## Extension Lecturer

Department of Statistics conducted an Extension Lecturer on "Applications of Regression to Linear and Non linear Data" by 'Ms. B. Bhargavi', Lecturer in Statistics, AMS Degree College for Women, Hyderabad for B.Sc (M.S.CS) II Year on 20/07/2016. She has explained about the applications of regression lines and linear regression for Businesses analytics. Linear regression can be used in market research studies with an example.

15/08/2016

### Guest Lecture

- a. Department of Statistics organized a guest lecture on "Introduction and scope of Operations Research" by Mr. Yugandhar, Asst. Prof. in Statistics, St. Francis Degree college for women, Begumpet, Hyderabad. For B.Sc (M.S.-CS) III years on 15/08/2016. He explained the scope of Operations Research for military, the government & Industry for solving the problems. He also explained that O.R is done by a team of Scientist or experts from different related disciplines.

5  
12/09/2016

### Extension Lecture.

3. Department has conducted an Extension Lecture on "Job Sequencing problems" for B.Sc (M.S.-CS) III year on 12/09/2016 by Mrs. G. Sumitha, Lecturer in Statistics. She explained the importance of sequencing problems in operation Research & Processing in Jobs through two machines &  $n$  machines.

4/10/2017

### Extension Lecture

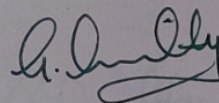

5. Department organized a Extension Lecture on "Reliability" by Mr. Yugandhar, Asst. Prof. in Statistics, St. Francis Degree college for women, Begumpet, Hyderabad for B.Sc (M.S.CS) III Year Students on 04/10/2017. He has explained the whole concept of Reliability and applications & uses of Reliability

## EXTENSION LECTURES DURING THE ACADEMIC YEAR 2016-17

S.No	Name of resource person/address	Date	Topic
1	K.Sridhar, Research scholar, HCU, Gachibowli, Hyd	22/08/2016	General Principles of NMR Spectroscopy
2	Dr.BalaNarsaiah, Associate Professor, Dept of Chemical Engineering, JNTU H	11/01/2017	Utilities in Chemical Industry

### 1.Extension Lecture on General Principles of NMR spectroscopy by K. Sridhar, Research Scholar at HCU.22-08-2016

**Topic:**General Principles of NMR Spectroscopy

**Lecture details:**The department of chemistry has organized the guest lecture of K.Sridhar, Research scholar, HCU, Gachibowli, Hyd. The lecture was useful for BSc Chemistry final year student. The lecture covered principles of various spectroscopy techniques, main focus is Proton NMR spectroscopy and its application in the determination of molecular formula and structure by taking various examples.

**Outcome:** The lectures was very informative and inspirational to students. It was nice preparation BSc Chemistry final yearpaper as it is part of their syllabus. After the talk all students interacted with K. Sridharsir and solved their queries related to topic.

**2.Extension Lecture on Utilities in Chemical Industry by Associate Prof BalaNarsaiah  
JNTU-H Dept of Chemical Engineering                      11-01-2017**

**Topic:**Utilities in Chemical Industry

**Lecture details:** The department of chemistry has organized the guest lecture of Associate Prof BalaNarsaiah JNTU-H Dept of Chemical Engineering. The lecture was useful for all BSc Chemistry students.

**Outcome:** The lectures was very informative and inspirational to students especially for those who are seeking opportunities in chemical industries. After the talk all students interacted with BalaNarsaiah sir and solved their queries related to chemical industry and career and opportunities in industries.

## EXTENSION LECTURES DURING THE ACADEMIC YEAR 2017-18

S.No	Name of resource person/address	Date	Topic
1	K.Srinivas,Assistant professor of Chemistry.Sharada PG & Degree College, Hyd	21/02/2018	Extension Lecture on Mass Spectroscopy

**1.Extension lecture on Mass spectrometry by K. Srinivas Asst Prof of chemistry Sharada PG & Degree college, Hyderabad. 21-02-2018**

**Topic:**Mass spectrometry

**Lecture details:** The department of chemistry has organized the guest lecture of K. Srinivas Asst Prof of chemistry Sharada PG & Degree college, Hyderabad. The lecture was useful for all BSc final year Chemistry students, as it is part of their syllabus.The lecture covered principle and applications of mass spectroscopy technique.The important aspects of mass spectroscopy in the determination of molecular formula and structure of the compounds were thoroughly discussed with the students.

**Outcome:** The lectures was very informative and inspirational to students. After the talk all students interacted with K. Srinivas sir and solved their queries related to topic.

## EXTENSION LECTURES DURING THE ACADEMIC YEAR 2019-20

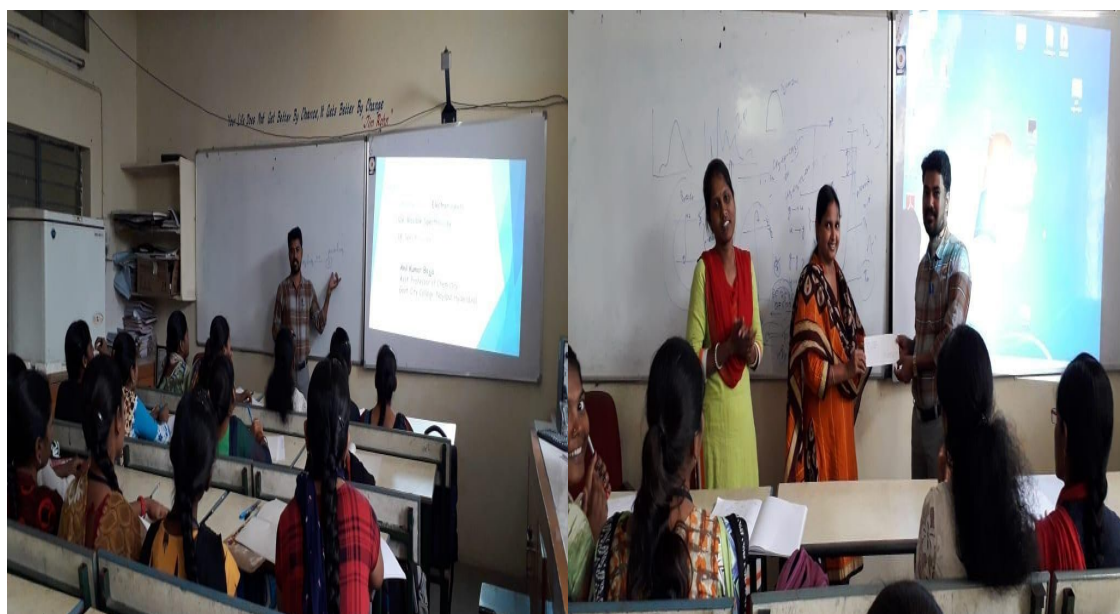

S.No	Name of resource person/address	Date	Topic
1	Mr. B.Anilkumar Govt.City College, Nayapul.	11/09/2019	Guest lecture on spectroscopy
2	D.ValliSowbhagyam, IPDC,Nampally	03/02/2020	Guest lecture on Nitro compounds.
3	Dr.A.Swaroopa Rani, Kotiwomens college.	23/05/2020	Conducted webinar on “NMR spectroscopy”

**1. Guest lecture on spectroscopy to all B.Sc III Year students by Mr. B. Anil kumar from Govt. city college on 11/09/19.**

**Topic:** General Principles of NMR Spectroscopy

**Lecture details:** The department of chemistry has organized the guest lecture of Mr. B. Anilkumar, Govt. City College, Nayapul.. The lecture was useful for BSc Chemistry final year student. The lecture covered principles of various spectroscopy techniques such as IR, UV NMR and Mass spectroscopy and their application in the determination of molecular formula and structure by taking various examples.

**Outcome:** The lectures was very informative to students. It was nice preparation BSc Chemistry final year paper as it is part of their syllabus. After the talk all students interacted with guest speaker and discussed various applications of spectroscopy and career opportunity in chemistry also.

**2. Guest Lecture on “ Nitro Compounds” by D.ValliSowbhagyam, IPDC,Nampally on 03-02-2020.**

**Topic:** Nitro Compounds

**Lecture details:** The department of chemistry has organized the guest lecture of D.ValliSowbhagyam, IPDC,Nampally for BSc Chemistry students. The lecture covered preparation and properties of nitro compounds by taking various examples.

**Outcome:** The lectures was very informative to the students. After the talk all students interacted with guest speaker and solved their queries related to topic.

### 3. Webinar on “NMR spectroscopy” by Dr.A.Swaroop Rani Asst Prof of Chemistry, University College for Women, Koti, Hyd on 23-05-2020

**Topic:**General Principles of NMR Spectroscopy

**Webinar details:** The department of chemistry has organized the webinar of Dr.A.Swaroop Rani, Asst Prof of Chemistry, University College for Women, Koti, Hyd. The lecture was useful for BSc Chemistry final year student. The lecture covered principles of various spectroscopy techniques, mainly Proton NMR spectroscopy and its application in the determination of molecular formula and structure by taking various examples were discussed thoroughly. The lecture was conducted online as it was pandemic situation and lockdown due to covid virus infection spread.

**Outcome:** The lectures was very informative and inspirational to students. It was nice preparation for BSc Chemistry final year as it is part of their syllabus. After the talk all students interacted with guest speaker sir and solved their queries related to topic. Students were also encouraged for higher studies in chemistry by making them aware of various career opportunities like teaching, industry and research and development.

