

## DEPARTMENT OF PSYCHOLOGY

The Department of Psychology started from the academic year 2018-19 with the vision to “Be a center for mental health services and training of mental health professionals”. We take students on a journey through learning and mastery of the human mind and behavior. We provide the required resources and knowledge thereby ensuring professional and personal success.

**1. VISION:** Training the students for the future and develop a mentally healthy Society.

**2. MISSION:**

Our mission is to train mental health professionals, to carry out researches relevant for growth of discipline and to serve mental health needs of the community.

**3. OBJECTIVES:**

- 1) Students will demonstrate an understanding of the origins of psychology and the key individuals who were instrumental in shaping modern psychology
- 2) Understand the lack of ethnic and gender diversity in early psychology. Students will demonstrate an understanding of research strategies used by psychologists to explore behaviors and mental processes.
