

DEPARTMENT OF HISTORY

VISION

- An understanding of history is essential not only to a complete education but also to a life wider awareness, fulfillment and responsible citizenship.*
- We seek to instill in students a passion for learning about the past to enable them gain a better understanding of the contemporary world and make connections to the future.*
- The Department aims to be an open and welcoming site for a robust exchange of ideas and the encouragement of scholarly excellence.*
- We are committed to developing in student's vital skills such as critical thinking, analysis, verbal expression, and effective writing.*

MISSION

The History Department prepares students for a wide range of careers by teaching a core set of transferable skills through the study of societies, cultures, and economies across a broad chronological and geographical spectrum.

OBJECTIVES

- identify the key events which express/define change over time in a particular place or region*
- identify how change occurs over time*
- describe the influence of political ideologies, economic structures, social organization, cultural perceptions, and natural environments on historical events*
- discuss the ways in which factors such as race, gender, class, ethnicity, region and religion influence historical narratives*
- explain how people have existed, acted and thought in particular historical periods*
- explain what influence the past has on the present*
- interpret the complexity and diversity of situations, events and past mentalities*
- compare eras and regions in order to define enduring issues*
