## **Department of Training & Placement Cell (TSKC)**

**A.Y. 2020-21**

### **Microsoft Azure Cloud Computing Internship**

Microsoft collaborates with AICTE, NASSCOM, EY, GitHub, and Quess Corp to empower India's youth with tech skills to be job-ready and launches *Future Ready Talent*, an internship program for undergraduate students. Aims to skill over 1.5 lakh students in data and AI, cloud computing, cybersecurity etc in 3 batches, in each batch they train 50000 students. In the first batch 16 students are selected from our college and the list attached as Annexure - I. During this program

- Microsoft will provide learning modules and certifications through its learning platform, [Microsoft Learn](#), skilling students on topics like cloud computing, data & AI, and cybersecurity.
- AICTE will ensure the curriculum is aligned to the National Education Policy, 2020.
- SSC NASSCOM will provide alignment of relevant courses to the National Occupational Standards, linking these courses on FutureSkills Prime.
- EY will provide the technology and industry mentorship to students during their internship tenure.
- GitHub will provide students with free access to the best developer tools via the [GitHub Student Developer Pack](#), as well as the opportunity to collaborate on projects with other developers on GitHub.
- Quess Corp will manage the learner experience and host a virtual career fair for participants, exposing them to career opportunities across the Microsoft customer and partner ecosystem.