**EXTENSION LECTURES DURING THE ACADEMIC YEAR 2020-21****GUEST LECTURES AND WEBINAR**

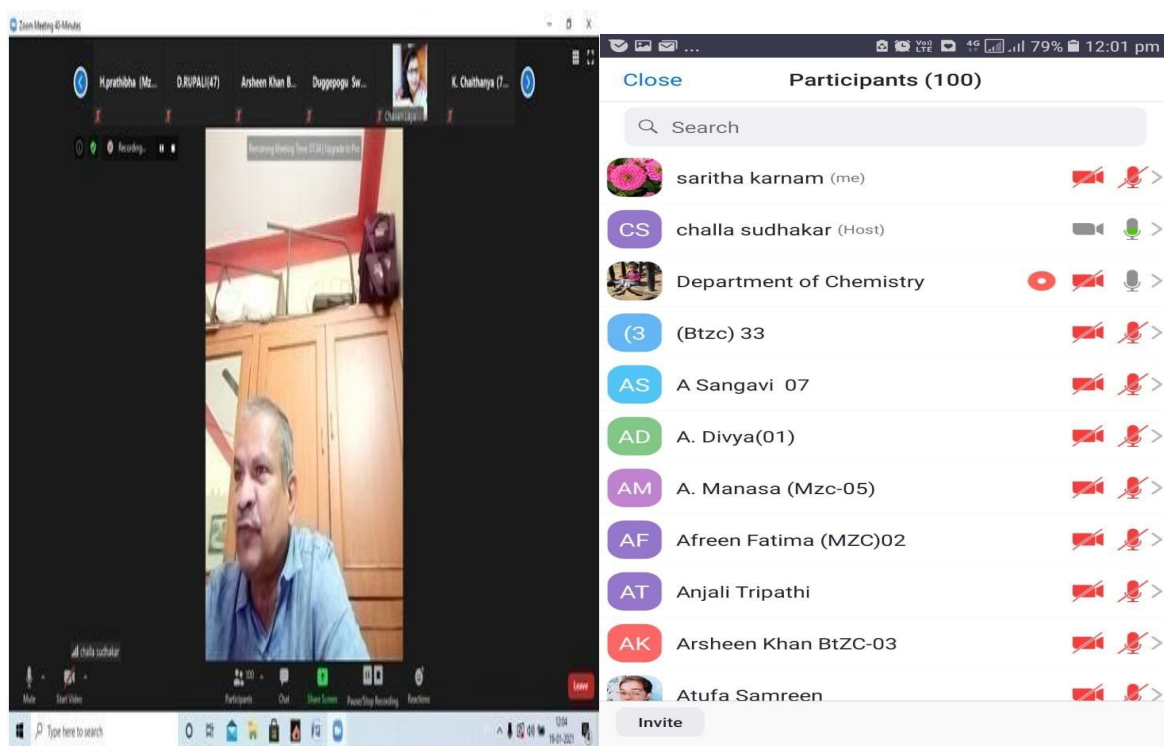

<b>S.No</b>	<b>Name of resource person/address</b>	<b>Date</b>	<b>Topic</b>
1	C.Sudhakar, Retd,Asst Professor of Chemistry	19-01-2020	Chromatographic Techniques
3	Dr. Veera Mohana Rao Kakita, faculty hosted by DAE-CEBS, University of Mumbai	10-07-2021	National Webinar On “ Applications of Artificial Intelligence in Chemistry”-

## 1. Online Guest lecture by Mr. C. Sudhakar, Retd. Asst. Prof of Chemistry on “Chromatographic Techniques” on 19/01/2021.

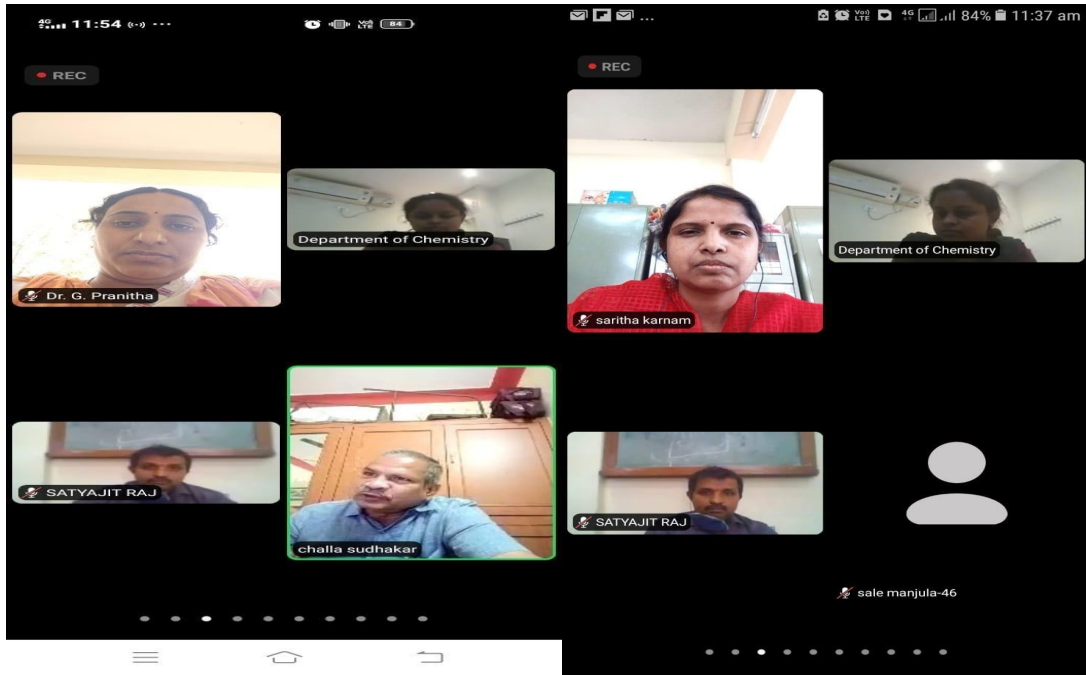

**Topic:** Chromatographic Techniques

**Lecture details:** The department of chemistry has organized the guest lecture of Mr. C. Sudhakar, Retd. Asst. Prof of Chemistry. The lecture was useful for BSc Chemistry final year student. The lecture was organized to provide awareness to the students on the Chromatographic Techniques. Lecture mainly focussed on the Chromatographic Techniques and its applications in the separation of mixture of organic, inorganic and macromolecules. Principles of various techniques and their importance in the research and development during the synthesis of new molecules were discussed. The lecture was conducted online as it was pandemic situation and lockdown due to covid virus infection spread.

**Outcome:** The response of the students was very high throughout the lecture. The questionnaire session included discussions on use of spectroscopy in research and development.

## **2. National Webinar On “ Applications of Artificial Intelligence in Chemistry”**

**10-07-2021**

**Topic:** Applications of Artificial Intelligence in Chemistry

### **Objective of the webinar:**

To gain knowledge on artificial intelligence / machine learning in optimising chemical processes, designing chemometric tools, estimating physicochemical properties and other applications of AI in the field of chemistry.

**Webinar details:** The Department of Chemistry organised a one day national webinar on “ Applications of Artificial Intelligence in Chemistry” on 10<sup>th</sup> July 2021. The resource person for the webinar was Dr. Veera Mohana Rao Kakita, faculty hosted by DAE-CEBS, University of Mumbai.

Dr. Veera Mohana Rao Kakita delivered an excellent lecture on the Applications of Artificial Intelligence in Chemistry. The following are the main key points that were covered in the webinar:

- An Introduction to Artificial Intelligence.
- Various steps involved in drug discovery and how machine learning is the best choice in producing the best results in less time period.
- The study of interactions between the spike proteins of corona virus with that of human proteins and how it has led to the discovery of remdesvir and other antiviral drugs.
- Application of machine learning in solving the protein structure.
- Monitoring the drug target interactions.
- Retrosynthesis of drug molecules & study of reaction mechanisms.
- Application of Mass & NMR spectra to the synthesised molecules.
- Study of photophysical properties of the molecules and how it benefits the farmers etc.

**Outcome:** More than 70 participants have attended the webinar from various colleges involving five different states. The faculty and the students were very much benefitted by the webinar.

Extension Lecture 2016-2021

2018-19

## GUEST LECTURE

*Topic: Personality Development and Communication Skills*

*Resource Person: Smt.Suvidha Counsellor and Trainer in Soft skills*

### **Report on Guest Lecture**

The Department of English has organized a guest lecture on 20<sup>th</sup> September 2018 by Smt. Suvidha, Counsellor and Trainer in Soft skills from MAFO-MAKRO Foundation on “Personality Development and Communication Skills”. She has enlightened the students about the importance of personality development in present times. She has explained how to groom one’s outer and inner self to bring about positive changes in personal and professional life. She has highlighted on the necessity of building positive mental attitude to meet the purpose and achieve success in their life. She has made a discussion with the students to differentiate the formal and informal communication.

2019-20

## Guest lecture

# Importance of Soft skills in the Job Market

By Meeta Kulkarni

### Report on Guest lecture

The Department of English has organized a guest lecture by **Dr. Meeta Kulkarni** on **15<sup>th</sup> March 2019** on the topic "**Importance of Soft Skills in the Job Market**". This lecture has enabled the students to develop their professional communication skills, and problem solving abilities and critical thinking.

- The students understood and tried to imbibe (professional) communication skills which are going to help them in future as professionals.
- Creative minds can come up with innovative thoughts and ideas. This lecture enhanced their creative skills to deal with their position in future.
- A confident person believes in himself/herself. This lecture has given much scope to the students to increase their confidence levels to fulfil their goals in future.
- This lecture encouraged the students to improve specific personality traits to deal with team work.

## Guest Lecture on **PHONETICS**

Asst. Prof. L K Catherine

### **Report on Guest Lecture**

The Department of English has organized a Guest lecture on **Phonetics** on **5<sup>th</sup> September 2019** by Asst. Professor **L K Catherine** from **Dewan Bahadur Padmarao Mudalair College**. This lecture has emphasized on the difference between English letters and speech sounds and made clear about division of vowels and consonants. Through this lecture the students improved themselves regarding their speaking and pronunciation skills and tried to overcome their flaws.

