DEPARTMENT OF CHEMISTRY
WEBINAR ON "INNOVATIVE THINKING IN CHEMISTRY
LEARNING
18.08.2021

The screenshot shows a Zoom meeting interface. The main content is a slide titled "ELECTRONIC CONFIGURATION" with the text "Electrons are arranged in Energy Levels or Shells around the nucleus of an atom." The slide features a diagram of an atom with a nucleus (red and blue spheres) and four concentric shells labeled 1, 2, 3, and 4. Shell 1 is labeled 's', shell 2 is labeled 's', shell 3 is labeled 'p', and shell 4 is labeled 'd'. To the right of the shells, the text "nl" is shown, where 'n' is black and 'l' is white, with "Sub energy level" written below it. Further down, "p=3" is written in yellow, and "s=1" is written in blue. A blue bracket labeled "Atomic orbital" is shown below "s=1". A video feed of a man with glasses and a mustache, wearing a light blue shirt, is visible in the bottom right corner of the slide area. The Zoom meeting controls are visible at the bottom, including Unmute, Start Video, Security, Participants (125), Polls, Chat, Share Screen, Pause/Stop Recording, Reactions, Apps, and More. The system tray at the bottom shows the search bar, taskbar icons, and system clock (18:25, 18-08-2021).

A webinar was organised by department of chemistry
KGC, Hanamkonda on 18/8/2021 under the chairmanship
of FAC principal Sri S. Ganapathi Rao and convened
by Dr. B. Ramesh, incharge department of chemistry.

Speaker: Dr. Vipav Dutt Shukla

Head, department of chemistry, Govt. City College (A)

Hyderabad presented an excellent lecture on
Innovative thinking in chemistry learning. During
his talk students were given inputs to think
innovatively in learning chemistry very easy manner.

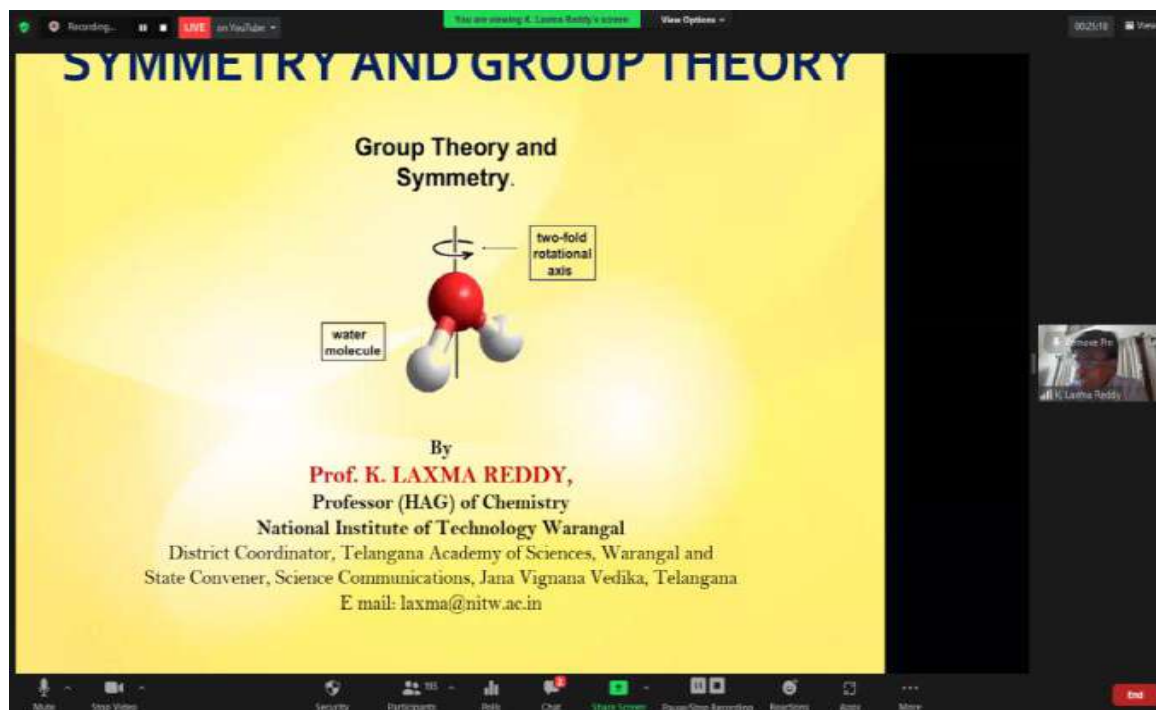

Participants also learnt how to remember d-block
elements very easily like Sca Ti Vi Cr Mn Fe Co Ni Cu Zn
He also spoke about innovative learning of named reactions,
names of organic functional groups etc.

WEBINAR ON SYMMETRY OF MOLECULES

28.08.2021

The screenshot shows a Zoom meeting window. The main content is a presentation slide with a yellow background. At the top, it reads "SYMMETRY AND GROUP THEORY" in large blue letters. Below this, the text "Group Theory and Symmetry." is centered. A 3D ball-and-stick model of a water molecule (H₂O) is shown, with a vertical axis passing through the oxygen atom and a curved arrow indicating rotation. A label "two-fold rotational axis" points to this axis. To the left of the model, a label "water molecule" is present. Below the model, the text reads: "By Prof. K. LAXMA REDDY, Professor (HAG) of Chemistry National Institute of Technology Warangal District Coordinator, Telangana Academy of Sciences, Warangal and State Convener, Science Communications, Jana Vignana Vedika, Telangana E mail: laxma@nitw.ac.in". The Zoom interface at the bottom shows various controls like "Mute", "Stop Video", "Security", "Participants", "Polls", "Chat", "Share Screen", "Pause/Stop Recording", "Reactions", "App", "More", and an "End" button.

