Government Degree College for Women (Autonomous), Begumpet

Naac Grade B+

Massive Open Online Courses (MOOCs)

2019-20 and 2020-21

1.0 Introduction and Purpose:The Commissionerate of Collegiate Education (CCE) has initiated the MOOCs platform to provide an easy, flexible and affordable method to learn new skills with enriching learning outcomes. The Online courses would enhance the competence of the learners and make them proficient to deliver their expertise in their areas of their choice.

The CCE planned to begin the MOOCs platform in all Government Degree Colleges by identifying the courses which have to be offered through this medium. The teaching faculties of the courses identified were trained on *Development of MOOCs e-Content and OERs* by experts arranged by CCE and training sessions organized by JNTU AND MANUU. To leverage the MOOCs platform further the CCE tied-up with Educational Multimedia Research Centre (EMRC), Osmania University in the year 2018.

1.1 Establishment of Virtual Classroom

A virtual classroom was established and inaugurated by Mr Navin Mittal, Commissioner, Collegiate Education, Hyderabad on 31st August, 2019 at Government Degree College for Women, Begumpet. The online classes commenced from September, 2019 in subjects like *Geography, Journalism & Mass Communication, Psychology and Sociology*.

1.2 Course of Action

The College follows certain guidelines as prescribed by the CCE and the University, they are as follows:

- Admission for MOOCs is through DOST, Telangana.
- Syllabus followed is in accordance with the parent university.

- Conduct of examinations as per the parent university.
- Following the prescribed teaching material developed by parent university.
- Work in coordination with MOOCs Coordinator from CCE.

The Online classes for all Government Degree Colleges are conducted for first and second years regularly utilizing the resources provided by the college. The following are the teaching faculty handling MOOCs classes:

