PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION
Telangana State, Hyderabad
Present: Sri. Navin Mittal, I.A.S.

Sub: Collegiate Education- Jignasa - Student Study Projects, 2019- Participation of students in Group Study Projects in all GDCs – Instructions - reg.

Teacher centric learning has been replaced by student centric learning. Research indicates that students are more likely to retain the knowledge gained through project based learning than the traditional textbook-centred learning. To invigorate the learning environment in Government Degree Colleges, the Commissionerate of Collegiate Education has initiated **Jignasa-Student Study Projects in all Government Degree Colleges**. Owing to the positive response from students and teaching faculty, the Commissionerate of Collegiate Education intends to conduct **Jignasa – Student Study Projects** for the academic year 2019-20.

In this regard, the Principals of all the Government Degree Colleges in the State of Telangana are informed to follow the guidelines given below:

1. The Principals are informed to instruct the teaching faculty to motivate and encourage the students and ensure that they participate and work as a group on a study project. **Each group shall comprise of 5 to 6 students, a group less than 5 members shall be treated as disqualified. Each student shall be assigned only one project in a specific subject.** The topic of the study project shall be original, unpublished, relevant to the present time and must create inquisitiveness to explore real world problems.
2. The teaching faculty must be instructed to identify students to work as a team on the selected topic. These students should have the qualities of academic interest, inquisitiveness, creative talents and urge for prospective research. The faculty must encourage active participation from students and supervise the progress of their work.

3. The study projects may be prepared in **15** subjects mentioned below:

4. A subject wise committee shall to be formulated at the College level to decide and select the topics for student study projects. A **JIGNASA awareness week** is to be conducted in every college by all the faculty members with students. During the course of interaction, faculty members would explain the probable topics, methods to undertake projects and procedures to be followed to complete the project such as obtaining Primary and Secondary Sources of data by using methods like questionnaire, survey, interview, case study methods, etc.

5. The teaching faculty shall be informed to encourage active participation from students, identify a challenging topic, mentor and supervise the progress of the study project till completion. As each research project is unique and each discipline has its own requirements and limitations, the faculty members shall guide the students to strictly adhere to the prescribed format to document the research work. The study projects must include key components in the research proposal like:

- **A description of the research problem.**
- **An argument as to why the problem is important.**

- **A review of Literature relevant to the research problem.**
 - **A description of the proposed research methodology.**
 - **A description of how the research findings will be used and disseminated.**
6. A uniform format may be incorporated for the study projects as mentioned below:
- Title
 - Statement of the problem or hypothesis
 - Aims and Objectives
 - Review of Literature
 - Research Methodology - which deals with study settings, sampling, study methods (examination or investigation), Data Collection (obtaining primary sources and secondary sources using techniques like questionnaire, survey, interview, case study etc)
 - Analysis of Data
