

DEPARTMENT OF MASS COMMUNICATION AND JOURNALISM

2020-2021

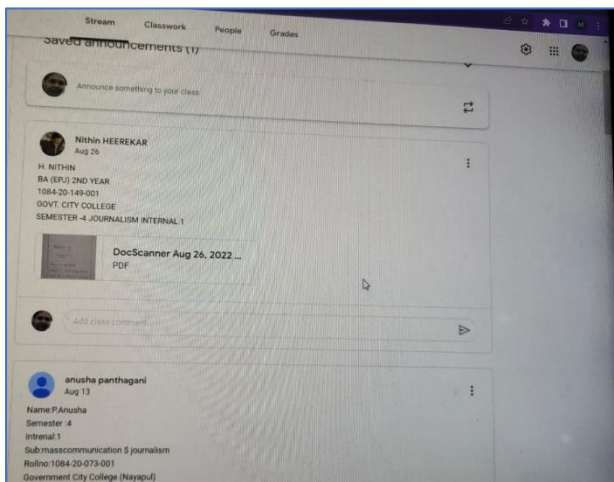

BEST PRACTICES

The department conducted the classes through zoom meetings

The department ensured that the students were connected to the class through Google classrooms.

The study material was provided to the students through Google classrooms and the students submitted their seminars and assignments in the GCs

During covid era to boost the morale of the students and their parents the department conducted PTM and webinar and orientation programme online

Webinar conducted by the department during covid era
