

GOVERNMENT DEGREE COLLEGE FOR WOMEN (A), BEGUMPET, HYDERABAD
INDUCTIONPROGRAMME

2020-21

PHYSICALSCIENCES

Objectives of the Induction programme:

The following Objectives are communicated to the B.SC I year students.

& Choice Based credit system (CBCS): It is an opportunity for the students to choose the courses from prescribed courses comprising core, elective or skill based courses. The course can be evaluated following the grading system.

& Autonomous Grading: Grade point is weightage allotted to each grade letter (O, A, B,C,D, E, F and AB) depending on the marks awarded in a course.

& Evaluation Pattern

& Course outcomes: Students learn Computational skills, communication skills, logical thinking, presentation skills and overall development during the course and they develop knowledge to enter into higher education.

& Career opportunities: Students will get an idea of different opportunities available after completion of B.Sc Degree like Civil services, IICT, NGRI, IITS, IIT-JAM and different Government and private sectors.

& Student Conduct

& **Curricular and extracurricular activities:** The College conducts curricular and Co-curricular activities as part of regular programme. The college is offering the following Co-curricular activities.

NSS

NCC

Sports

Self Defense etc.

An online Induction programme was organized by Department of Physical sciences on 17.11.2020 at 11 am for all the B.Sc Physical sciences first year students. The students and the faculty of physical sciences participated the program.

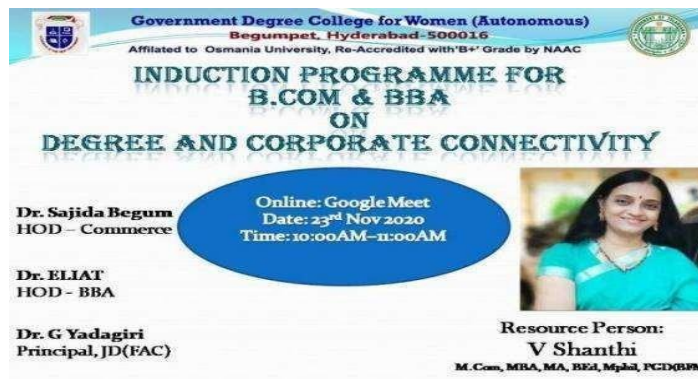

Dr. D. Sarada Devi, HoD Department of Mathematics addressed the students of B.Sc. I year Physical Sciences. She discussed in detail the Course curriculum, examination structure, Co & Extracurricular activities and other academic activities of the college.

Chief Guest Dr A. Mahender, Asst. Prof of Astronomy, Osmania University, Hyderabad. His talk went on with a special focus on Astronomy and extended to covering various higher education and career opportunities through U.P.S.C, I.I.C.T, N.G.R.I, NET, GATE for science students.

DEPARTMENT OF COMMERCE

Our college were established to train graduates in their respective branch/ department of study, have a holistic outlook towards life, and have a desire to work for national needs and beyond. The graduating student must have excellent knowledge and skills in the area of his study. However, he must also have broad understanding of society and relationships. Character needs to be nurtured as an essential quality by which he would understand and fulfil his responsibility as an accountant and management, a citizen and a human being. Besides the above, several meta-skills and underlying values are needed. There is a mad rush for engineering today, without the student determining for himself his interests and his goals. This is a major factor in the current state of demotivation that exists among UG students towards studies.

Government Degree College for Women (Autonomous)

Resource Person:
V Shanthi
M.Com, MBA, MA, BEd, Mphil, PGDIPRM

The success of gaining admission into a desired institution but failure in getting the desired branch, with peer pressure generating its own problems, leads to a peer environment that is demotivating and corrosive. For some, the start of hostel life without close parental supervision at the same time, further worsens it with also a poor daily routine.

Resource Person: V.Shanthi

DEPARTMENT OF LIFE SCIENCES

An Induction Programme was conducted for all the first year life science students on February 10th 2021. The faculty from all the life sciences departments organized the programme.

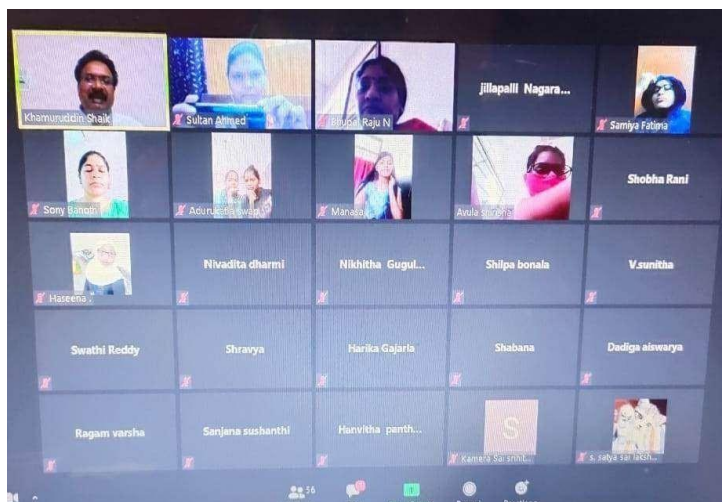

The Principal of the College, addressed the first year students by welcoming all and discussed about CBCS System, Autonomy & Grading Programme, Out Comes/Pos/ Course outcomes and Code conduct, Curricular, Extracurricular activities, Mentoring, Resources and Career opportunities.

DEPARTMENT OF SOCIAL SCIENCES

An orientation programme was conducted on 23-10-20 for BA students. Prof. Qamruddin, Department of Business Administration from MANUU, Hyderabad has been invited as the Resource person.

The Resource person has spoken to students about the career opportunities after the completion of BA course. Principal Dr.G. Yadagiri has spoken about the code of conduct and career opportunities. Dr.Praveen Kumar ,COE has explained about the examination pattern of Internal and external evaluation. Economic faculty Dr.P.Satyanarayana has explained the importance of Arts courses in the present economy. History Faculty Dr. Sandhya has spoken about the Programme outcomes, Programme specific outcomes and Course outcomes. Curricular and extra-curricular activities conducted in the College. Journalism Faculty Parveen explained the Certificate courses, SECs and GE in CBCS.

The students are expected to follow a code of conduct in the College and maintain attendance in each subject. In the College there are facilities like Library, TSKC, NCC, NSS and Sports in which students are encouraged to join. There are placements for the outgoing students. Different firms conduct interviews and give placements. In TSKC training is given to the students for Computers and English. Interview skills are taught. We have National players in Sports activities. Our students have participated in Republic day parade.