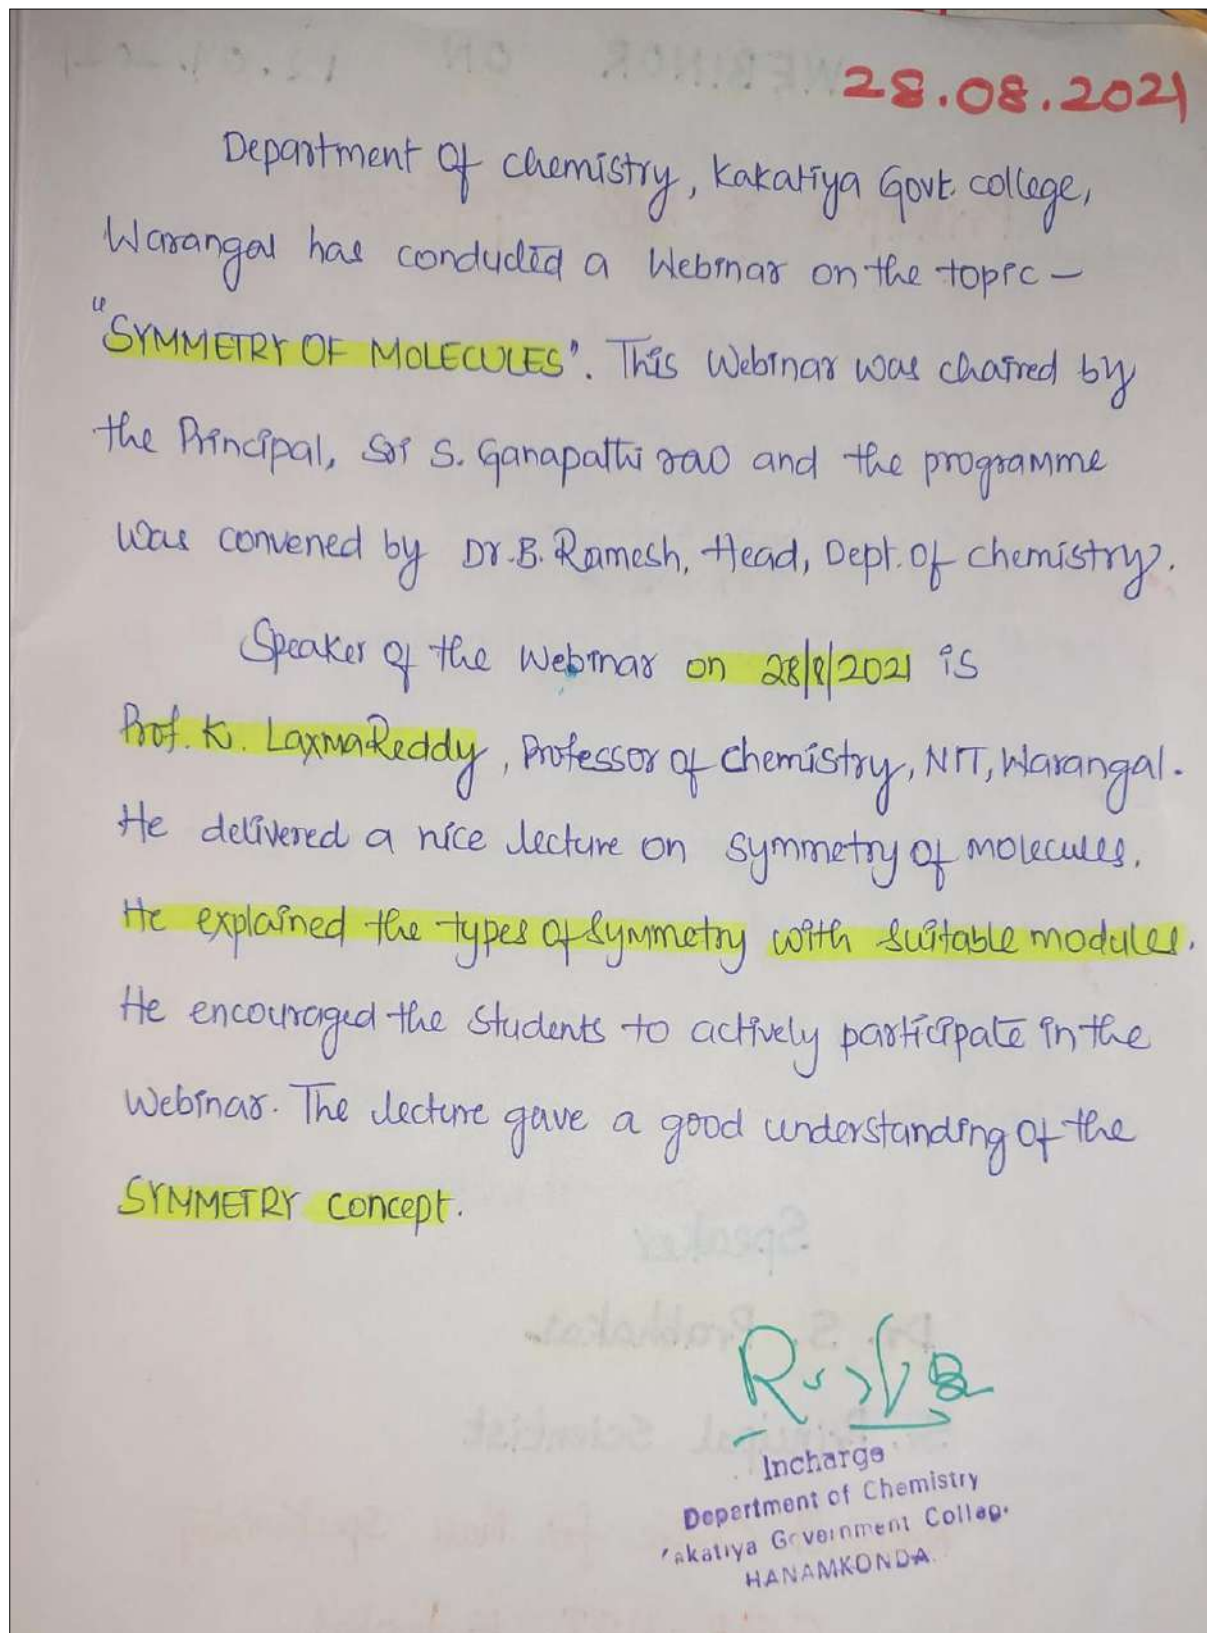

The screenshot shows a Zoom meeting window with Professor K. Lakshama Reddy as the primary video feed. He is wearing glasses and a blue checkered shirt. The background shows a room with white curtains and a door. At the top of the Zoom window, there is a gallery view of other participants, including "Manisha, BIR, G..." and "K...". The Zoom interface at the bottom shows various controls like "Mute", "Stop Video", "Security", "Participants", "Polls", "Chat", "Share Screen", "Pause/Stop Recording", "Reactions", "App", "More", and an "End" button. The Windows taskbar is visible at the very bottom of the image.

A Webinar on the topic CHROMATOGRAPHY was organised by Chemistry department on 11/12/2021 under the chairmanship of Principal of KGC, Hanumanthoba. Dr. K. Mallesham Gauri Incharge department of Chemistry. Dr. B. Ramesh convened the webinar.

Dr. N. Vasudeva Reddy, Chairman, Board of Studies Department of Chemistry, Kakatiya University delivered a lecture on this occasion.

This lecture covered the separating techniques briefly and the concept of chromatography, its discovery, various methods of chromatography.

He explained in a simple and lucid manner the terminology of chromatography like eluent, elution, eluting solvent, R_f -factor etc. The detailed process of Thin layer chromatography, Paper chromatography and column chromatography were also explained in detail. At the end he actively participated in the question answer session and clarified all the questions posed by the participants.

“మంచి సాహిత్య విమర్శ లేనిదే మంచి సాహిత్యం రాదు” కొడవటిగంటి కుటుంబరావు .

