## Animation Course:

### ANIMATION COURSE CONTENT

<b>Topics</b>
Introduction about photoshop
Photoshop Tools
Creating Designes
Color Correction
Color Manipulation
Color Effects
Layers
Effects
<b>Adobe Flash</b>
Introduction between 2D and 3D
Tools and Properties
Sketching and Tracing
Motion Tween Animation
Shape Tween Animantion
2D Character Designing
2D Titile Animation
Symbols Chapters
Movie Clips
Graphicals
Buttons
Export to Final Output
Maya Introduction, Introduction of Multimedia & Photoshop
Introduction to Computer Graphics and 3D, Painting and Skeching

The CG Production Workflow, Basic Selection Techniques of Tools
Basic Design Concepts
The Main Menu Bar
Selection Modes, Snapping Functions or Snaps,
The Channel Box/Layer Editor Icons.
The Attribute Editor and Outliner
Beginning Polygonal Modeling,
Planning your model, Polygon basics
Poly editing tools, Putting the tools to use: making a simple hand
Creating areas of detail on a poly mesh, Modeling a catapult,
Suggestions for modeling polygons
Modeling with NURBS
Subdivisions, and Deformers
Using NURBS surfacing to create polygons
Converting a NURBS model to polygons
Editing NURBS surfaces
Patch modeling: a locomotive detail
Using Artisan to sculpt NURBS
Modeling with simple deformers,
The lattice deformer
Animating through a lattice

Subdivision surfaces,Creating a starfish
Building a teakettle
Shading and Texturing.
Maya shading,Shadertypes,Shader attributes
Textures and surfaces
Textures and UVs for the red wagon
Photo-real mapping: the decorative box
Introduction to Animation
Keyframe Animation—Bouncing a Ball
Throwing an Ball
Replacing an object Animating flying text
Skeletons and kinematics
Forward Kinematics: The Block Man
Creating the Skeleton
Attaching to the Skeleton
FK Walk Cycle
Rigging the Hand
Binding to Geometry
Binding the Hand: Rigid
Interactive Skin Bind
Inverse Kinematics, Rigging the IK Legs
Creating an IK Walk Cycle
Set-Driven Keys
Basic Lighting Concepts
Maya Lights

Adding shadows,Raytracing soft shadows
mental ray lighting
Mental ray Physical Sun and Sky Lighting effects
Lighting the table lamp and decorative box
Rendering setup Previewing your render: the Render View window
Reflections and refractions
Using camer views
Batch Rendering
mental ray for Maya,Render layers,
Final Gather, Ambient occlusion
HDRI, Displacement mapping the decorative box,
Rendering the lamp and decorative box
Maya Dynamics and Effects
An overview of dynamics and Maya Nucleus
Rigid and soft dynamic bodies
Animating with dynamics: the pool table
Fun dynamics: shoot the catapult
N Particle dynamics
Emitting nParticles
Animating a particle effect
Project
Various MSME Schemes for supporting to entrepreneurs(Introduction to Entrepreneurship, Enterprise Establishment & Communication Skills)

## Course Outcomes:

- Animation of Pictures using different tools is made to learn
- Animating different objects/items was explained

## Welcome

Dear Friends of HOPE

Our cover story this year is about the children who are invisible in society. These are the lost children of the world, children starting life without a birth certificate. One in three babies born across the world each year are not registered – over 50 million children.

Legally, these children do not exist; they are never recognised. Lack of a birth certificate denies them the most basic of human rights. A child without a birth certificate is at more at risk of being exploited, of being forced into child labour, child marriage or being trafficked. It also leads to social stigma and social exclusion from basic government services and diminished access to justice (see more on page 4).

Also in this edition, we share with you the stories of success over the past year both at home and abroad. To have achieved so much in such a short number of years is a testament to the dedication of the HOPE team, a family that includes, the many visitors, volunteers and students from schools and colleges, our loyal donors and campaigners from all over the world and our dedicated hard working staff. The children in Kolkata have been helped by your incredible generosity and support, no matter how great or small.

