About JKC

Jawahar Knowledge Centre (JKC) project was introduced by Collegiate Education with the support of the Government in 2005-06 to help students learn and practice employability skills and is a dependable solution to the problem of unemployment faced by students studying non-professional courses in Government Degree Colleges.

Objectives:

- Design curriculum integrally related to the needs of the job industry.
- Ensure all students' and stakeholders' needs are understood, focus on problematic areas like "voice based efficiency" and "accent with minimum mother tongue influence" to provide a sustainable solution to the demands of the placement generating companies.
- Generate modules tailored to the learner's level of proficiency, lesson plans and study material by utilizing the expertise of faculty in GDCs who were trained by ELF Master Trainers from the US and Infosys.
- The student on completion of training should comfortably and confidently use employability skills in a variety of social and business situations.
- Improve their learning outcome.
- Expand Training package to include courses that are in demand and promise 100% Placement opportunity like TALLY, MS Excel, Networking, Hardware etc.

Plan of Action:

1. Students in JKC's of Degree Colleges will be divided into two groups taking their future outlook/plans into consideration.
 - a) Students interested in pursuing higher studies after graduation and opt JKC training to obtain skills & Personality development.
 - b) Students requiring JKC training for immediate employment
2. Select a team to identify local job opportunities and make a list of local companies' organizations that can provide jobs/ internship programmes.
3. Evolve a consistent and reliable evaluation system with evaluating indicators and Evaluators to conduct periodical evaluation of performance of students undergoing training and maintain Performance Report Cards.
 - Complete 3day training in specific job skills
 - On the job training / internship programme
 - Placement Assistance

TSKC from 2016 onwards:

ABOUT TSKC:

The ever increasing prominence of India on the global map has led to a growing demand for hard working and talented students with good communication skills, computer skilled and industry related skills. The doors of global job market are opened to students who can speak fluently, compute quickly, write legibly and analyse logically. The conventional curriculum offered through B.A., B.Com and B.sc., courses does not impart requisite skills relevant for dynamic job market especially that of emerging industries like Software and BPO. The Department left the need to offer training to bridge the skill deficit of students and to enable them seize employment opportunities in job market.

After the formation of new state of Telangana, the programme is being followed with a fresh vigour. These JKC Centers now being called Telangana Skills & Knowledge Centers have expanded their scope and competencies. Based on the direction of Hon'ble Chief Minister few more programmes have been introduced to transform Education into a vehicle of change and adaptability of the students' prerequisite skill sets. The number of TSKC laboratories is increased to 85 with the introduction of 20 new TSKCs laboratories in this year. Introduction of Online courses, 5 Certificate courses are the programs taken up from TSKCs plat form during 2015-16.

To encourage the students in all the GDCs, the CCE has initiated the training program, a mandate course to be transacted in 3 years for all the students from the academic year 2016-17 with 2 credits. The curriculum has to be transacted to all

students @ of two periods per week and the students have to work on assignments given.

In view of the initiative of the CCE, the TSKC curriculum is redesigned in such a way that the student entering into the GDC shall be able to compete for an opportunity in the growing market. And the curriculum also encourages students as not only job seekers but also entrepreneurs to plan for start ups.

The hours (02) allotted for each course in a week will have to be shared by the teachers of the course along with the FTMs in the curriculum transaction in the following way.

The skills are imparted through Telangana Skill Knowledge Centre (TSKC, earlier known as JKC) in Government Degree Colleges to help students learn and practice employability skills. These centres aim to provide solution to the problem of unemployment faced by students studying non-professional courses in Government Degree College. In the new state government has revamped the skill centres to extend activities such as Spoken Tutorial, C2C and Certificate Course.

OBJECTIVES:

- To impart requisite skills relevant for dynamic job market and to enable students to seize employment opportunities.
- To provide latest technologies to the students from poor and marginalized sections of the society and to encourage them to compete with their counter urban counterparts.
- To enable students climb the ladder of success by providing world class infrastructure and experienced faculty.
- To help students realize their potential and aim high in life and to motivate students to be creative, independent and self-reliant.
- To provide SC and ST students with adequate knowledge and employability skills.
- To conduct job fairs & campus recruitment drives and to facilitate of students trained in TSKCs.

