

Mentor-Mentee System

Mentoring is a unique method of supporting students to improve their learning and leadership skills, motivating them towards their future career development. With this in mind, the college has a mentorship programme wherein the faculty members are given training on mentor system and meet the students on day-to-day basis to listen to their issues and guide them on their overall personality development.

The Student Mentor-Mentee Programme under the guidance of the principal and faculty coordinators with the following primary objectives of enabling constructive interaction, guidance and mentorship of students. Providing, a reliable and comprehensive support system, to motivate students to excel in both academic and non-academic fields and to make them achieve higher goals in their life at the college. The objectives of the Student Mentor-Mentee Programme include:

- To help the students understand the challenges and opportunities present in the college and develop a smooth transition to campus life.
- To counsel academically weak undergraduate students and to play an important role in helping troubled students cope with academic, extra-academic and personal problems.
- To proactively try to identify the students problems and bring them to the notice of the concerned authorities for proper solution.

Duties of Mentors

1. Mentors are required to keep track of their mentees with reference to academics, attendance, discipline and overall development
2. Mentors are to record their findings in the mentor's diary.
3. Any complaint or compliments regarding mentees are to be brought to the notice of the respective mentors.
4. Mentors, if required are to schedule face to face counselling with their mentees.