తెలుగులో సాహిత్య విమర్శ లేదు. సాహిత్యం వస్తున్నంత నవనవోన్మేషంగా విమర్శ రావటం లేదు అని తరచు ఆరోపణగా వినవచ్చే మాటలు ఉన్నాయి. నిజంగానే సాహిత్య విమర్శ లేదా ? లేదు అంటే లేకపోవటానికి కారణాలు ఏమిటి? ఉంటే అది ఎంత ? దానిని ఎంతవరకు పరిశీలిస్తున్నారు ? పరిగణనలోకి తీసుకొంటున్నారు? వంటి ప్రశ్నలు ఎన్నో మనలను చుట్టుముడతాయి. సాహిత్య విమర్శ పరిణామ చరిత్ర గురించిన మదింపు సమగ్ర స్థాయిలో జరిగితే తప్ప ఈ ప్రశ్నలకు సమాధానాలు దొరకవు. అందుకు ఎవరో ఒకరు ఎక్కడో ఒకచోట ఏదో ఒక స్థాయిలో పని ప్రారంభించటం అవసరం. అందుకే ఇప్పుడీ ప్రయత్నం. ఈ తొలి ప్రయత్నంలో మార్క్సిస్టు విమర్శ మీద దృష్టి పెట్టి పనిచేద్దామని, ఈ ప్రయోగం లో వచ్చే ఫలితాలను బట్టి ఈ సమానాలో మిగిలిన సాహిత్య విమర్శ సిద్ధాంతాల గురించి, ధోరణుల గురించి ఇలాగే కార్యక్రమాలు రూపొందించి నడుపుకోవచ్చని భావించాం.

సాహిత్య విమర్శకులను, సాహిత్య విమర్శను బోధించవలసిన కళాశాలల విశ్వవిద్యాలయాల తెలుగు అధ్యాపకులను, సాహిత్య విమర్శను ఒక పేపరుగా చదువుతూ, సాహిత్య పరిశోధనలోకి దిగే విద్యార్థులను దృష్టిలో పెట్టుకొని 30 అంశాలతో ఈ ప్రణాళిక రూపొందించ బడింది. సాహిత్య విమర్శలో అభిరుచి, అభినవేశం ఉన్న వాళ్ళందరూ నవంబర్ 22 నుండి ప్రారంభమై ముప్పయి వారాల పాటు జరిగే ఈ వారం వారం సమావేశాలలో క్రమం తప్పకుండా హాజరు కావలసినదిగా కోరుతున్నాం. సాహిత్య విమర్శకు, ప్రత్యేకించి మార్క్సిస్టు విమర్శకు సంబంధించి జరిగే సంభాషణలో భాగస్వాములు కావలసినదిగా విజ్ఞప్తి.

నిర్వాహక బృందంలోని వారు ఒకరి తరువాత ఒకరు ఒక్కొక్క వారం కార్యక్రమానికి సమన్వయ కర్తలుగా ఉంటారు.

అందరి సహకారాన్ని అపేక్షిస్తున్నాం.

SEMINAR ON THE ROLE OF STATISTICS IN ECONOMIC AND SOCIAL PLANNING FOR DEVELOPMENT IN INDIA

29.06.2022

The Department of Economics conducted a seminar on “*The Role of Statistics in Economic and Social Planning for Development in India*” on 29.06.2022 in virtual Room. The Programme started at 10.30 AM with the welcoming address by Dr. B. Nainadevi. The dignitaries on the dias were Dr. G. Shyamu, Assistant Professor of Economics, Dr. B. Ramesh, IQAC coordinator, Dr. Kumaraswamy, District Statistical officer, Hanumakonda.