# Extension Lectures of Biotechnology

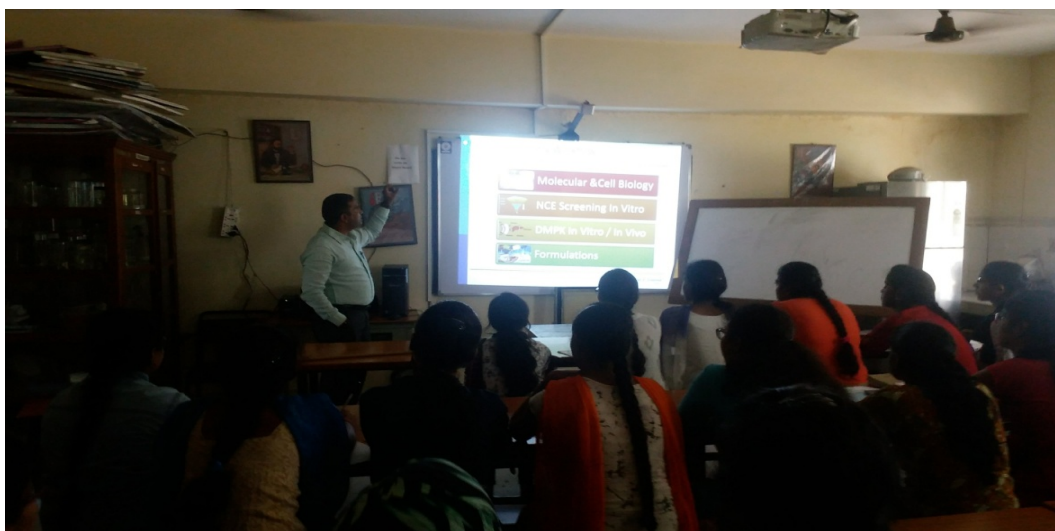

**2017-18**

On 29-9-2016 Department of Zoology and Biotechnology conducted Extension lecture by Mr.A.Aravind, RUHA Life Sciences Company M.D. Topic was Bioinformatics-Introduction and its applications in life sciences. Head of Biotechnology Mrs.V.Rohini, organized this lecture. Number of students participated -30

**(2018-19)**

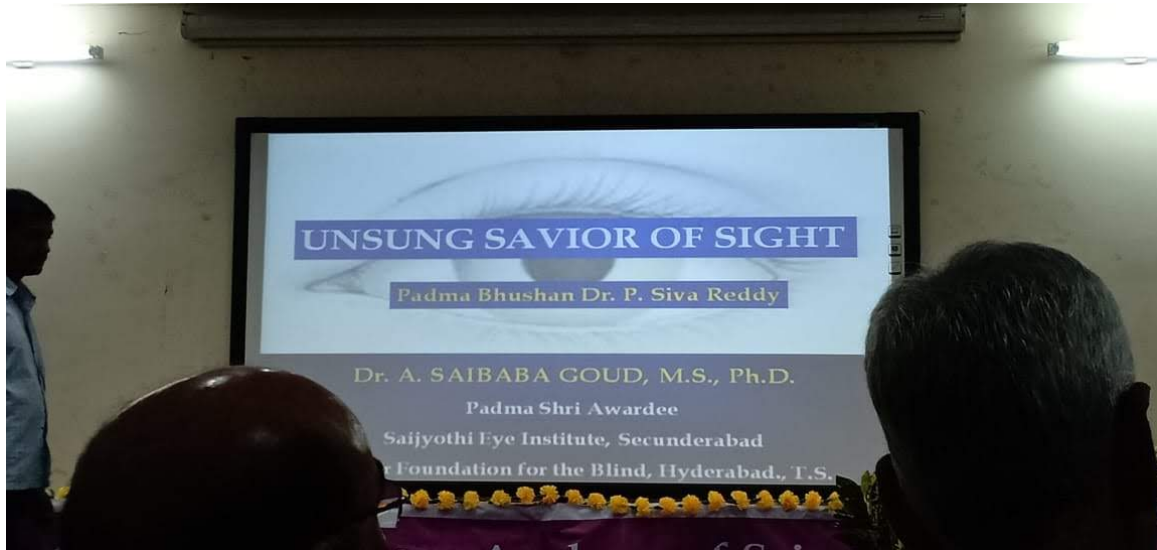

1) On 29-9-2018 Department of Zoology and Biotechnology conducted Extension lecture by Mr.K. Mahesh, Senior Scientist from Biological E Limited, Topic was Vaccine development and molecular biology and immunology techniques used. Head of Biotechnology Mrs.V.Rohini, organized this lecture. Number of students participated -46

2) The Department of Biotechnology and zoology were invited for Dr.P.Siva Reddy Endowment Lecture by Dr.A.Saibaba Goud, the lecture included commemoration of Dr.P.Siva Reddy, his research activities, on 12-9-2018 at Institute of Genetics .

INVITATION		PROGRAMME	
 <b>Telangana Academy of Sciences</b> Cordially invites you for <b>Dr. P. Siva Reddy Endowment Lecture</b> by <b>Dr. A. Saibaba Goud</b> Padma Shri Awardee Founder Chairman, Devnar Foundation for the Blind Hyderabad <b>on</b> <b>Unsung Savior of Sight</b> at 11.00 am on Wednesday, 12 <sup>th</sup> September, 2018 <b>Venue:</b> Seminar Hall Institute of Genetics & Hospital for Genetic Diseases Osmania University, Begumpet, Hyderabad-16. <b>Prof. K. Narasimha Reddy</b> President Telangana Academy of Sciences <b>Dr. S. Chandrasekhar</b> Hon. Secretary Telangana Academy of Sciences		<b>12<sup>th</sup> September, 2018</b> <b>Venue: Seminar Hall</b> Institute of Genetics & Hospital for Genetic Diseases Osmania University, Begumpet, Hyderabad-16. <b>Welcome</b> <b>Dr. S. Chandrasekhar</b> Hon. Secretary, TAS <b>Dr. P. Siva Reddy: A Profile</b> <b>Dr. A. Venkateshwari</b> Director (I/c), Instt. of Genetics & Hospital for Genetic Diseases, OU <b>Presidential Remarks</b> <b>Prof. K. Narasimha Reddy</b> President, TAS <b>Introducing the speaker</b> <b>Prof. K. Janardhan Reddy</b> EC Member, TAS <b>Dr. P. Siva Reddy Endowment Lecture on "UNsung SAVIOR OF SIGHT"</b> <b>Dr. A. Saibaba Goud</b> Founder Chairman Devnar Foundation for the Blind Hyderabad <b>Vote of Thanks</b> <b>Dr. Y. Purushotham</b> Hon. Treasurer, TAS	

3) The Department of Biotechnology and zoology were invited for **Prof Nayudamma lecture by Prof E.Prem Kumar Reddy, Director of Experimental cancer Therapeutics, New York, USA**, A lecture included Contributions and research activities of Prof Nayudamma, and cancer therapeutics

## Invitation for

<p style="text-align: center;">INVITATION</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div> <p style="text-align: center;"><b>TAS</b> Telangana Academy of Sciences <i>Cordially invites you for</i></p> <p style="text-align: center; font-size: 1.2em;"><b>Prof. Nayudamma Lecture</b></p> <p style="text-align: center;">by <b>Prof. E. Prem Kumar Reddy</b> Director Experimental Cancer Therapeutics, Mount Sinai School of Medicine New York, USA</p> <p style="text-align: center;">On <b>IN QUEST OF TARGETTED THERAPIES FOR CANCER</b></p> <p style="text-align: center;">at 11.00 am on Thursday, 4<sup>th</sup> October, 2018</p> <p style="text-align: center;">Venue <b>Seminar Hall</b> Institute of Genetics &amp; Hospital for Genetic Diseases Begumpet, Hyderabad</p> <div style="display: flex; justify-content: space-between; font-size: 0.8em;"> <p>Prof. K. Narasimha Reddy President Telangana Academy of Sciences</p> <p>Dr. S. Chandrasekhar Hon. Secretary Telangana Academy of Sciences</p> </div>	<p style="text-align: center; font-size: 1.2em;"><b>Programme</b></p> <p>4<sup>th</sup> October, 2018      Venue: Seminar Hall Institute of Genetics &amp; Hospital for Genetic Diseases Osmania University Begumpet, Hyderabad</p> <hr/> <p><b>Welcome</b>      <b>Dr. A. Venkateshwari</b> Director (IC), Instt. of Genetics &amp; Hospital for Genetic Diseases, OU</p> <hr/> <p><b>Prof. Nayudamma - A Profile</b>      <b>Dr. Y. Purushotham</b> Hon Treasurer, TAS</p> <hr/> <p><b>Presidential Remarks</b>      <b>Prof. K. Narasimha Reddy</b> President, TAS</p> <hr/> <p><b>Introducing the speaker</b>      <b>Prof. A.R. Reddy</b> Professor Emeritus, UoH</p> <hr/> <p><b>Prof. Nayudamma Lecture</b>      <b>Prof. E. Prem Kumar Reddy</b> On "In Quest of Targetted Therapies for Cancer"      Director Experimental Cancer Therapeutics, Mount Sinai School of Medicine, New York, USA</p> <hr/> <p><b>Vote of Thanks</b>      <b>Dr. Y. Purushotham</b> Hon Treasurer, TAS</p>	<p style="text-align: center;"><b>About the Speaker</b></p> <div style="display: flex; align-items: center;">  <div style="margin-left: 10px;"> <p>Prof. E. Prem Kumar Reddy obtained his Ph.D. in 1971 from CCMB and Osmania University, Hyderabad and carried out his post-doctoral training at the UCLA School of Medicine from 1972-1974. He later worked at the National Cancer Institute from 1974-84 and then moved to Hoffmann La Roche Institute of Molecular Biology. In 1986, he joined the Wistar Institute as a Professor and Deputy Director. From 1992 to 2010, he served as the Director of the FELS Institute for Cancer Research and Molecular Biology, Temple University School of Medicine, Philadelphia. Currently he is serving as the Director of Experimental Cancer Therapeutics at Mount Sinai School of Medicine, New York, USA</p> <p>Dr. Reddy's discoveries were seminal in providing a clear understanding of the molecular basis of cancer. He cloned and sequenced a number of viral oncogenes such as <i>abl</i>, <i>ras</i>, <i>fgf</i>, <i>mos</i>, <i>myb</i>, <i>myc</i> and <i>sis</i> which underpinned the cellular proto-oncogenic pathways. He extended this work to human cancers and was responsible for the seminal discovery that point mutations in the cellular <i>ras</i> genes result in their oncogenic activation. In addition he discovered the association <i>AM</i>, <i>Gli4</i> and <i>Mylb</i> oncogenes with the development of human myelogenous leukemias. He also had developed a mullizygous CDK4 mouse, which displays a phenotype that mimics Type1 diabetes.</p> <p>Dr. Reddy has pioneered the development of small molecule inhibitors targeted against oncogenes and cell cycle regulators for cancer therapy. One of the drugs developed by Dr. Reddy, ON01910 is currently in Phase III clinical trials and has shown profound clinical activity in MDS (Myelodysplastic Syndrome) patients as a single agent.</p> </div> </div>
--	---	--

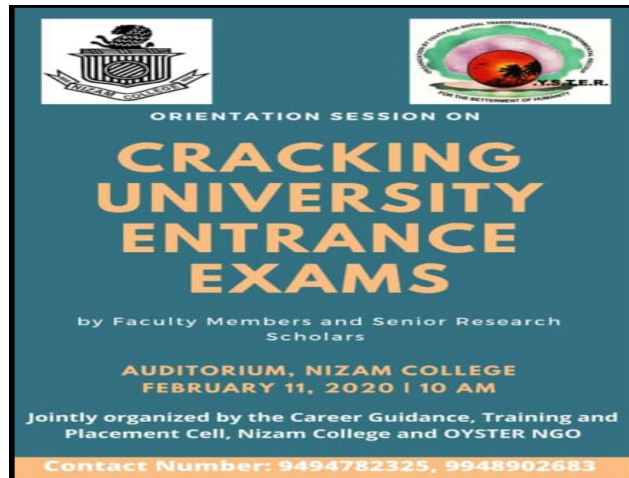

4) On 12-2-2019, Department of Zoology and Biotechnology conducted Extension lecture by **Mrs K.Archana**, Assistant Professor of Biotechnology, Loyola Degree and PG College, on Immunology-Hypersensitivity.

