Annual Gender Sensitization Action Plan

Government Degree college, Bellampally believes that Womens' education is a crucial factor that contributes to nation-building and for the past many years. we have been educating young women from different sections of society. We emphasize on rendering a holistic education grounded upon human values. We are committed to equip our students with the skill sets that enable them to work towards the uplifting of society and service of humanity.

Our College is conscious of the rising need of Gender equality, we believe in promoting student diversity in all Degree programs. Equal opportunities are given to all women students.

Government Degree college annually plans to:

- After admission, the new students are to be brought to the sense of sensitization during the orientation programmes.
- From the beginning, the new students are provided with a mentor. Regular meetings between the mentor and mentee are to be conducted for them to smoothen the burden of study and to easethe stress in the new atmosphere.
- The Internal Complaint Committee, Women Empowerment cell and anti ragging committees are formed with the purpose of maintaining equity among all the students. These committees will

be conducting workshops and seminars relating to issues prevailing in the society, they will also be responsible for handling cases and complaints that arise.

- Women Empowerment Cell, ladies waiting room, CCTV camera in the campus and corridors are provided with the idea that all students should feel safe in the premises, campus.
- Planning to appointment the counselor conduct student development activities and lectures on gender equality to keep a positive productive atmosphere. It also includes the matter of recognizing the behavioral issues of the students and provide proper guidance to resolve them
- Sports are also encouraged in all the students for over all development.
- Skill development classes for women students for generation of self employment in need of time.
- Legal awareness programmes are regularly conducted every year, so that women students can know their rights in the society.