This seminar was organized to celebrate the Birth Anniversary of P.C Mahalonobis as *National Statistical Day* and also commemorate his services in the field of Statistics. The Resource person *Dr. Kumaraswamy*, District Statistical Officer explained that the success of a policy mainly depends on its objectives, strategic plans, execution and Monitoring & implementation mechanism, this is exactly the point at which the role of statistics becomes a crucial. He also explained the origin of Indian Statistical Institute and its role in economic development of India.

The Resource person *Dr. Kumaraswamy*, District Statistical Officer explaining the role of statistics for economic development on 29-06-2022

The IQAC coordinator *Dr. B. Ramesh* explained that not only in the field of Social sciences but Statistics has made much impact on Natural and Physical Sciences and is of immense use in these also. He highlighted the role of statistics in the field of Health to understand the causes and effects of diseases and risk factors for communities. By quoting Covid-19, He mentioned the importance of scientific data, sharing of data and publications to combat the diseases. He stressed the importance of statistics in the field of public health and social development.

The in charge of the department *Dr. G. Shyamu* explained that Dr. Mahalanobis set up the Statistical laboratory in the Presidency College in 1931; the Indian Statistical institute was founded as a learned society and housed in the Statistical Laboratory. He gave several examples of rural development statistics and explained how these statistics are helpful in framing policies.

Dr. B. Nainadevi Assistant Professor of Economics, emphasized the role and importance of sample survey in India. She explained that National Sample survey Organization (NSSO) has been conducting Socio – Economic surveys on a regular basis since 1951. These surveys are very much useful in the assessment of socio

economic status of the country, employment, Income levels and other parameters like health, education, sanitation etc.

She further explained the role of population census in economic development. She also explained the various facets of Census. The population census includes statistics on demographic characteristic, housing, infrastructure facilities, occupational details, income and employment status, literacy level etc. She mentioned the uses of these details in economic planning.

Finally vote of thanks was proposed by S. Kamalakar Assistant Professor of Political Science. The students and faculty members were present in the seminar and gained knowledge.

Date of event :	11-04-2022
Time duration -	10.00 AM to 02.00 PM
Aim of the Event :	This Workshop was conducted on “Jyothibha Phule and Savitri Bhai Phule’s contribution towards women’s education” with an aim to

	<p>make students to enlighten about their contribution for women education and social reformer. The main aim of the seminar is to make aware the students the great service by Savitri Bhai Phule to spread of education among weaker sections especially girls. At the age of 17 Savitri opened schools along with her husband in 1848. It was the first institution by Indians to open schools for women's education.</p>
<p>Event Report in brief :</p>	<p>Prerequisite: The students who are pursuing their education in Government Degree College are from socially and economically backward classes. These days many girls are coming forward to pursue higher education. There are many reformers especially persons like Savitri Bhai Phule, Jyothirao Phule are behind the development of education for girls. Saitri Bhai Phule was the first female teacher, a modern feminist, and a social reformer of India.</p> <p>.Content : One day workshop is organized by the Department of History, KGC, Hanamkonda.The speaker of this topic is Dr. B. Kumaraswamy is an experienced faculty.</p> <p>Jyothirao Govendrao Phule (11April, 1827to 28 November 1890) was an Indian social activist, thinker, anti caste social reformer and writer from Maharastra.His works extended to many fields, including eradication of untouchability and the caste</p>

	<p>system and for his effort in educating women and oppressed caste people.</p> <p>Savitri Bhai Phule birth anniversary is a significant day for all women, who are being educated in this generation as the fire was started by Savitri Bhai Phule. The support from her husband led her to read, write and establish India.</p>
Student's Feedback:	<p>In this workshop the students were informed about the life history of Jyothirao Phule and Savitri Bhai Phule. Students were informed how the Phule's Couples focused on the rights of depressed groups and stood for women well-being, happiness, unity, equality, and easy religious principles and rituals. They started schools for children from the then untouchable castes. The main motive of both Jyothirao Phule and Savitri Bhai Phule was understand by our students that education was the only medium for empowering the depressed class women to stand out equally with the rest of the society. Many of the girls students identified themselves with Savitri Bhai Phule.</p>

Brief report on WEBINAR on "Maxwell's equations –A Mathematical Approach".
Resource Person: D.Venkanna., Asst.Prof of Mathematics, Date: 15.06.2021

