STUDENT FIELD SURVEY PROJECT 2022-23 ON

**A VISIT TO NEAR BY VILLAGES TO EDUCATE THE  
PEOPLE ABOUT USE OF COMMUNICATION IN ENGLISH**

**Our Degree students paid a visit to college near by villages that are Erravally, Chowderpally, Doublebed room houses to complete a student study project.**

**In this project our students visited near by villages and met the people who are living there to Educate the people about the use of communication in English. There our students group met so many people and interacted with them. They listened all the problems of the people over there and gave them the suggestions to over come the fear of talking and communicating english properly with others**

**All our students Participated actively and enthusiastically. They learned so many things from this trip .**
