Memories

Half burnt, Half torn  
they flicked as i touched  
nothing was legible..  
neither visible....

All flesh has gone,  
as if they were buried  
deep inside, the "bone" was left  
nonperishable in the impression!!

A silent exclamation !!  
after my grand son's excavation  
made me nostalgic....  
A relief, a pain.  
both were plain....  
I took a deep breath  
& narrated a story worth..