(2019-20)

**Students of Biotechnology III year have attended Orientation Session on Entrance exams On Feb 22 2020**

The Session included tips to students practice to clear the entrance exams at different levels, must follow some basic but important guidelines: like a habit of reading books, biographies, and case studies, Time Management, Preparation of Conceptual framework and continuous practice. The Programme was attended by Biotechnology II year (75)Students.

**2) B.Sc Biotechnology final year students attended International Education fair 2020 on 25-1-2020 at Taj Vivanta. The programme has been organized by THE HINDU, which mainly aimed at creating awareness on Education in Abroad, educational loans and Career options.**

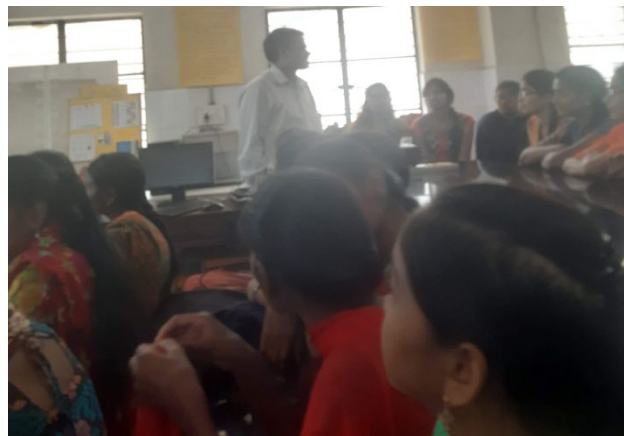

**The Programme was attended by BtZC (9) final year students.**

The main purpose of this programme are Studying internationally offers a wider variety of courses, some also including research options and skill-based training for students. This helps expand your horizons and opens up a world of new educational opportunities.

Graduates who've chosen to study internationally are highly sought after by employers. Pursuing a degree overseas signals employers that you have courage, flexibility, cultural awareness and an understanding of how other people work and think. This experience puts you ahead of the pack when it comes to internships and job applications.

**3) Extension lecture on careers in Biotechnology by Dr.A.Srinivas, Assistant Professor of Genetics, Osmania University on 24-2-2020**

An Extension lecture was conducted by Zoology and Biotechnology to create awareness amongst B.Sc BZC, BtZC, BtBC III year and II year Students. The lecture was delivered by Dr.A.Srinivas, Associate professor of Genetics,Osmania University, Hyderabad.

The lecture included introduction to Biotechnology and its distinguished areas and developing sciences in modern scientific world. And elucidated the newest pattern of scientific advances which focus at deriving valuable products for human race through merging the biological systems with the engineering practices.

#### **Career Opportunities in Biotechnology:**

There are many career opportunities available in Research and Development, Pharmaceutical Companies, Hospitals, Diagnostic Centres, Manufacturing Sector of Biotechnology, Academic Sector for students who want to make a career in Medical Biotechnology:

#### **Job Profiles for Graduates in Biotechnology:**

- Clinical Laboratory Technician
- Biological Supplier Manufacturing
- Environmental Technician
- Food Safety Mechanism
- Pharmaceutical Research Technician

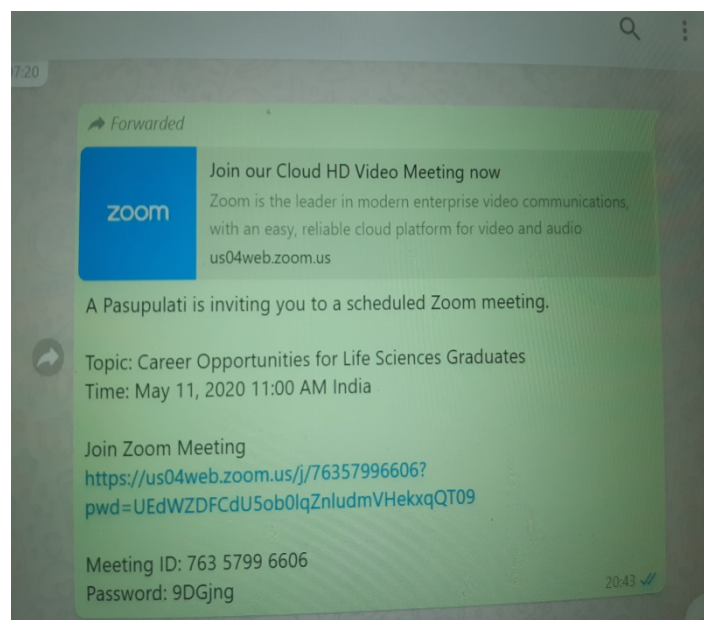

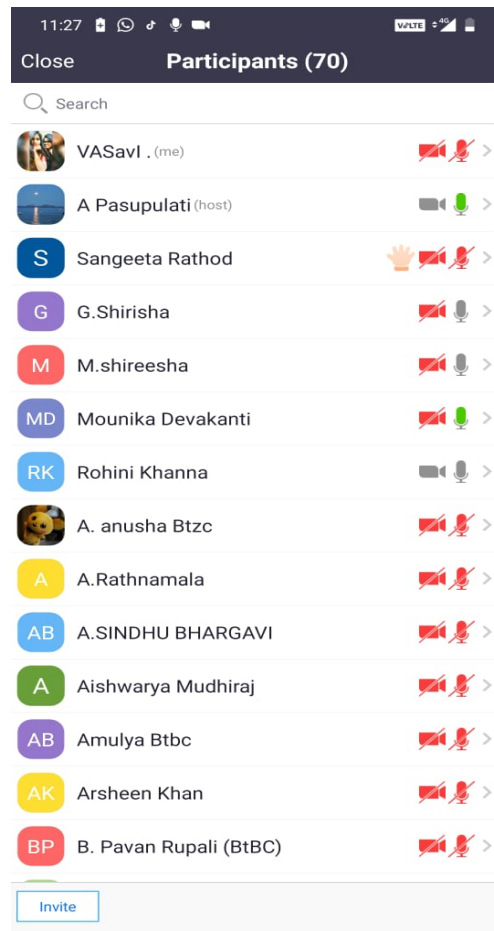

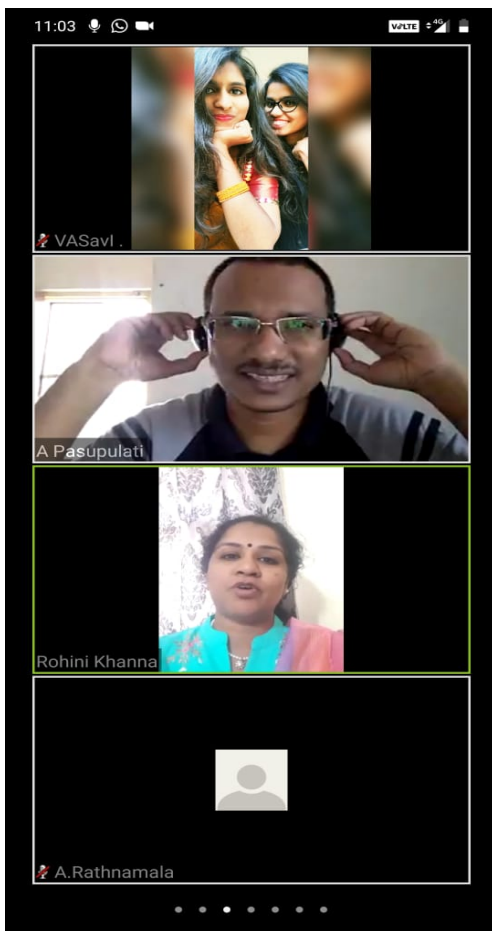

#### **Job Profiles of a Pharmaceutical Biotechnologist**

- Medical Scientist
- Chemical Engineer
- Biological Technician
- Chemical Technician

#### **Job Profiles of a Plant Biotechnologist**

- Greenhouse or field Technician
- Laboratory Assistant
- Genomics Technician
- Molecular Biology Technician
- Plant tissue Culture Technician
- Research Associate
- Lecturer
- Trainer
- Research Investigator
- Project Assistant

#### 4) Online Extension Lecture on Career Opportunities in Life Sciences on 11-5-2020

An Online Extension Lecture on Career Opportunities in Life Sciences was conducted on 11-5- 2020, by Dr. Anil Kumar Pasupulati, Assistant Professor of Biochemistry, University of Hyderabad.

The lecture mainly focused on scope for biotechnology as a career option is immense as its applications and innovative products are in the market every day. There are various organizations that serve as great resources for those for entering the field of biotechnology. Biotechnologists are at the forefront of the continuous search to find new, sustainable food sources. They can work in various work environments like industrial sector, environmental sector, medical sector, food manufacturing, health-care and pharmaceuticals. Professionals in this field can specialise in one or more subfields like genomics, proteomics, and bioinformatics.

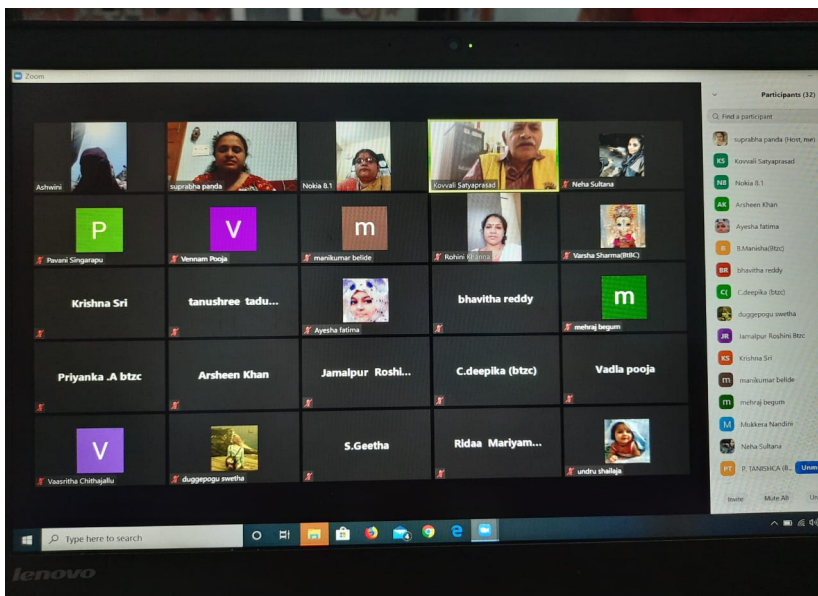

The lecture also emphasized on Students interested higher education can go for the master's level in biotech after their undergraduation. Again, master's in biotechnology can be in M.Sc, M.E/M.Tech. A graduate degree in any of the life sciences is acceptable for a PG programme in biotechnology. Students interested in research and development can continue their studies by pursuing their Ph.D degrees in biotechnology and related fields.

