# Safety measures and fencing around the surroundings of the campus

## 2. Counseling -Regular Health Checkup and 108 services during emergency

### 3. Common Rooms -RETIRING/REST ROOM IN THE CAMPUS

Common Rooms are provided for girl students with a good ventilation facility and rest rooms where the girl students can sit, rest and have recreation. A lady attendant takes care of the students' needs in case of emergencies. First Aid and wheelchair are provided for the access and benefit of the students.
