Community Development
Activities

Health & Education

TYPE OF WORK AND RESPONSIBILITIES

The two parties after considering their objectives and strength and after holding detailed discussion have agreed to have an understanding for collaboration in the areas of interest. The following areas of interest form the major part of MOU.

- Medical coding and Excel Classes shall be conducted at the college premises before regular college sessions for a period of 45 days
- Medical Terminology, Basics of ICD, Coding and Billing along with MS Excel basic to advance concepts shall be taught to the enrolled students
- Record of student attendance shall be maintained separately and Assessments shall be conducted at the end of the course
- Students who shall qualify the minimum required score in assessment and attendance shall be honored with certification.
- After the students completing their graduation and those are seeking job assistance will be provided assistance in the placements.

IN WITNESS WHEREOF THE parties here have signed this Memorandum of Understanding on 26th day of November 2021.