### **Extension Lecture on Animal cell culture and its applications on march 5<sup>th</sup> 2020**

**An extension lecture was delivered by Ms M. Dhathri, Ph.D scholar at Osmania University, Zoology Department to III Year students of B.Sc Biotechnology on march 5<sup>th</sup> 2020. The lecture mainly encompassed the latest techniques of animal cell cultures, applications and Gene mapping and identification of genes of economic importance in farm animals Molecular markers (RFLP, RAPD and SNP) and applications. Head of Biotechnology Mrs.V.Rohini, organized this lecture. Number of students participated -40**

## STEP - Student Talent Enhancement Program on MAY 12<sup>th</sup> 2020

**Topic: student talent enhancement program by Dr.KS Prasad, to departments of zoology and Biotechnology. Time: May 12, 2020 11:00 AM**

**The students were enlightened by how leadership skills are a must-have for anyone to succeed in life, most importantly for young students who are our future citizens. A quick survey reveals that a majority of students today are either not adequately equipped or not proficient in communication skills, interpersonal skills, confidence, a sense of responsibility and precious human values. With the noble objective of bridging this gap, The International Association of Lions Clubs, District 320D has designed an exclusive NIPUNA - Soft Skills training program to build leadership skills among youth. The program titled STEP (Student Talent Enhancement Program) has Four Cs as its components: Communication Skills, Collaboration Skills, Confidence and Compassion.**

Heads of Biotechnology Mrs.V.Rohini, Zoology Mrs. Suprabha Panda had organized this lecture. Number of students participated -32

## STUDENTS ACHIEVEMENTS

GOVERNMENT DEGREE  
COLLEGE FOR WOMEN(A)  
BEGUMPET.

DEPARTMENTAL ACTIVITY 2018-19.  
DEPARTMENT OF PUBLIC ADMINISTRATION

EXTENSION LECTURE  
CENTRAL STATE RELATIONSHIP- ALL INDIA SERVICES  
ON [05.03.2019]

The Department of Public Administration conducted Extension Lecture on 5.03.2019 at Government Degree College for Women, Begumpet Hyderabad. In this connection a guest lecture was organised on Central-State Relationship- All India Services in the Conference Hall from 11.00<sup>Am</sup> to 1.00<sup>Pm</sup>.  
→ A lecture is delivered by Dr. Mohan Rao, Associate Professor of Public Administration, Railway Degree College.

Role of All India Services and Central Services with together State Services Explained<sup>to</sup> the students regarding I.A.S, I.P.S, I.F.S Importance in Indian Administration.

## SANSKRIT DAY CELEBRATION 2016

The Department of Sanskrit has organized Sanskrit day celebrations. Principal Dr. K. Rajini garu, Chief guest was Prof. G.Sujata Reddy Garu had graced the occasion. All the students actively participated in the programe.

The Department of Sanskrit has organized an extension lecture on the importance of speaking Sanskrit. It was delivered by by O.Krupalu

## VALMIKI JAYANTHI

The Department of Sanskrit, Govt. Degree College for Women, Begumpet, celebrated Valmiki Jayanthi on 5.10.2017. It is an official function of Telangana State Government. On this occasion the Department of Sanskrit conducted essay writing and elocution competition on Srimad Ramayana and the winners received certificates. Principal, Dr.P.Rajani inaugurated the program by lighting the lamp. She has graced the students by her speech about the greatness of Ramayana and Ramarajya. Students presented Sanskrit keertanas. Vice Principal, Dr.Chandra Mukherji, Dr.K.Geetha and I.R.Nandini, Cultural convener Ramalakshmi graced the students by giving vivid picture on Valmiki and Ramayana.

ఆము గురువారం ఉంజలంచాయి.

### మంచి చెదుల మధ్య ఘోర ణకు దర్శణం రామాయణం

అమీర్ పేట:  
మానవుని జీవన ప్రమాణాలు, మంచి చెదుల మధ్య జరిగిన సంఘర్షణకు వాల్మీకి రామాయణం అద్భుతం

మాట్లాడుతున్న ప్రెసిడెంట్ రజని

పదుతుందని దేగంపేటలోని మహిళా డిగ్రీ కళాశాల ప్రెసిడెంట్ డాక్టర్ రజని అన్నారు. కళాశాలలో గురువారం మహర్షి వాల్మీకి జయంతి వేడుకలను నిర్వహించారు. తొలి వెలిగించి రజని కార్యక్రమాన్ని ప్రారంభించారు. వాల్మీకి విరచిత రామాయణంలో ప్రతి ఒక్కరూ నేర్పుకోవ గిన మిన్నో అంశాలున్నాయన్నారు. పాఠానికి, ఇతిహాసాలను కను రోపనల ద్వారా మానవాళి ముందుకదాలకు అందించిన మహర్షుల గురించి తెలుసుకోవడం విద్యార్థుల కర్తవ్య మన్నారు. వైస్ ప్రెసిడెంట్ డాక్టర్ చంద్రముఖర్షి, రామలక్ష్మి, డాక్టర్ గీత, నందిని ప్రసంగించారు.

## **SANSKRIT DAY-2017**

The Department of Sanskrit, Govt. Degree College for Women, Begumpet, has celebrated Sanskrit Day on 14.09.2017. The Shravana Pournami is officially celebrated as Sanskrit Day by the Government of India. On this occasion the Department of Sanskrit conducted essay writing and elocution competition and the topic is – The greatness of Sanskrit. The winners received certificates. Principal, Dr.P.Rajani inaugurated the program by lighting the lamp. Prof. Geervani, Ex. Vice Chancellor of Padmavathi University, Tirupathi, graced the students by her extension lecture about the greatness of Sanskrit language and its impact on day to day life. Students presented Sanskrit keertanas and dances. Vice Principal, Dr.Chandra Mukherji, Dr.K.Geetha and I.R.Nandini, staff and students celebrated the occasion.

Department of Sanskrit, Govt. Degree College for Women, Begumpet, has celebrated Gurupournami on 26.07.2017. The BIRTHDAY of Vedavyasa is officially celebrated as Gurupournami by Sanskrit lovers. On this occasion the Department of Sanskrit conducted essay writing and elocution competition on Vedavyasa and Mahabharata. The winners received certificates. Principal Dr.P.Rajani inaugurated the program by lighting the lamp. The chief guest, Prof.Nagaranjani from R.B.V.R.Reddy College, graced the students by her inspiring speech related to the role of teacher in molding the student. Students presented Sanskrit keertanas and dances. Dr.K.Geetha and I.R.Nandini, staff and students celebrated the occasion.

## EXTENSION LECTURE

Department of Sanskrit, Govt. Degree College for Women, Begumpet, has organized an Extension lecture of Asst.Pof.Kishan from Delhi University on 1.03.2017. Dr.Kishan inspired the students by his thought provoking speech to protect Sanskrit language. Dr.K.Geetha and I.R.Nandini, staff and students of Sanskrit department participated in the program.

The Department of Sanskrit celebrated Sanskrit Day on 4<sup>th</sup> September 2018. Osmania University Department of Sanskrit H.O.D Prof. Ramulu graced the occasion of Sanskrit Day and delivered an Extension lecture *Samskrutritih Samskrutashritha*. Sanskrit students performed skits, dances and songs in Sanskrit language. Students received prizes for participating in the events related to Sanskrit.

## EXTENSION LECTURE :

The department conducted an extension lecture on 21-01-2018. samskrita bharati volunteer vijji who is a well known spoken sanskrit trainer of south india. She delivered an extension lecture on samskrita bhasha naiva klisha. She gave many examples of how to speak sanskrit easily and effectively .students were enlightened on how to use nouns and verbs in spoken sanskrit.

## Spoken Sanskrit class :

## EXTENSION LECTURE OF SANSKRIT

13-02-2019

The department of sanskrit, gdcw, Begumpet has organized an extension lecture on 13.02.2019. Dr.varalakshmi, deputy director, sanskrit academy, osmania university was invited for an extension lecture on the topic "linguistic tools for blended sanskrit schools". the students of sanskrit second language of i and ii years attended the lecture and interacted with the guest. they have got the information how to use online sanskrit language tools to study the literature. principal dr.yadagiri felicitated the guest with shawl and sapling.

## EXTENSION LECTURE OF SANSKRIT

01-03-2019

The Department of Sanskrit arranged an extension lecture on 1-03-2019. Dr. Vidyanada Arya, Chairman, Board of Studies Sanskrit, was invited as a resource person. He has delivered an extension lecture on the topic '*UTTHARE RAMACHARITE BHAVABHUTIRVISHISYATE*'. Dr. G. Yadagiri, Principal, GDCW, BEGUMPET presided over the session and mentioned valuable points about the importance of Sanskrit. He spoke in Sanskrit to inspire the students and also felicitated the guest. Students have participated in discussion after the extension lecture and Dr. Vidyanand Arya discussed the greatest Sanskrit dramas.