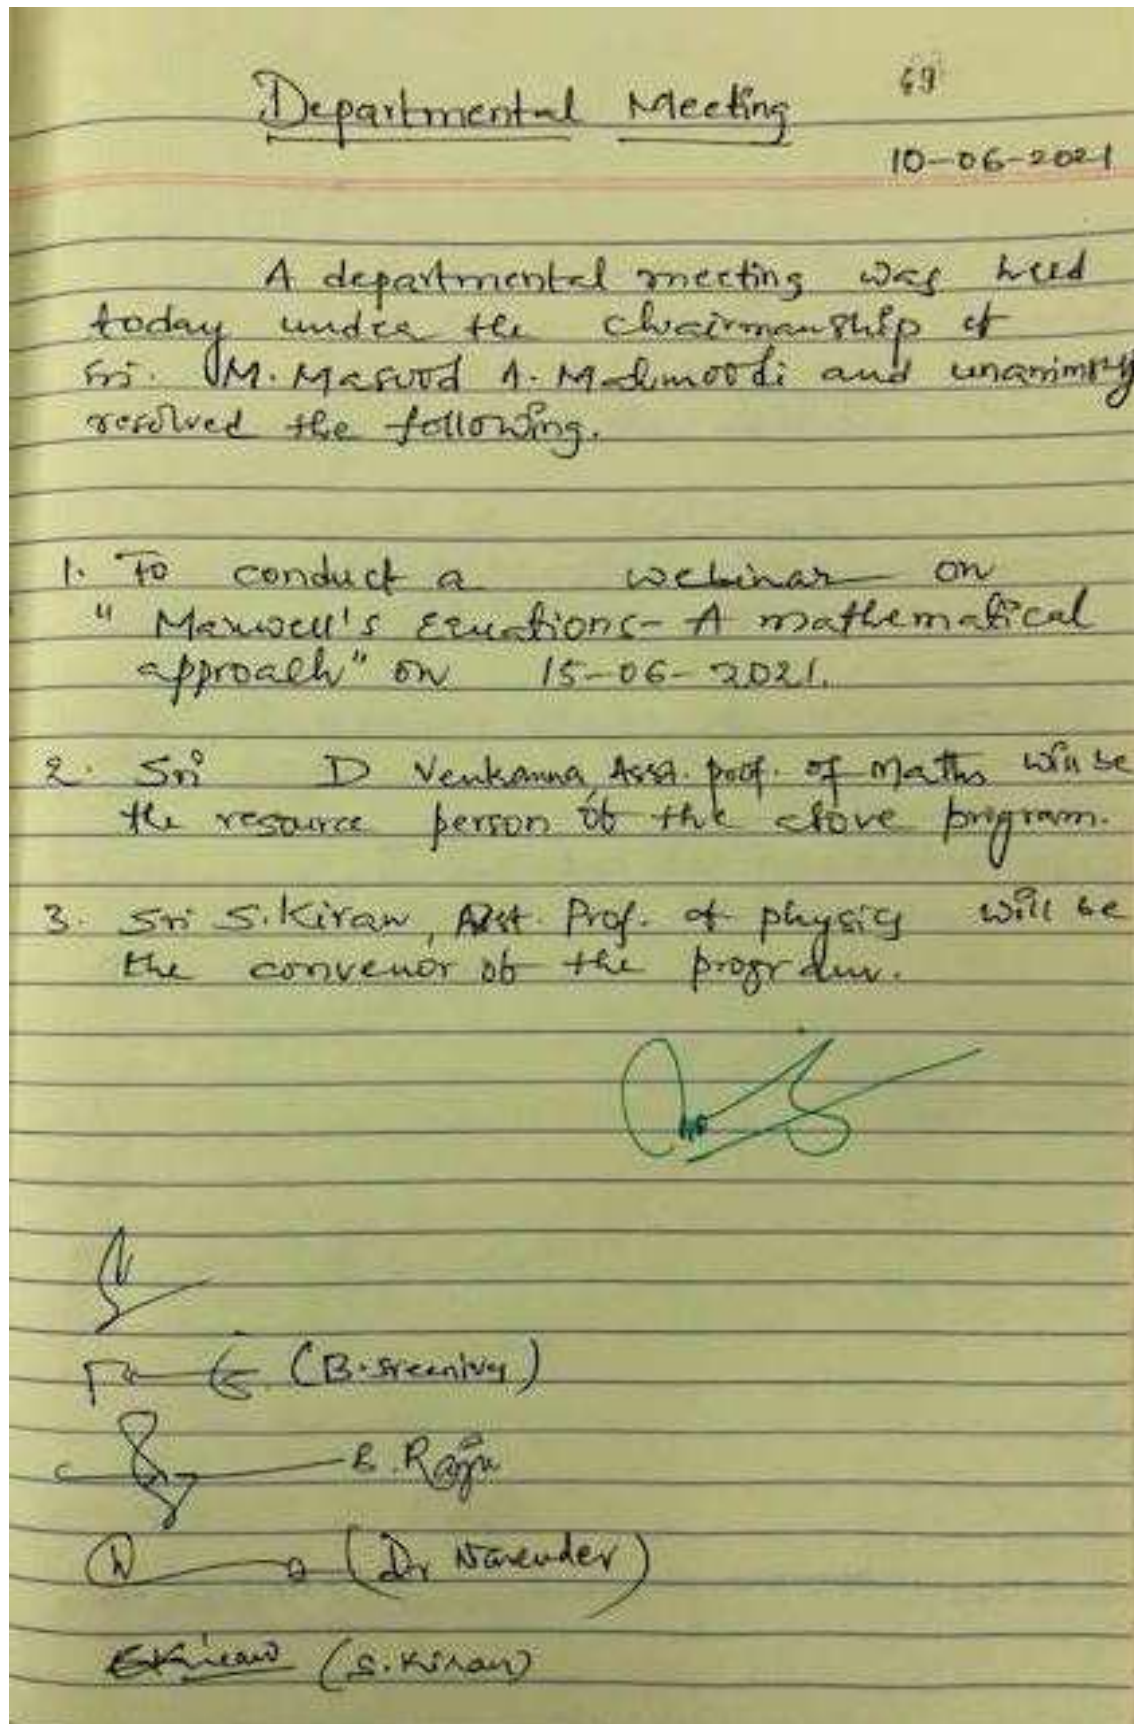

With a motto of inducing interest in Physics subject, Department of Physics organized a webinar on 15.06.2021 through ZOOM entitled "Maxwell's equations –A Mathematical Approach".

Mr.D.Venkanna, Asst. Professor of Mathematics, was the resource person. Around 45 students of B.Sc - final year participated in the programme. The speaker beautifully explained the Maxwell's equations and its applications with the help of animations and other ICT tools in the context of Mathematical approach.

Students were all praise for the simple, smooth and lucid approach of the concept of Maxwell's equations and its applications. At the end of the programme, the doubts raised by the participants were clarified by the speaker.

Dr.B.Prabhakar Asst. Professor of Mathematics was the resource person. Around 52 students of B.Sc - Second year participated in the programme. The speaker explained in a lucid manner the concept of vectors and its applications in Physics with appropriate mathematical models

Students benefitted a lot from the easy approach explanation by the speaker.

At the end of the programme, the students were given a chance to get their doubts clarified by the speaker.

