Group Study - Peer learning.

Department of Sanskrit initiated group study to help slow learners in Academics. In this regard department identified slow learners and attached them with medium and advanced learners by making groups. Groups are made for B.A as many slow learners are belong to B.A faculty.

Objectives

1. To help slow learners in Academics to perform well
2. To encourage medium learners to upgrade as advanced learners
3. Advanced learners will be guiding the medium and slow learners so that they develop leadership qualities and helping nature.
4. To decrease the failures among slow learners
5. To encourage students to participate in co-curricular activities such as group discussion group projects ect.