Thank you most sincerely and let's keep on working together for the world's poorest children.

Warmest wishes,  
  
Demot Forrest  
Hon Director  
The Hope Foundation

## Chairman's Message

The Board of The Hope Foundation extends our sincere thanks for your care and generosity over the past year. Your support has enabled us to continue to provide education, health and support services to the poorest children and families in Kolkata.

I thank my fellow Board Members for your commitment over the past year and I look forward to us achieving the goals we have set together, to change the lives of the poorest in Kolkata in the year ahead.

Dr. Demot F O'Mahoney  
Chairman, The Hope Foundation

3

### UK NEWS

**Thank you for making it happen!**

A big thank you to all our volunteers and fundraisers in the UK. We cannot believe how much we appreciate your commitment and support. It has been another successful year for HOPE UK, as we have increased the charitable funds transferred to the projects in Kolkata by 30%. Our Child Sponsorship programme has also increased at a strong pace and we would like to say a special thank you to the child sponsors for their ongoing support. It has been an amazing year and from all of us at HOPE and from the children in Kolkata— THANK YOU!

### Competitive Cycle

A huge thank you to Dazal Bilkes, employees from HSBC & Virgin Money and students from London Business School for participating in the Competitive Cycle for HOPE in February. The Canary Wharf Group generously donated the venue where our participants battled it out for five hours.

There were many winners on the day with HSBC winning overall, closely followed by Virgin Money. Get in touch if you would like to enter a team for our second edition in 2018!

### Eat4HOPE launches in the UK

The Eat4HOPE campaign partners with restaurants where a discretionary donation of £1 towards HOPE is added to the bill for every table that dines. This campaign is kindly sponsored by Wild Frontiers Foundation and supported by Sabai Hospitality.

"The Hope Foundation is a charity very close to my heart. I have personally met the founder Maureen Forrest who is an absolute inspiration. It's very rare you get such opportunities in life to make a difference. I support HOPE via the Eat4HOPE campaign at my restaurant Calcutta Street. It's easy to set up and really makes a difference. Thank you HOPE!" - Shrim Chakraborty

Find out how you can support the campaign by emailing [chloe@thehopefoundation.org.uk](mailto:chloe@thehopefoundation.org.uk) or calling 020 8133 0863.

### Yoga Garden Party

Last year's Yoga Garden Party was another incredible day and raised just over £16,500 putting the grand total raised through this event over the last six years at over £70,000!

The Yoga Garden Party 2017 will take place on Saturday 29th July at Rore Place, Kent. You can also enjoy of a weekend of yoga with Simon Low around the Yoga Garden Party from Friday 28th July - Sunday 30th July. Don't forget to pop the dates in your diary!

If a yoga weekend isn't enough, you can join the Yoga Garden Party trip to Kolkata, taking place from 6th - 13th January 2018. You will be able to experience daily yoga with Simon Low, Ruth McNeil and Vikki Stevenson, as well as visit HOPE's projects and explore one of the world's most colourful cities.

For bookings and information get in touch on [deisy@thehopefoundation.org.uk](mailto:deisy@thehopefoundation.org.uk) or 020 8133 0863.

In January, we hosted our first UK school visit to Kolkata with students from Wellington College in Berkshire getting to experience life in India and witnessing first-hand the brilliant work done by the HOPE team in Kolkata.

We are also extremely pleased to announce that we can now also offer Residential placements in Kolkata for young people completing their Gold Duke of Edinburgh award (DofE). The Kolkata Residential trip will allow young people to play an active role in supporting our work across our education and protection projects in a safe and supervised way.

For more information about our school experience trips and how to get involved email [andrew@thehopefoundation.org.uk](mailto:andrew@thehopefoundation.org.uk) or call 020 8133 0863.

## Python Course Outcomes:

- Students were trained on PYTHON Course
- Students technical abilities enhanced
- Successfully trained 153 students