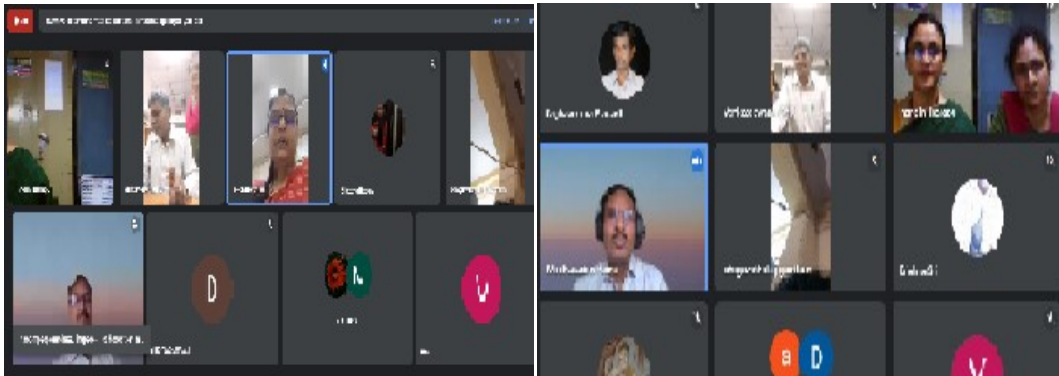

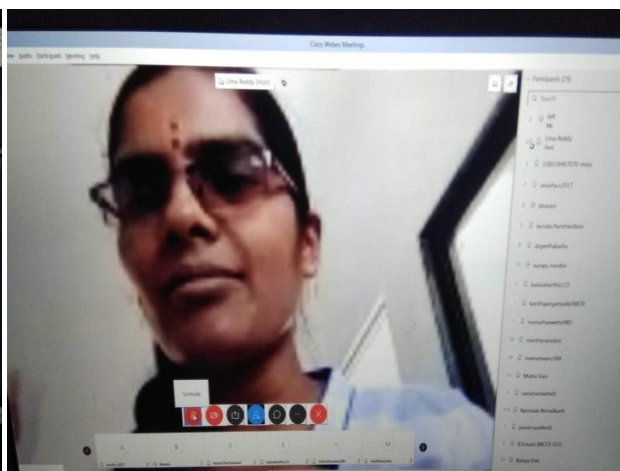

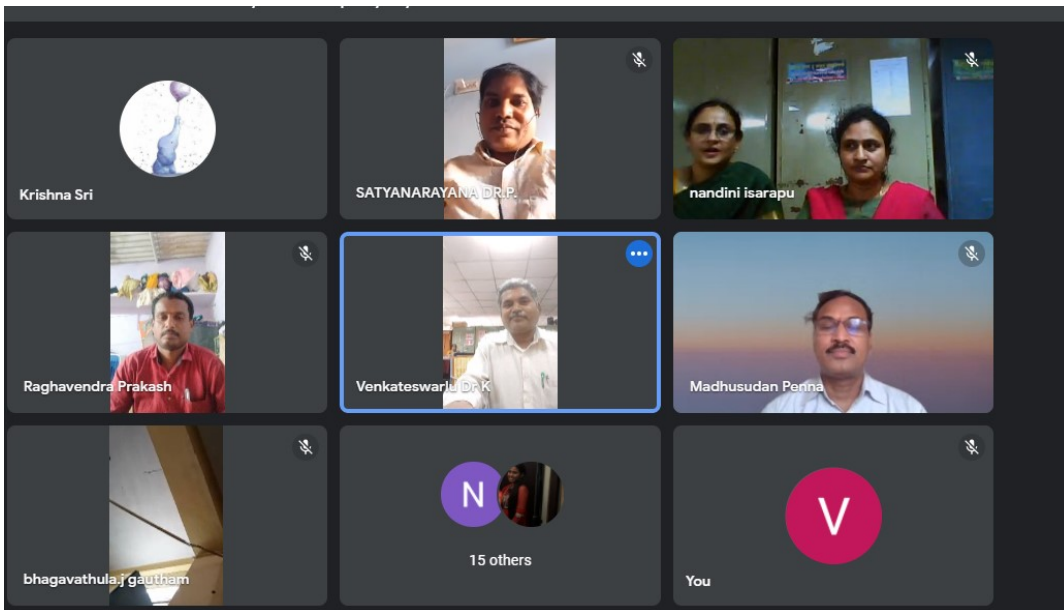

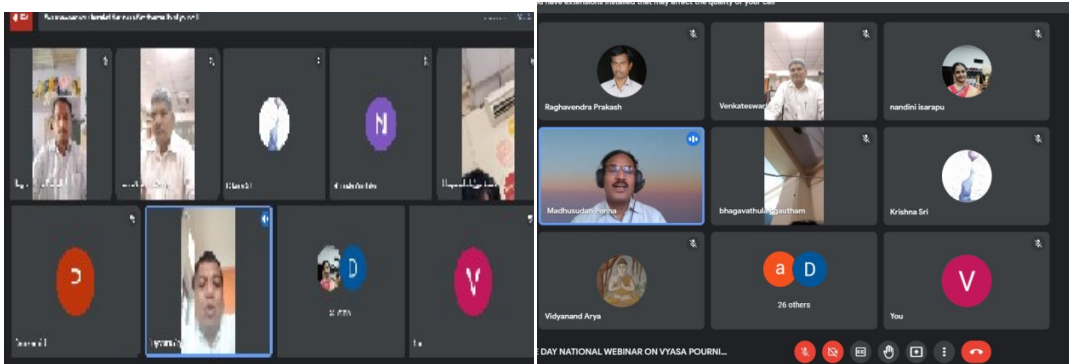

## Online Extension Lecture

The Department of Sanskrit has conducted the online extension lecture on 03-08-2020 in view of Sanskrit day .Dr.K.Uma Maheswari Assistant professor of Sanskrit, Sri Somnath Sanskrit University Gujarat has been invited as a resource person. Dr.Uma Maheswari is an eminent scholar in Sanskrit and she has profound knowledge in Nyaya darshana. She spoke about the importance of Sanskrit in day to day life and enlightened the students with various examples and quotes from all sorts of Sanskrit literature.

## NATIONAL WEBINAR ON 24-07-2021

**The department** of Sanskrit has organized a one day NATIONAL WEBINAR on account of Gurupurnima on The topic SIGNIFICANCE OF VYASA AND HIS WORKS. Dr.K.Padmavathi, Principal Of GDC W BGUMPET has presided over the session and has delivered the presidential remarks on the program. Madam has congratulated the department for conducting the national webinar .Prof Penna Madhusudhan dean department of Indian philosophy was invited as chief guest and he delivered an excellent lecture on the significance of Vyasa and his works. Prof Vidyanda Arya, head,department of Sanskrit Osmania university was also invited as Guest of honor .Arya sir has delivered a remarkable speech on GURU and his importance in one's life.students were enlightened by both the lectures. From Maharashtra, Uttar Pradesh, Delhi, Andhra Pradesh and Kerala more than 20 participated in the webinar and were given certificates for their participation. Departmental members Dr.D.padmaja,Dr.K.Venkateswarlu and smt IR.NANDINI have participated in the webinar.

# Extension Lectures of Biotechnology

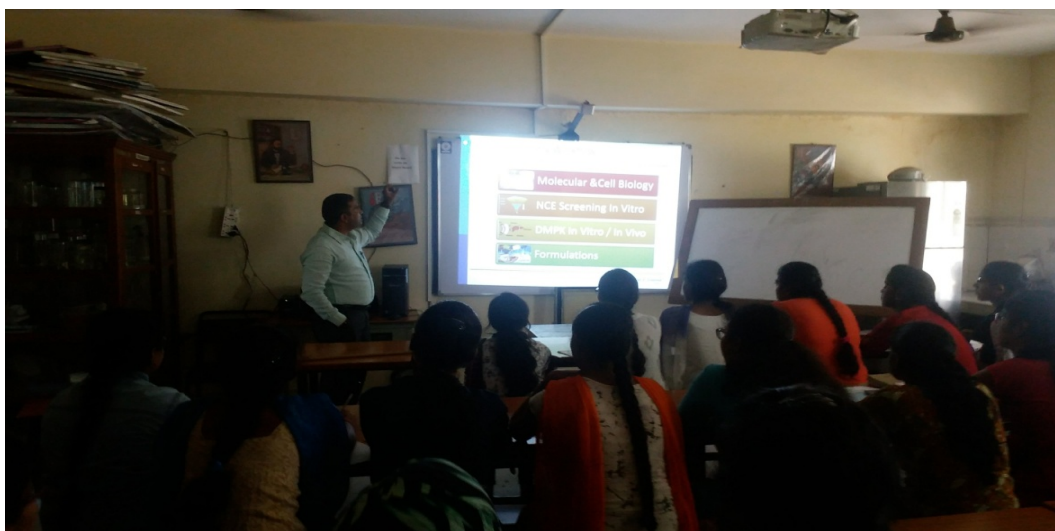

**2017-18**

On 29-9-2016 Department of Zoology and Biotechnology conducted Extension lecture by Mr.A.Aravind, RUHA Life Sciences Company M.D. Topic was Bioinformatics-Introduction and its applications in life sciences. Head of Biotechnology Mrs.V.Rohini, organized this lecture. Number of students participated -30

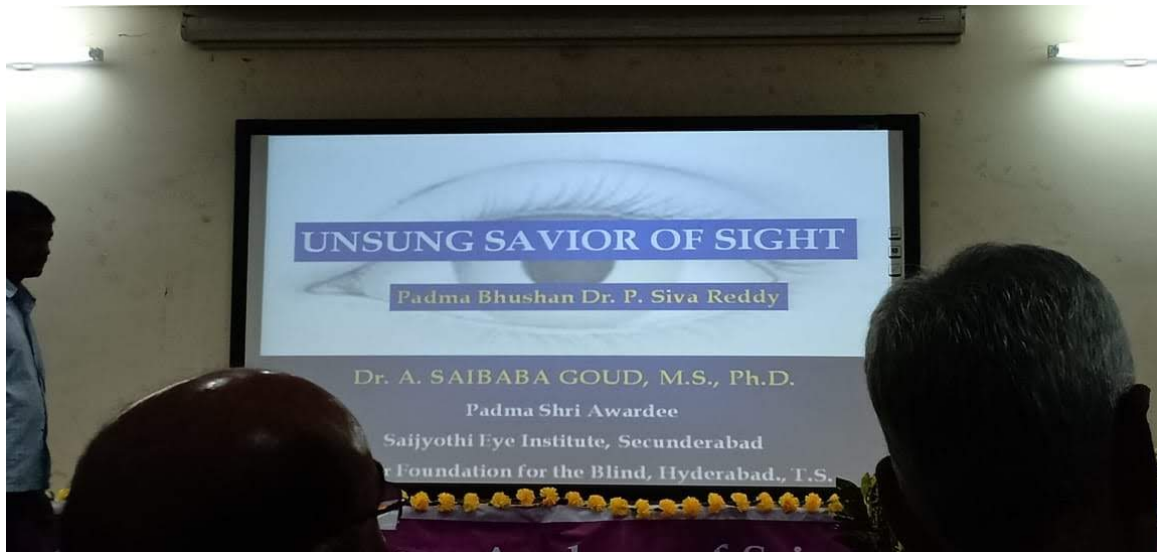

**(2018-19)**

1) On 29-9-2018 Department of Zoology and Biotechnology conducted Extension lecture by Mr.K. Mahesh, Senior Scientist from Biological E Limited, Topic was Vaccine development and molecular biology and immunology techniques used. Head of Biotechnology Mrs.V.Rohini, organized this lecture. Number of students participated -46

2) The Department of Biotechnology and zoology were invited for Dr.P.Siva Reddy Endowment Lecture by Dr.A.Saibaba Goud, the lecture included commemoration of Dr.P.Siva Reddy, his research activities, on 12-9-2018 at Institute of Genetics .

