## DEPARTMENT OF POLITICAL SCIENCE

### REPORT OF THE INTERNATIONAL CONFERENCE

The Department of Political Science, Government Degree College for Women, Begumpet, Hyderabad has organized an International conference on “New Dimensions in Higher Education in the Post Covid-19: Global Perspective” on 24<sup>th</sup> & 25<sup>th</sup> March 2022 at ICSSR-SRC, Hall, Osmania University, Hyderabad sponsored by ICSSR, New Delhi, TSCHE & NAAC.

Poster release by Principal Dr. K. Padmavathi, Dr. K.Kamala, Convener, Dr. M. Ramacharyy, Co- Convener, Dr. M. Vasudha, Vice Principal, Annie Sheron, IQAC Coordinator, Dr. G. Sunitha, Academic Coordinator , Dr. K. Vijay Kumar, COE & Staff.

The Conference has begun with the welcome address by Dr.K.Kamala, Convener of the Conference stated that the conference has received 158 abstracts of which four speakers from USA, Singapore, Hong Kong & China have participated and also received papers from more than 15 states of India.

The conference was inaugurated by Dr. K. Padmavathi Principal, Government Degree College for Women, Begumpet.

The Chief Guest of the conference Shri. Navin Mittal, IAS, Commissioner of Collegiate Education stated that Education must be outcome based, student centric, Skill base and there is a need to redesign the curriculum to meet students and market demands is the need of the hour and also stated that online learning cannot replace physical classroom teaching.

Prof. D. Ravinder, Vice Chancellor of Osmania University stated that the New Education Policy has many challenges. The other dignitaries who participated in the inaugural programme include Prof. Prof. R. Limbadri, Chairman, Telangana State Council of Higher Education, stated that teachers are working with commitment with upgraded knowledge.

The Special Guest of the conference was Prof T. Tirupati Rao, Chancellor of Manipur University who has suggested valuable inputs. The Key note address was delivered by Prof. Jandhyala B G Tilak, Former Vice Chancellor, National Institute of Educational Planning and Administration, New Delhi and Distinguished Professor, Council for Social Development, stated that there is a need to develop short term, medium and long term plans for developing Higher Education and

research system that contribute to knowledge development, reducing inequalities. Nearly 350 participants participated in the Day -1 (24.03.2022) & Day - 2 (25.03.2022) of the conference. Eminent professors Professor Hara Gopal discussed on NAAC upgradation quality enhancement, Prof. Kancha Ilaiah on Dignity of labour, Prof. T. Mrunalini, discussed on New Education Policy, Ajay Gudavarthy, Associate Professor and Shri. Chiranjeevulu, IAS, participated in the conference. The souvenir of the conference was released by the dignitaries.

**Concept Note**  
Higher Education plays an important role in the overall development of a nation. It is a crucial segment in every country as highly educated individuals impart a major role in the growth of the

nation with their intellectual capability and skills. In fact, Education forms the building block of a nation. Indeed, it is a means to bring in social transformation. Our Higher Education system is the third largest in the world, next to the United States and China. In the twenty first century Higher Education sector is rapidly growing. Many nations are increasingly recognizing the importance and role of education and there is a phenomenal increase in the equity of its access to different sections in the society. Economic inequality, rapid technological obsolescence and problems of employability make questions of access, quality and relevance extremely complex, especially in a developing nation like India. This conference intends to bring all the esteemed participants in the arena of Higher Education on a common platform to share multitude of its diverse perspectives, real life teaching and learning experiences in the area, policy implementations and intellectual thinking in the broad area of **“New Dimensions in Higher Education in the Post COVID 19: Global Perspective”**. The ideas of the experts on issues concerned with higher education at the local and global levels provide an impetus to the ongoing debate in the field. The conference highlights critical issues, and lessons to be learnt to improve institutional flexibility in Higher Education and to take the valuable inputs from other academicians all over the world. The conference shall ensure that academicians, researchers, policy makers and other experts continue to enlighten the minds by their intense understanding and insights which would further enrich knowledge and enhance learning. The deliberations took place during the Conference on the above mentioned issues. Academicians, NGO Activists and research scholars from various universities, research organizations and NGOs have actively participated in the deliberations. As the conference received huge number of abstracts, the parallel sessions were arranged both in online and offline mode.

## **Report on the Workshop on *Effective Use of ICT Tools in Teaching and Learning* conducted by IQAC**

The IQAC organized a One Day Faculty Development Programme on the “**Effective Use of ICT Tools in Teaching and Learning**” for the entire teaching faculty on 2 November, 2021 at the Seminar Hall of the College. The Principal of the College, Dr K.Padmavathi inaugurated the program along with Dr T.Annie Sheron, the IQAC Coordinator. The programme was divided into two segments:

In the forenoon session, there was a presentation on the topic **Use of Virtual Labs** by Dr. N. Harikrishna, Assistant Professor of Microbiology, GDC, Gajwel.

The Resource person provided insights on the importance of Virtual Labs which is an initiative of the Ministry of Education, Government of India, under the National Mission on Education through Information and Communication Technology. The virtual labs aim to cater and provide remote access to Laboratories in various disciplines of Science to students of allied subjects to all levels from UG level to Research.

Virtual Labs do not require any additional infrastructural setup for conducting experiments at user premises. Students can learn the different simulations by themselves with help of instruction provided in the experiment modules.

Virtual Labs provide the following:

1. Access to quality simulation-based labs for science students who lack these lab facilities in their institution or who are taking classes virtually.
2. A complete Learning Management System which enables students to learn and assimilate.
3. Teacher-training and skill-set augmentation through workshops and on-site training.
4. Students are assessed after the simulation of experiment is completed with questionnaires.

The session concluded with the Q&A followed by the Vote of Thanks.

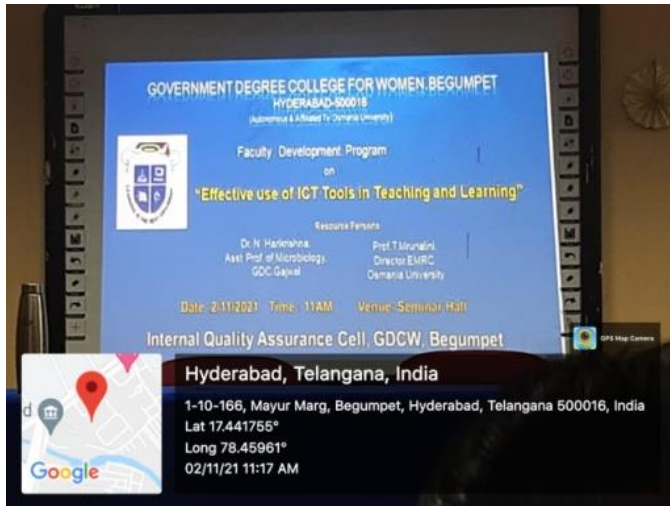

The post lunch session was in the online mode on the topic the **Use of ICT Tools in Teaching and Learning** by Prof. T.Mrunalini, Director, EMRC, Osmania University, Hyderabad. The presentation highlighted on the existing framework of Teacher Digital Capability Development. The presentation covered aspects like Teacher Commitment, SWOT Analysis of the learner and the teacher, Teaching Competencies, Personal Developmental Plan, Innovation and Media skills etc.

The presenter gave indepth information on Innovative Pedagogies like cross over teaching, teaching through smart boards, flipped classrooms, collaborative teaching, teaching through 3D printing technology, cloud computing and so on. The presenter shared many online teaching tools to the faculty at the end of the session. The FDP concluded with Vote of Thanks.
