**A VISIT TO ZOO PARK on 10-11-2022**

A visit to a zoo is a pleasure. it is informative and educative too. So the Department of English took 20 members to Vana Vignan as part of experiential learning. the principal flagged off the trip. all the staff are involved in the programme and encouraged the students to learn the importance of animal world to man kind. The students went around the zoo park making notes on the animal they noticed.they learnt that animals in the zoo park living in enclosures, have lost their freedom they felt pity for the innocent birds and animals like tortoise, peacocks, Ducks and swans.they have known the different life styles of animals and it was a visual treat for them to have found varity of animals at one place.