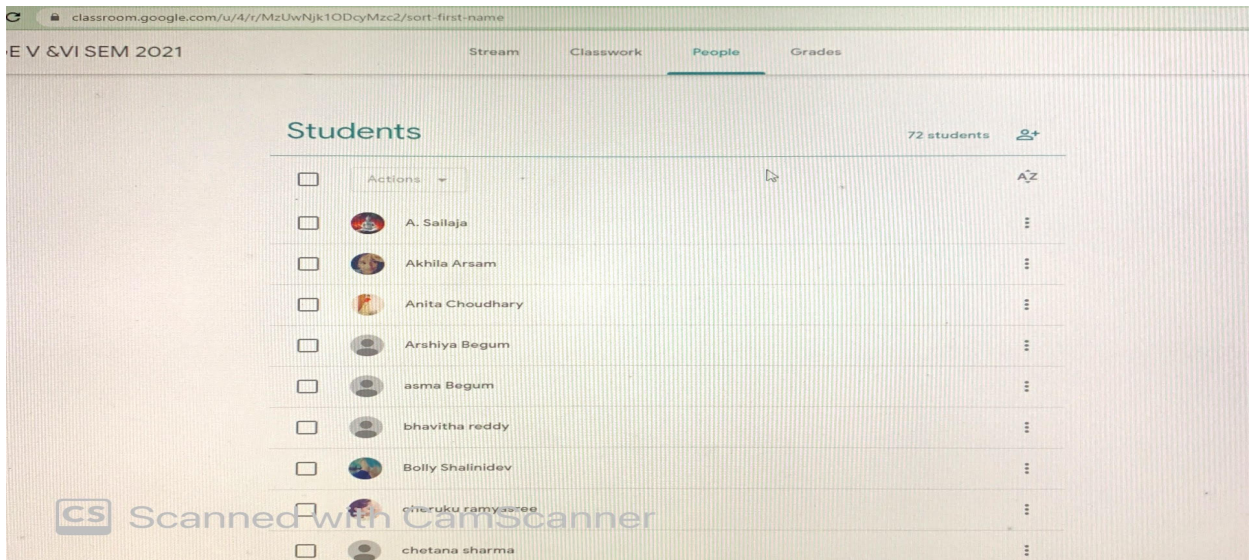

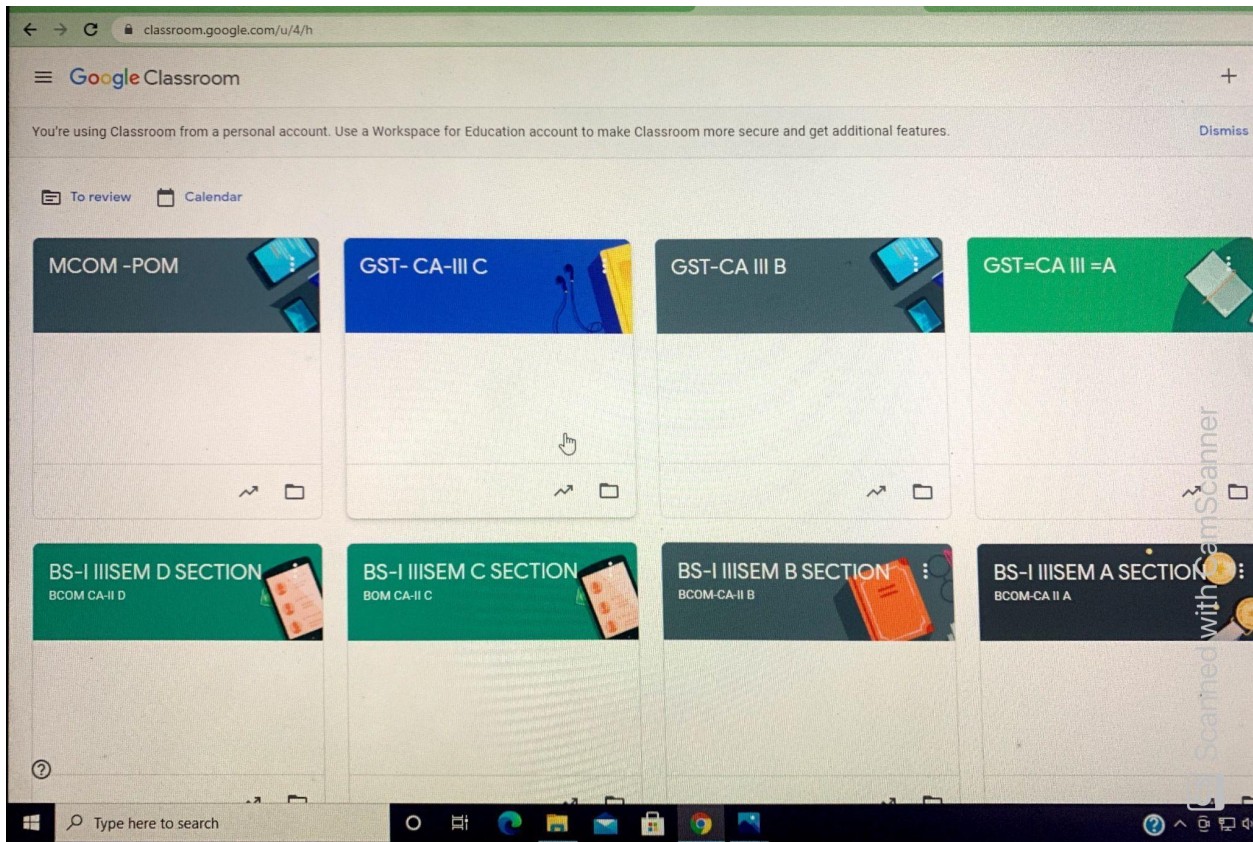

Subject	Name of the Faculty
Journalism and Mass Communication	Ms. Parveen Sultana
Geography	Dr Vigneshwar Mekha
Psychology	Mr Srinivas Chary
Sociology	Mr Balreddy

Weight-Loss Strategies

Physical Activity

- **Choosing Activities**
 - Choose activities that you enjoy and are willing to do regularly.
 - Low to moderate intensity for long duration is recommended.
 - Daily routines can incorporate energy activities.
- **Spot Reducing**
 - Regular aerobic exercise and weight loss will help trouble spots.
 - Strength training can improve muscle tone.
 - Stretching can help flexibility.

LIPIDS

- The term 'Lipid' was coined by a German chemist Bloor in 1943.
- Lipids are chemically diverse group of compounds which are relatively insoluble in water.
- They are generally soluble in organic solvents such as ether and chloroform.
- LIPID-metabolism of fats in the body.
- FATS- fatty component of foods and diets.
