Circular on systematic parking

CIRCULAR

Date: 01-10-2021

It is found that the two wheeler and four wheeler vehicles are seen to have been parked without any order creating chaos and disorder spoiling the academic ambience and this also creating problems for the students and the staff.

All the staff and students are here by informed to park their vehicles at the places meant for them. It is also informed that no vehicles of the outsiders are allowed. The owners of the vehicles that are found to be parked at wrong places will be penalized.

Circular on pollution free campus

CIRCULAR

Date: 16-09-2021

All the students and the staff are hereby advised to follow environmental friendly ways to keep the campus clean and pollution-free. In this connection, all are instructed to use bicycles on campus. The staff are requested to spread the message among the students and encourage them to use the by cycles widely. They may be encouraged to adopt the systems like BIKE Pooling and Car Pooling for reaching the college thus saving money and energy resources.