Student's participation in Seminar conducted by Physics department on 03-12-2021

A Brief Report on the Seminar

A seminar on **Special Theory of Relativity** is organized by the Department of Physics, on 03.12.2021. Resource Person of the seminar: D.Anantharama Krishna, Principal of Government Junior College, Dharmaram. Dist: Peddapally, and Enaadu daily News paper Columnist .About 117 students from B.Sc., attended the seminar.

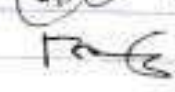

D. Anatha Ramakrishna delivered a lucid lecture to the spell-bound student community. The students expressed their opinion in the end. The doubts of the students were clarified by the speaker.

The department of physics organised an extension on "Today, i.e., 3/12/2021". Dr. Anantha Rama Krishna, principal, GJC, Dharmavaram, Peddapalli district delivered the talk. The principal presided over the inaugural session. Dr. B. Ramesh, Asst. prof. of chemistry and incharge department of chemistry was the guest of honour.

Dr. Anantha Rama Krishna delivered a lucid lecture to the spell-bound student community. The students expressed their opinion in the end. The doubts of the students were very beautifully clarified by the speaker.

A SEMINAR ON INTEGRAL TRANSFORMS – APPLICATIONS IN PHYSICS

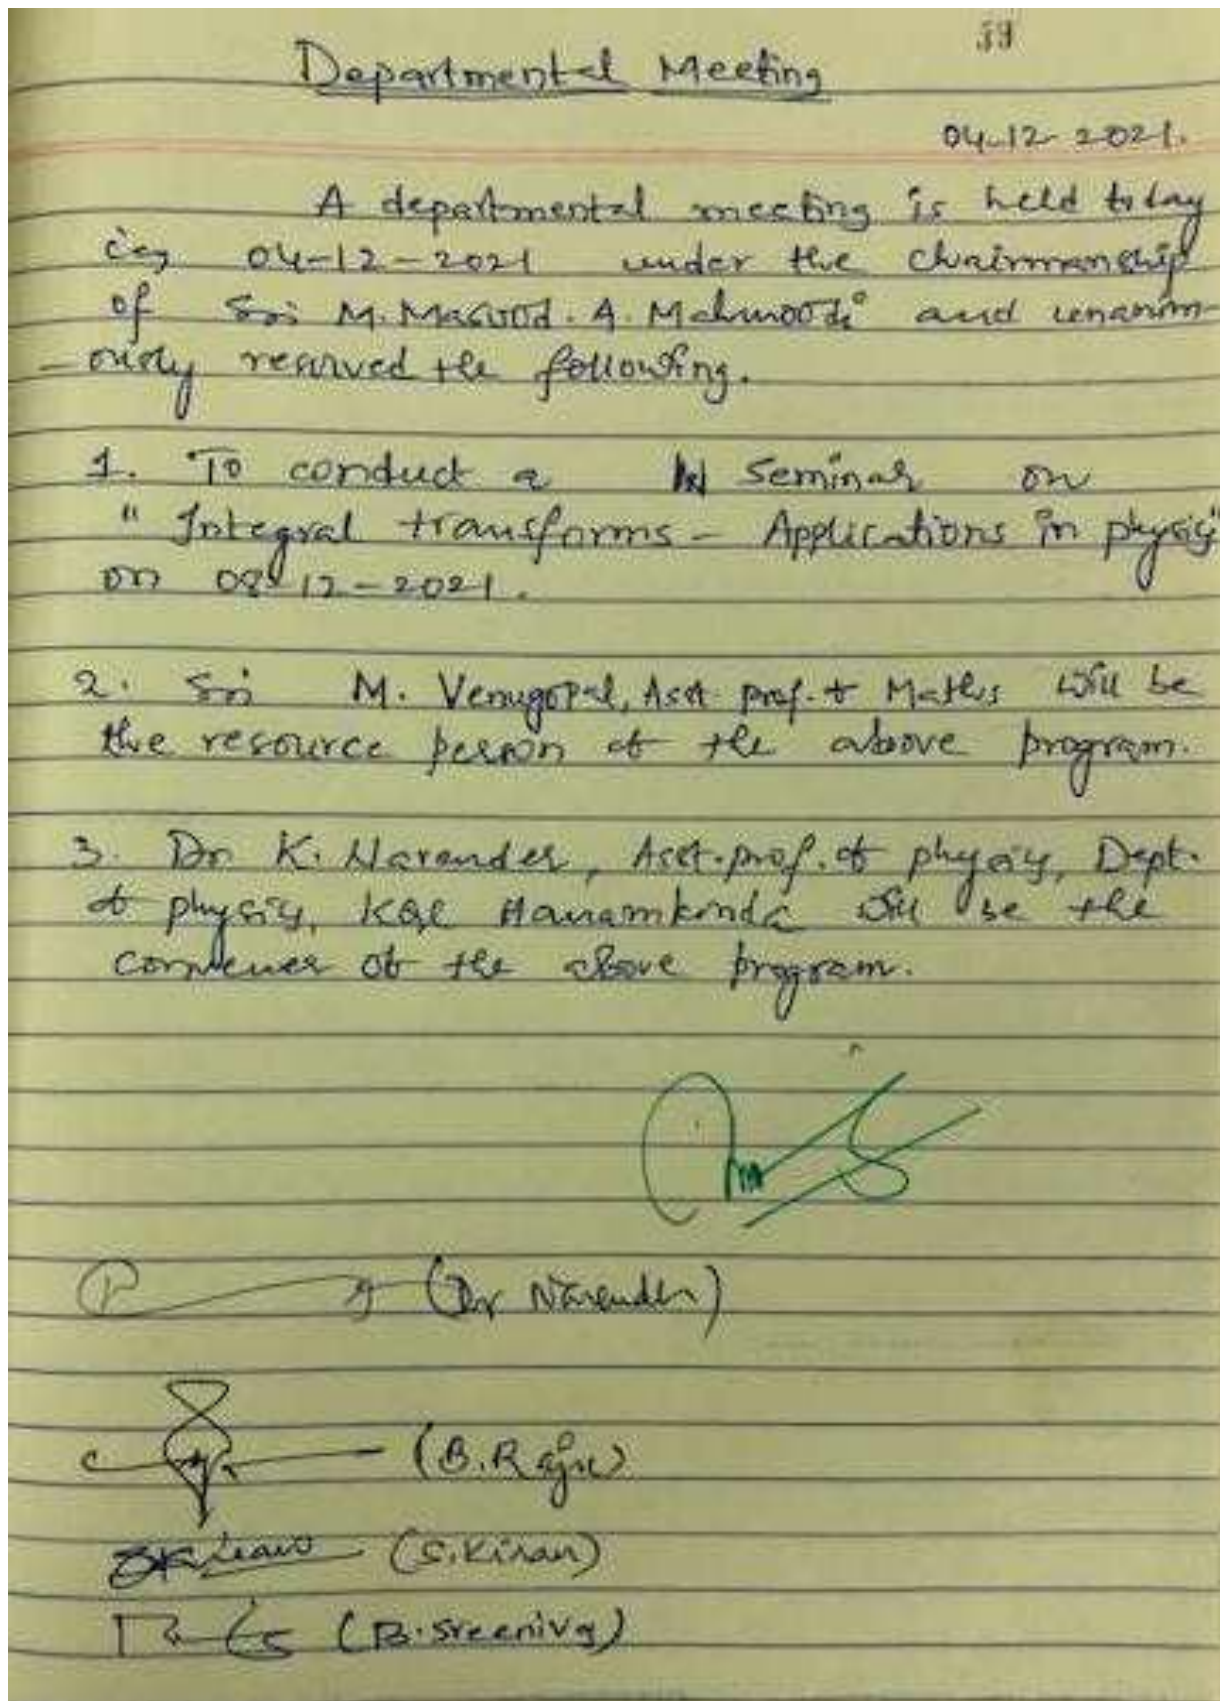

Date: 08.12.2021

