Yoga has helped hundreds of millions of people across the world stay healthy during the COVID-19 pandemic. This is consistent with the WHO principle that states, “Health is a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity”.

Making yoga a part of our daily activities can help countries around the world achieve the NCD target of 15% relative reduction in physical inactivity by 2030. In India, health and frontline workers at Ayushman Bharat-Health and Wellness Centres encourage the community they serve to adopt yoga to promote health, prevent and manage diseases — including NCDs — and accelerate recovery from ill-health and injuries.

On the International Day of Yoga, NSS units of GDCW Begumpet practiced yoga under the leadership of Our College NSS Chairperson Dr. K. Padmavathi. Mam made the teaching and Non-teaching staff and students to do yoga in college premises. She said that yoga can cure all ailments of health – physical and mental. So it is must for all to practice yoga everyday to get protection from various diseases by improving our immunity. Recent covid episode showed the vulnerability of humans towards these tiny creatures. So it is must for all to practice yoga and stay healthy. Dr.K.Padmavathi mam made all do some breathing exercises and SuryaNamskaras on 21-06-2022. In this program around 61 students participated.

TIRANGARALLY – 12TH AUGUST 2022

‘Har Ghar Tiranga’ is a campaign organized under the Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and hoist it to commemorate the 75th anniversary of India’s independence. We’ve always had a more formal and institutional relationship with the flag than a personal one. Bringing the flag home as a nation in the 75th year of independence becomes symbolic of not only a personal connection to the Tiranga but also of our dedication to nation-building. The initiative’s goal is to instill patriotism in the hearts of the individuals and to raise awareness about the Indian National Flag. In this program 25 students participated. This program was organized at Gymkhana cricket stadium, NCC ground, secunderabad, Telangana. The program started in the morning at 7.30 am.

KILL CANCER ISKCON

According to latest data, the World Health Organization (WHO) reported more than 14 million new cases of cancer...which resulted in more than 8.2 million deaths worldwide. They expect these numbers to skyrocket over the next twenty years by a whopping 70% globally!

Cancer is a class of diseases characterized by out-of-control cell growth. There are over 100 different types of cancer, and each is classified by the type of cell that is initially affected.

Before we talk about "cures", there is a saying you must have heard "An ounce of prevention is worth a pound of cure"

The good part of it is, up to 50% of the cancer cases are preventable but due to negligence, millions of people die every year.

International Society for Krishna Consciousness Kukatpally is conducting Elocution competition to increase the awareness, recognize the symptoms, to take preventive measures to avoid carcinogens thus achieves a cancer free society. In this connection, under the chairman ship of the principal all the NSS PO's of unit I, II, III, IV and V have organized an Kill Cancer program on 06.09.2022. In this programme POs explained about various activities to be conducted as an NSS volunteers and especially about various special camps thus motivating and inspiring the students to take part actively. All volunteers accepted to spread awareness about cancer in the society. In this program 48 volunteers have participated.

CELEBRATING FREEDOM AND IDENTITY OF TELANGANA

The Ministry of Culture is organised the "Telangana Liberation Day" celebrations under the aegis of Azadi ka Amrit Mahotsav. The main event was held at the Parade Ground in Secunderabad from 7:30 am. The Union Minister for Home and Cooperation, Shri Amit Shah was the chief guest of the programme. The Union Minister for Culture, Tourism and DONER Shri G. Kishan Reddy and the Chief Ministers of Maharashtra and the Transport Minister of Karnataka also attended the event. The Government of India has decided to commemorate the 75th anniversary of the liberation of Telangana State with a year-long commemoration from September 17, 2022 to September 17, 2023. The 75th anniversary celebrations give us a unique opportunity to celebrate across Telangana, Kanataka and Maharashtra to pay tribute to the courage, resistance and sacrifices of earlier generations. When India became independent in 1947, though 562 princely states announced their merger with the Indian Union, the erstwhile state of Hyderabad resisted. On September 17, 1948, the entire state was granted independence under Operation Polo, thanks to the efforts of the then Indian Home Minister Shri Sardar Vallabhbhai Patel.

The programme aims to highlight the country's roots of culture, heritage, architectural splendour and the unsung heroes of the state with cultural and folk performances by artists from across the

country. The main attractions of today's event were the parade of the Armed Forces, Central Armed Police, Armed Forces and NCC cadets, folk performances like Bathukhamma, Gussadi, Lambadi, Thimsa, Dolla Kunita, Maratha dhol tasha and 75 children in the costume of Sardar Patel. The event also included honouring freedom fighters who fought for the liberation of the erstwhile state of Hyderabad and for Indian Independence. In this connection, The NSS units of GDCW Begumpet, in collaboration with Nehru Yuva Kendra Hyderabad District attended the Telangana Liberation Day Celebrations at Parade Grounds. 100 volunteers from College attended the programme. NSS Programme Officers. Dr. K. Venkateswarlu coordinated this programme. NSS Unit-3 Programme Officer. Dr. M. Madhukar Rao attended this programme.

2) Rally to create awareness on Girl's education, Cleanliness, and SWACHATA

We conducted a survey considering **100** families in the village. When asked about Vaccination, we came to know that a complete hundred families got vaccinated with two doses. When asked about the general health issues, **11%** of members were suffering from general issues and **63%** said that they don't have health issues and **26%** have said that sometimes they come across such health issues such as body pains, knee arthritis, fever, etc.,

When moving, we asked about Rain harvesting pits, **17%** of people have Rain harvesting pits near their house and the majority i.e, 80% of people don't have pits and **3%** are not even aware of their rain harvesting pits.

When asked about the usage of chemical fertilizers and organic fertilizers like manure, **22%** of them knew about it but many of them were not able to use organic fertilizers like manure because of environmental factors and **20%** are using chemical fertilizers and **39%** said that they don't have fields.