 <p><b>TAS</b></p>		PROGRAMME
<p><b>Telangana Academy of Sciences</b> Cordially invites you for <b>Dr. P. Siva Reddy Endowment Lecture</b> by <b>Dr. A. Saibaba Goud</b> Padma Shri Awardee Founder Chairman, Devnar Foundation for the Blind Hyderabad</p>		<p><b>12<sup>th</sup> September, 2018</b></p>
<p><b>on</b> <b>Unsung Savior of Sight</b></p>		<p><b>Venue: Seminar Hall</b> Institute of Genetics &amp; Hospital for Genetic Diseases Osmania University, Begumpet, Hyderabad-16.</p>
<p>at 11.00 am on Wednesday, 12<sup>th</sup> September, 2018</p>		<p><b>Welcome</b> <span style="float: right;"><b>Dr. S. Chandrasekhar</b> Hon. Secretary, TAS</span></p>
<p><b>Venue:</b> Seminar Hall Institute of Genetics &amp; Hospital for Genetic Diseases Osmania University, Begumpet, Hyderabad-16.</p>		<p><b>Dr. P. Siva Reddy: A Profile</b> <span style="float: right;"><b>Dr. A. Venkateshwari</b> Director (I/c), Instt. of Genetics &amp; Hospital for Genetic Diseases, OU</span></p>
<p><b>Prof. K. Narasimha Reddy</b> President Telangana Academy of Sciences</p>		<p><b>Presidential Remarks</b> <span style="float: right;"><b>Prof. K. Narasimha Reddy</b> President, TAS</span></p>
<p><b>Dr. S. Chandrasekhar</b> Hon. Secretary Telangana Academy of Sciences</p>		<p><b>Introducing the speaker</b> <span style="float: right;"><b>Prof. K. Janardhan Reddy</b> EC Member, TAS</span></p>
<p>Programme</p>		<p><b>Dr. P. Siva Reddy Endowment Lecture on "UNsung SAVIOR OF SIGHT"</b> <span style="float: right;"><b>Dr. A. Saibaba Goud</b> Founder Chairman Devnar Foundation for the Blind Hyderabad</span></p>
		<p><b>Vote of Thanks</b> <span style="float: right;"><b>Dr. Y. Purushotham</b> Hon. Treasurer, TAS</span></p>

3) The Department of Biotechnology and zoology were invited for **Prof Nayudamma lecture by Prof E.Prem Kumar Reddy, Director of Experimental cancer Therapeutics, New York, USA**, A lecture included Contributions and research activities of Prof Nayudamma, and cancer therapeutics

## Invitation for

<p style="text-align: center;">INVITATION</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div> <p style="text-align: center;"><b>TAS</b> Telangana Academy of Sciences <i>Cordially invites you for</i></p> <p style="text-align: center; font-size: 1.2em;"><b>Prof. Nayudamma Lecture</b></p> <p style="text-align: center;">by <b>Prof. E. Premkumar Reddy</b> Director Experimental Cancer Therapeutics, Mount Sinai School of Medicine New York, USA</p> <p style="text-align: center;">On <b>IN QUEST OF TARGETTED THERAPIES FOR CANCER</b></p> <p style="text-align: center;">at 11.00 am on Thursday, 4<sup>th</sup> October, 2018</p> <p style="text-align: center;">Venue <b>Seminar Hall</b> Institute of Genetics &amp; Hospital for Genetic Diseases Begumpet, Hyderabad</p> <div style="display: flex; justify-content: space-between;"> <p><b>Prof. K. Narasimha Reddy</b> President Telangana Academy of Sciences</p> <p><b>Dr. S. Chandrasekhar</b> Hon. Secretary Telangana Academy of Sciences</p> </div>	<p style="text-align: center; font-size: 1.2em;"><b>Programme</b></p> <p>4<sup>th</sup> October, 2018      Venue: Seminar Hall Institute of Genetics &amp; Hospital for Genetic Diseases Osmania University Begumpet, Hyderabad</p> <hr/> <p><b>Welcome</b>      <b>Dr. A. Venkateshwari</b> Director (IC), Instt. of Genetics &amp; Hospital for Genetic Diseases, OU</p> <hr/> <p><b>Prof. Nayudamma - A Profile</b>      <b>Dr. Y. Purushotham</b> Hon Treasurer, TAS</p> <hr/> <p><b>Presidential Remarks</b>      <b>Prof. K. Narasimha Reddy</b> President, TAS</p> <hr/> <p><b>Introducing the speaker</b>      <b>Prof. A.R. Reddy</b> Professor Emeritus, UoH</p> <hr/> <p><b>Prof. Nayudamma Lecture</b>      <b>Prof. E. Premkumar Reddy</b> On "In Quest of Targetted Therapies for Cancer"      Director Experimental Cancer Therapeutics, Mount Sinai School of Medicine, New York, USA</p> <hr/> <p><b>Vote of Thanks</b>      <b>Dr. Y. Purushotham</b> Hon Treasurer, TAS</p>	<p style="text-align: center;"><b>About the Speaker</b></p> <div style="display: flex; align-items: center;">  <div style="margin-left: 10px;"> <p>Prof. E. Premkumar Reddy obtained his Ph.D. in 1971 from CCMB and Osmania University, Hyderabad and carried out his post-doctoral training at the UCLA School of Medicine from 1972-1974. He later worked at the National Cancer Institute from 1974-84 and then moved to Hoffmann La Roche Institute of Molecular Biology. In 1986, he joined the Wistar Institute as a Professor and Deputy Director. From 1992 to 2010, he served as the Director of the FELS Institute for Cancer Research and Molecular Biology, Temple University School of Medicine, Philadelphia. Currently he is serving as the Director of Experimental Cancer Therapeutics at Mount Sinai School of Medicine, New York, USA</p> <p>Dr. Reddy's discoveries were seminal in providing a clear understanding of the molecular basis of cancer. He cloned and sequenced a number of viral oncogenes such as <i>abl</i>, <i>ras</i>, <i>fgf</i>, <i>mos</i>, <i>myb</i>, <i>myc</i> and <i>sis</i> which underpinned the cellular proto-oncogenic pathways. He extended this work to human cancers and was responsible for the seminal discovery that point mutations in the cellular <i>ras</i> genes result in their oncogenic activation. In addition he discovered the association <i>AM</i>, <i>Clb4</i> and <i>Mylb</i> oncogenes with the development of human myelogenous leukemias. He also had developed a mullizygous CDK4 mouse, which displays a phenotype that mimics Type1 diabetes.</p> <p>Dr. Reddy has pioneered the development of small molecule inhibitors targeted against oncogenes and cell cycle regulators for cancer therapy. One of the drugs developed by Dr. Reddy, ON01910 is currently in Phase III clinical trials and has shown profound clinical activity in MDS (Myelodysplastic Syndrome) patients as a single agent.</p> </div> </div>
---	--	---

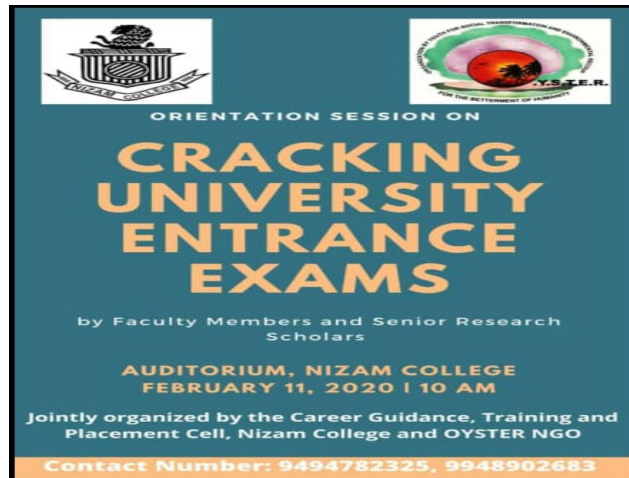

4) On 12-2-2019, Department of Zoology and Biotechnology conducted Extension lecture by **Mrs K.Archana**, Assistant Professor of Biotechnology, Loyola Degree and PG College, on Immunology-Hypersensitivity.

(2019-20)

**Students of Biotechnology III year have attended Orientation Session on Entrance exams On Feb 22 2020**

The Session included tips to students practice to clear the entrance exams at different levels, must follow some basic but important guidelines: like a habit of reading books, biographies, and case studies, Time Management, Preparation of Conceptual framework and continuous practice. The Programme was attended by Biotechnology II year (75)Students.

**2) B.Sc Biotechnology final year students attended International Education fair 2020 on 25-1-2020 at Taj Vivanta. The programme has been organized by THE HINDU, which mainly aimed at creating awareness on Education in Abroad, educational loans and Career options.**

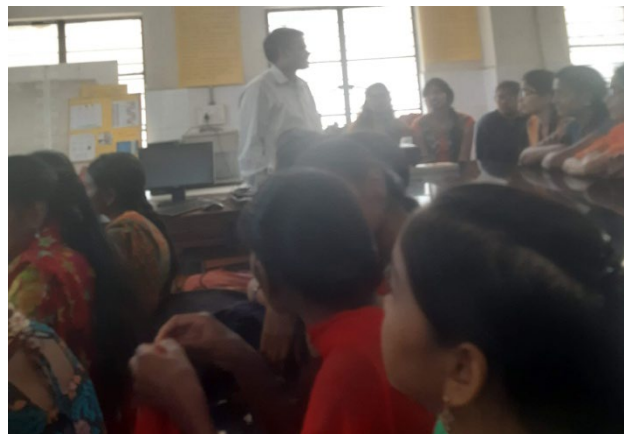

**The Programme was attended by BtZC (9) final year students.**

The main purpose of this programme are Studying internationally offers a wider variety of courses, some also including research options and skill-based training for students. This helps expand your horizons and opens up a world of new educational opportunities.