A seminar on Integral transforms –Applications in Physics was conducted by the Department of Physics, M.Venugopal. Asst. Prof of Mathematics has given the talk on Integral Transforms – Applications in Physics, on 08.12.2021. Resource person has delivered the lecture with more no. of applications in Physics of integral transformations. The students expressed their satisfaction after the seminar

Resource Person: M. Venugopal, Assistant Professor of Mathematics

Departmental Meeting

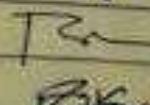

08.11.2021

A departmental meeting is held today i.e. 08.11.2021 under the chairmanship of Mr. M. A. Ahmed M. M. in-charge, Department of Physics, and unanimously adopted the following

1. To arrange a seminar on 'Gauss' Divergence Theorem with different approaches' on 12.11.2021.
2. To invite S. D. Venkatesh, Asst. Prof. of Maths RGC Hanamkonda, as resource person.
3. Sri S. Krishna, Asst. Prof. of Physics RGC HNRK will be the convener of the above programme.

A Brief report on Seminar

A seminar on **Gauss' divergence Theorem – Different Approaches** is organized by the Department of Physics, on **12.11.2021**. Resource Person of the seminar: D.Venkanna, Asst. Prof .of Mathematics.

Resource person has delivered the lecture with different approaches while deriving the Gauss Divergence Theorem. The students expressed their satisfaction after the seminar.

Seminar on Electronics on 10.02.2022
Resource Person: B.Sreenivas Goud, Asst Prof of Physics, ABV GDC Janagaon

