MENTOR MENTEE STUDENTS' FEEDBACK

My mentor is so friendly and really given time to me and helped me to think through my work load and which areas to priorities. we chatted a lot about my education under K. vijayalaxmi, Assistant professor of English.

It has all gone very well. I did wonder through if it might be possible also within the mentor relationship to critically examine some of my examinations and scholarship. I am very much happy to be part of this mentorship programme in our college. My sincere thanks to K. vijayalaxmi Mam.

I have been very Pleased with the way that the mentoring ~~is~~ scheme went and I feel that I benefited greatly from being able to discuss work and career related issues with some one who was not directly involved in my work and hold no detailed knowledge of it. Explaining issues in our discussions to someone who may have known little about the way that my particular department operates was useful in itself as I was obliged to think through the root of particular issues and their potential solutions. I thank my mentor P. Greenivasa Rao.
