

DEPARTMENT OF PUBLIC ADMINISTRATION

Government Degree College for women, Begumpet was established in the year 1971, B.A., B.COM. BSC courses. The B.A faculty comprises Economics, Public Administration, and Political Science in both English and Telugu Medium. This contribution continued till 1988, Government of Andhra Pradesh insisted on restricted and self financial courses .Accordingly, to meet the demand and the need of the hour, a new combination of Economics, public Administration and computer Applications was introduced in the place of E.P.P English medium. The students of the Department are economically and socially backward. Telugu medium students have rural and semi-urban background to facilitate them Telugu Medium is continuing with E.P.P combination

The public administration is offering different courses after implementing Dost admissions. The Department is offering different courses with different combinations in English medium according to the demand of the student. CBCS System introduced.

The Department of Public Administration introduced a Certificate course in Good Governance in the academic year 2013-14 for outgoing students.

In the academic year 2015-16 the Department of Public Administration also introduced Trans-Disciplinary course in Indian Administration for non B.A Second year students

Importance of Public administration developing as an Administrative system is developing globally. In the new context of Liberalization and globalization the need for administrative studies developed tremendously. All universities in higher education understood the need and importance of administrative studies and offered public administration with a number of combinations in under graduation level.

It is one of the important optional papers for civil services. All the aspirants of civil services are opting for optional papers.

VISION:

To develop capacity building of human beings and to enrich the youth who are coming from rural background of the society. So that the student can face any challenges of the society. To prepare the students with the administrative and social skills to understand the society and prepare for public service careers for government and non-government sectors.

MISSION:

The department is committed to prepare our graduates to think critically, serve and promote a democratic way of life through civic engagements. We prepare our students to participate in community service and nation building.

OBJECTIVES:

To enrich the student with full knowledge of administrative capabilities and to encourage becoming aspirants of civil services. To make aware the student about administrative system globally. The student

should know facts through the knowledge of administration. To inculcate the student to improve managerial skill, interpersonal skills through proper communication. They will know planning, financial management, time management, stress management. To make aware the student about indian administrative system.
