DEPARTMENT OF BOTANY

Name of the activity: Field Work
Date : 06-03-2021
Faculty Involved : Sri. S. Veeraiah.

Objectives:

- 1) To study the plant biodiversity in & around the college campus.

Department of botany conducted a field work as part of DSE-IA Biodiversity & conservation on 06-03-2021 after morning session at 2:00pm. 27 students from B. Sc, B.Z.C-III & M.B.C-III were participated in this activity. Sri. S. Veeraiah, asst. prof. of botany guides the students in this activity. As part of the field work students identified and prepared the list of plant species in and around the college campus. They also asses the value of biodiversity of different plant species like avenue, ornamental, timber yielding and medical pants.

Sri. S. Veeraiah, Asst. Prof of Botany explains about the economic value of mulberry and students note down the points.

Sri. S. Veeraiah, Asst. Prof of Botany explains about how to extract the information by QR code scanning. Students collect the data of plant species in the campus.
