7.1.3 Management of Degradable and non-degradable waste

Any other relevant information

Degradable and Non-degradable waste management

Our institution has a well established system for solid waste management, liquid waste management and e-waste management. It has entered into an MOU with the Greater Warangal Municipal Corporation. NSS, NCC, students, teachers and sub-staff are well aware of the waste management and work together under the supervision and cooperation of the Principal. About 300 volunteers of 3 NSS and 200 volunteers of 2 NCC Units take care of the cleanliness of the campus. Solid waste management: The faculty and the teachers of the college under the banner 'Swachh Bharat' take up the work of solid waste management much to the hygienic atmosphere in the college campus. Liquid Waste Management: Water is used without any wastage. There is proper drainage system and the waste water is diverted to botanical garden and other plants. The chemical wastage from the laboratories is first neutralized before disposal. The biochemical and gels are disposed based on the standard protocol to ensure safety of the surroundings. E-waste Management: Our institution has an MoU with a Govt. Enterprise known as TSTS under the aegis of the CCE, Telangana, to deal with the e-waste and the disposal of the wastage is carried out in our institution on regular basis.