Graduates who've chosen to study internationally are highly sought after by employers. Pursuing a degree overseas signals employers that you have courage, flexibility, cultural awareness and an understanding of how other people work and think. This experience puts you ahead of the pack when it comes to internships and job applications.

**3) Extension lecture on careers in Biotechnology by Dr.A.Srinivas, Assistant Professor of Genetics, Osmania University on 24-2-2020**

An Extension lecture was conducted by Zoology and Biotechnology to create awareness amongst B.Sc BZC, BtZC, BtBC III year and II year Students. The lecture was delivered by Dr.A.Srinivas, Associate professor of Genetics,Osmania University, Hyderabad.

The lecture included introduction to Biotechnology and its distinguished areas and developing sciences in modern scientific world. And elucidated the newest pattern of scientific advances which focus at deriving valuable products for human race through merging the biological systems with the engineering practices.

#### **Career Opportunities in Biotechnology:**

There are many career opportunities available in Research and Development, Pharmaceutical Companies, Hospitals, Diagnostic Centres, Manufacturing Sector of Biotechnology, Academic Sector for students who want to make a career in Medical Biotechnology:

#### **Job Profiles for Graduates in Biotechnology:**

- Clinical Laboratory Technician
- Biological Supplier Manufacturing
- Environmental Technician
- Food Safety Mechanism
- Pharmaceutical Research Technician

#### **Job Profiles of a Pharmaceutical Biotechnologist**

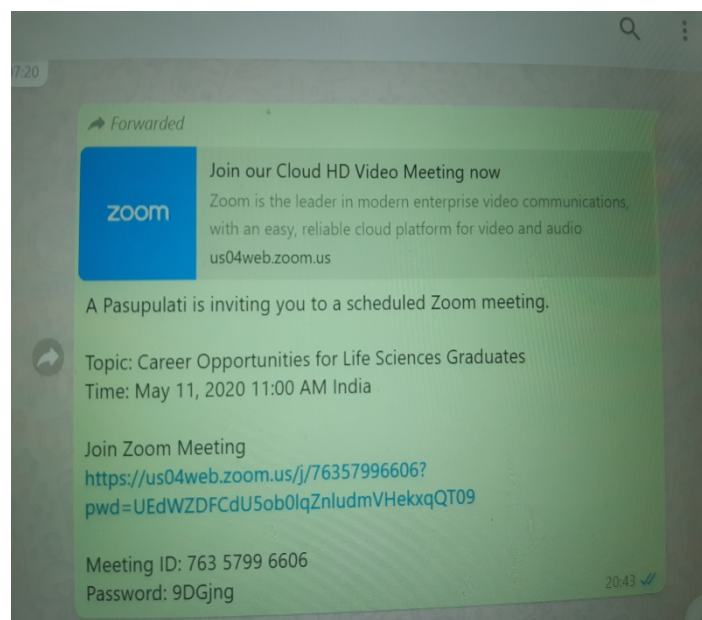

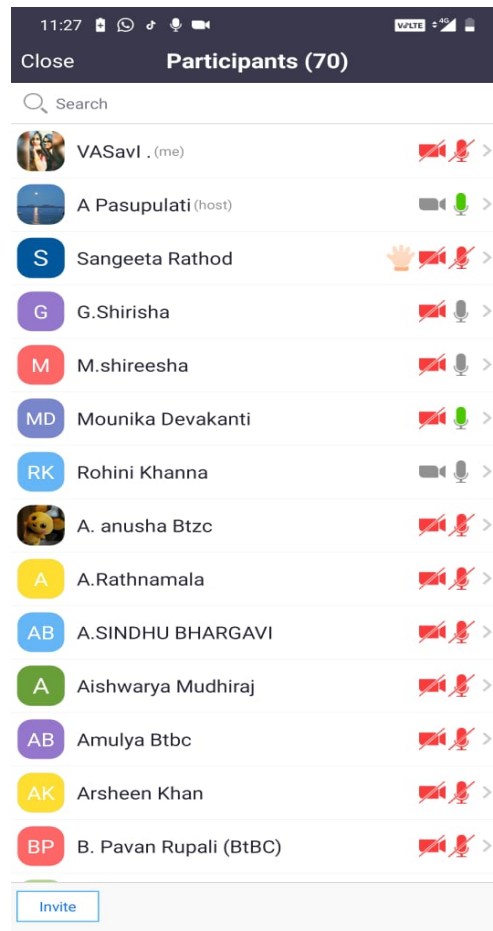

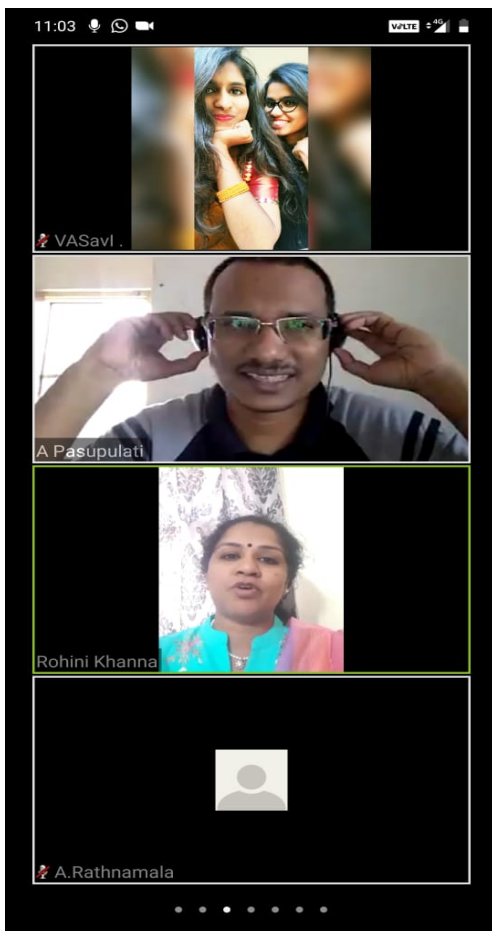

- Medical Scientist
- Chemical Engineer
- Biological Technician
- Chemical Technician

#### **Job Profiles of a Plant Biotechnologist**

- Greenhouse or field Technician
- Laboratory Assistant
- Genomics Technician
- Molecular Biology Technician
- Plant tissue Culture Technician
- Research Associate
- Lecturer
- Trainer
- Research Investigator
- Project Assistant

#### 4) Online Extension Lecture on Career Opportunities in Life Sciences on 11-5-2020

An Online Extension Lecture on Career Opportunities in Life Sciences was conducted on 11-5- 2020, by Dr. Anil Kumar Pasupulati, Assistant Professor of Biochemistry, University of Hyderabad.

The lecture mainly focused on scope for biotechnology as a career option is immense as its applications and innovative products are in the market every day. There are various organizations that serve as great resources for those for entering the field of biotechnology. Biotechnologists are at the forefront of the continuous search to find new, sustainable food sources. They can work in various work environments like industrial sector, environmental sector, medical sector, food manufacturing, health-care and pharmaceuticals. Professionals in this field can specialise in one or more subfields like genomics, proteomics, and bioinformatics.

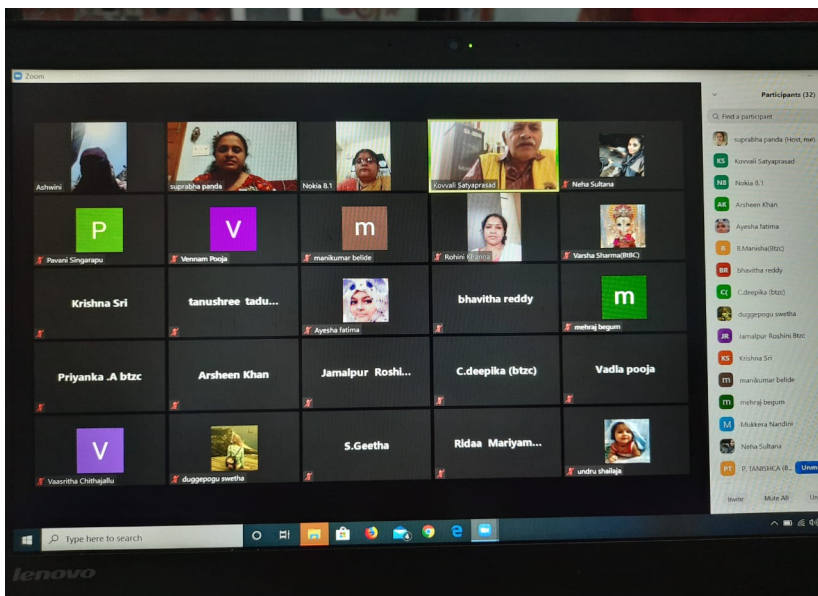

The lecture also emphasized on Students interested higher education can go for the master's level in biotech after their undergraduation. Again, master's in biotechnology can be in M.Sc, M.E/M.Tech. A graduate degree in any of the life sciences is acceptable for a PG programme in biotechnology. Students interested in research and development can continue their studies by pursuing their Ph.D degrees in biotechnology and related fields.

### **Extension Lecture on Animal cell culture and its applications on march 5<sup>th</sup> 2020**

**An extension lecture was delivered by Ms M. Dhathri, Ph.D scholar at Osmania University, Zoology Department to III Year students of B.Sc Biotechnology on march 5<sup>th</sup> 2020. The lecture mainly encompassed the latest techniques of animal cell cultures, applications and Gene mapping and identification of genes of economic importance in farm animals Molecular markers (RFLP, RAPD and SNP) and applications. Head of Biotechnology Mrs.V.Rohini, organized this lecture. Number of students participated -40**

## STEP - Student Talent Enhancement Program on MAY 12<sup>th</sup> 2020

**Topic: student talent enhancement program by Dr.KS Prasad, to departments of zoology and Biotechnology. Time: May 12, 2020 11:00 AM**

**The students were enlightened by how leadership skills are a must-have for anyone to succeed in life, most importantly for young students who are our future citizens. A quick survey reveals that a majority of students today are either not adequately equipped or not proficient in communication skills, interpersonal skills, confidence, a sense of responsibility and precious human values. With the noble objective of bridging this gap, The International Association of Lions Clubs, District 320D has designed an exclusive NIPUNA - Soft Skills training program to build leadership skills among youth. The program titled STEP (Student Talent Enhancement Program) has Four Cs as its components: Communication Skills, Collaboration Skills, Confidence and Compassion.**

Heads of Biotechnology Mrs.V.Rohini, Zoology Mrs. Suprabha Panda had organized this lecture. Number of students participated -32