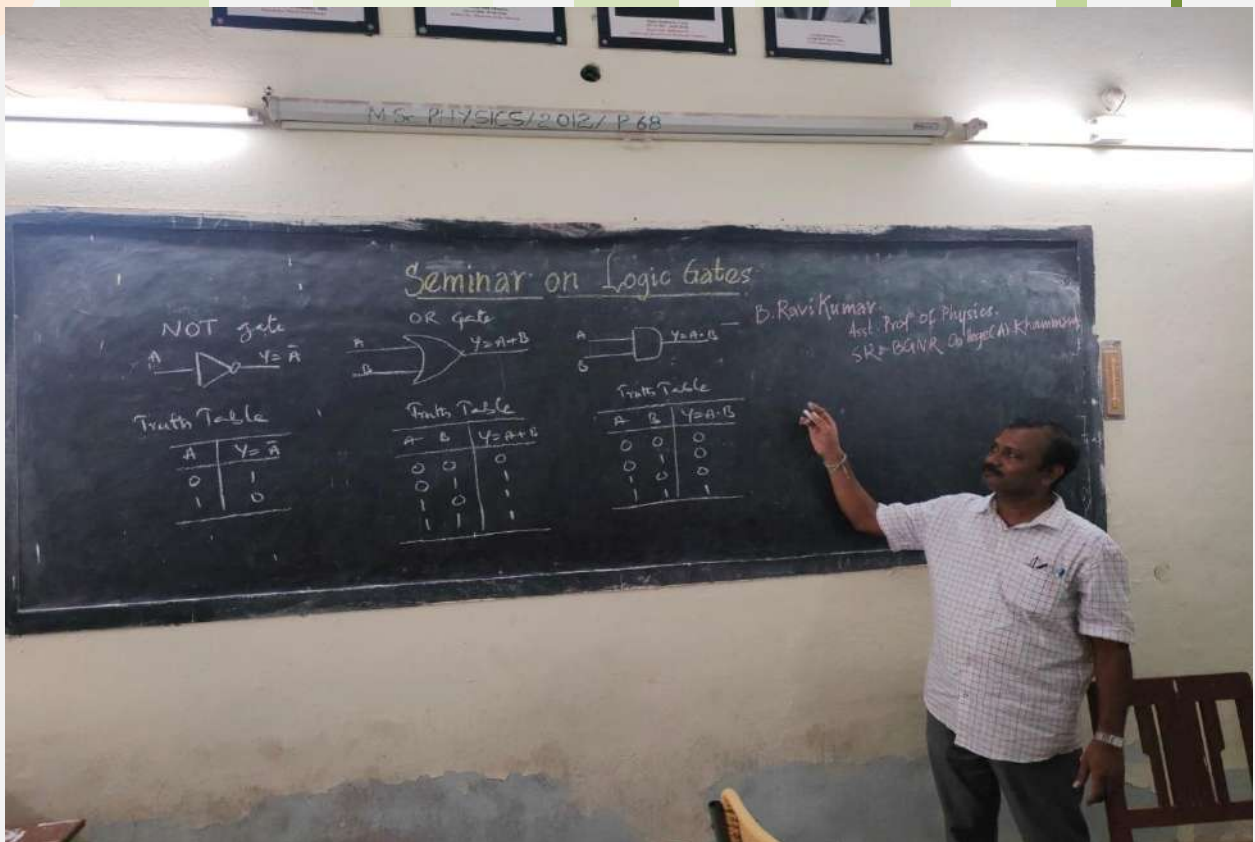

Department of Physics, Kakatiya Government College, Hanumakonda has organized a seminar on Electronics on **10.02.2022**. B.Sreenivas Goud, Asst Prof of Physics of ABV GDC Janagaon has given a talk on Electronics; B.Sc (Physical sciences) final year students have participated, after the Seminar all the students have interacted with resource person and get clarifications of their doubts.

Seminar on Logic Gates on 08.03.2022

**Resource Person: B.Ravi kumar, Asst. Prof. of Physics,
SR & BGNR Dgree and PG College, Khammam**

Department of Physics, Kakatiya Government College, Hanumakonda has organized a seminar on Electronics on **08.03.2022**. B.Ravikumar, Asst Prof of Physics of SR&BGNR GDC Khammam has given a talk on Logic gates; B.Sc (Physical sciences) final year students have participated, after the Seminar all the students have interacted with resource person and get clarifications of their doubts.

M.Masood A Mahmoodi, HoD Dept of Physics , appreciating B.Ravikumar, Asst Prof of Physics, for his lucid seminar talk on Logic gates for the final year students

Seminar on Concepts of Research Methodology in Basic Sciences on 25.03.2022
Resource Person: B.Sreenivas Goud, Asst. Prof. of Physics,
ABV GDC, Janagaon

Welcome note by Dr.K.Narender, Asst.Prof of Physics

Introductory note by M.Masood A Mahmoodi, HoD, Dept.of Physics

Dr. B. Ramesh, IQAC Coordinator, addressing the seminar

Seminar talk by B. Sreenivas Goud on Concepts of Research Methodology in Basic Sciences

ONE DAY WORK SHOP ON RECTIFIERS DESIGN:

To inculcate awareness among the students of final year on the design of rectifier circuits, Department of Physics has organized one day workshop on rectifiers design on 06.04.2022.

Dr. K.Rathnaiah, Asst Prof of Physics, has rendered his services as resource person for this workshop and the faculty of the department has involved in helping to the students in the soldering and designing of the circuits

Dr.K.Rathnaiah, explaining the concepts and procedures of design of rectifiers

Students involved in the design of circuits

Dr.K.Narender explaining the design of circuits

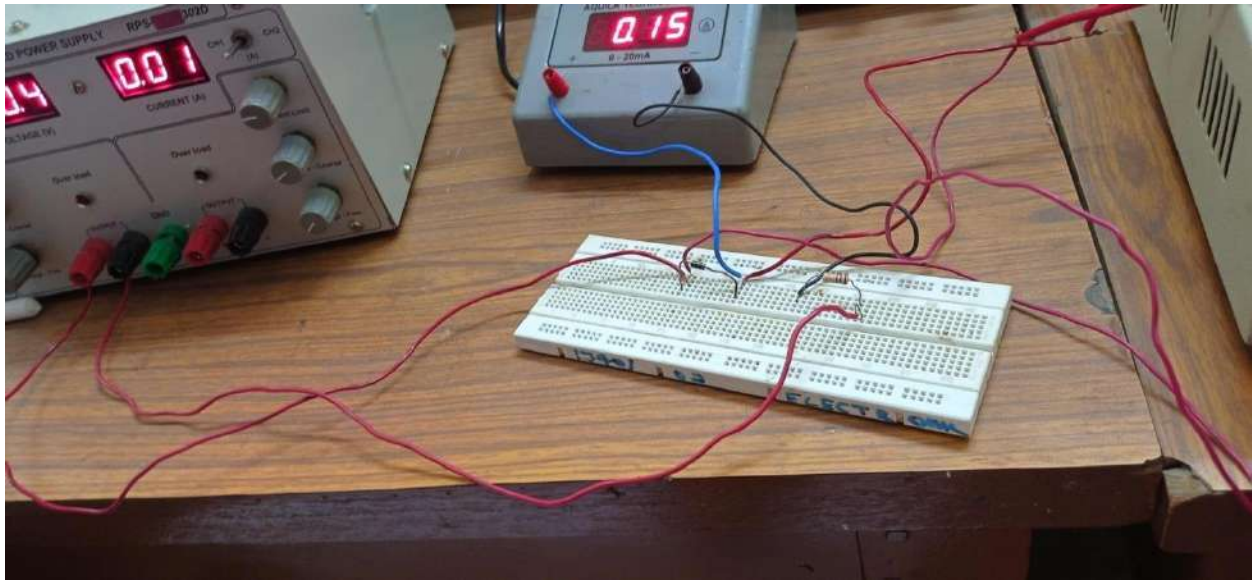

M.Masood A Mahmoodi, involved in the fabrication of circuits

S.Kiran, assisting students in the fabrication of circuits