KAKATIYA GOVERNMENT COLLEGE HANUMAKONDA (DIST)

TSKC ACTIVITIES

Telangana Skills & Knowledge Centre of Kakatiya Govt. College, Hanumakonda, Hanumakonda (dist) has conducted following activities :

The Telangana Skills Knowledge Centre (TSKC) was established in the year 2007 in our college. Since then it is making rapid strides in imparting training in industry oriented skills and providing placement drives to the students of our college in particular and students of Earstwhile Warangal District in general.

The concept in establishing of TSKC's in colleges in the state is to enhance the employment potentials of the young graduates imparting communication skills, soft skills & Computer Oriented skills, Tally Finance & Accounting. Promote self confidence among them and helps them secure employment on their own with professional zeal.

This TSKC is a NODAL TSKC, which has been serving as liaison centre among other TSKC'S in the district in addition to the services rendered at our college level.

The thrust in the TSKC Programme is on promoting skills for employability, viz., communication skills in English, Soft skills, Aptitude, Reasoning, basic computer knowledge etc.

- ✓ TSKC Lab was ready for utilization from May 2008.
- ✓ The Lab was spared for the General and Tally Trainees since 2008.
- ✓ The Lab was spared also for the Training Programme viz., Principals and Lecturers from Junior Colleges of Earstwhile Warangal District.
- ✓ All most all the work pertaining to the EBC Scholarships was carried on in the TSKC Lab from February 2009 onwards.
- ✓ The trainees of various batches were extended the Inter Net facility for online Registration to attend the placement drives organized by TSKC.
- ✓ One of the important achievements is Successful conduct of On-line exam.

PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION
Government of Telangana: Hyderabad
Present: Sri.Navin Mittal IAS

Re.No.I/Acad. Cell/TSKC/2017-18

Dated: 03.03.2018

Sub: Collegiate Education- Telangana Skills & Knowledge Centres, 2018- –Short term
(2/3) Training- Spoken/Written Skills-Career Guidance-
Ref: NF.No.1/Capacity Building/TSKC Budget/2017-18

All the Principals are hereby informed that Telangana Skills & Knowledge Centres have expanded their scope and competencies by involving the entire teaching faculty and reaching students of all the three years. Jignasa and Yuvatarangam events have witnessed the talent of students of Govt. Degree Colleges.

Some of the GDCs are conducting Special Programmes in the TSKCs apart from the regular training and guidance. Few colleges are conducting placement drives in their college campuses by inviting companies and standing ahead of the other colleges.

To strengthen the programme, the Principals are hereby informed to conduct 2/3 day intensive training programme for the II & IV Semester students in batches (of 100 to 200 students) during 05.03.2018 to 25.03.2018 on **Presentation Skills, Career Guidance, and Knowledge about Online Educational Resources (OER), Preparation of Resume, Interview Skills** by inviting experts in the mentioned areas. Hence the Principals are informed to prepare the training programme chart as per the strength and send the report after the conduct of the programme.

The budget allocation is done from the HoA 2202-03-103-00-46-130-132 to meet the expenditure as follows for conducting the training programme-

S.No.	Nature of Expenditure	Proposed amount (in Rupees) Upto 200 students
1	Remuneration for Resource Person	Rs.1000/- per person
2	Refreshments	Rs.2000/ per training programme
3	Hand outs to students	Rs.1500/-
4	Miscellaneous	Rs.500/-
Total (per programme)		Rs.5000/-

Dear Student,

Greetings from TASK - i4TS - Mandi.

i4TS (Innovation for Telangana State) Concept was initiated by TASK under the key mission of Entrepreneurships, and its inception i4TS exploring Social Entrepreneurial Mindset Development in the Telangana State.

We have introduced a unique concept "**Angadi**" A field marketing event in the state as a tribute to Bharat Ratna Shri Mokshagundam Visvesvaraya's birth anniversary on 15th September 2021, and closing on Mahatma Gandhi birth anniversary.

Why this program?

With a motto to develop an entrepreneurial mindset, and enterprise development among graduating students and youth of Telangana.

How of this program?

Each of the young graduating students will assign to engage to sell engineering merchandise with the sole objective of developing enterprising among themselves. Each of the students will be distributed with a value of one engineering merchandise.

What will be done POST to the field experiment?

Post to the field experiment, students will be made to reflect on their field experience so as to reconfigure the field learnings. Experience sharing, learning possibilities. Students may be asked to make presentations, videos of their experiences. Learning presentations will be appreciated and provided with certificates or prizes.

How the Program will work out?

TASK Will procure the engineering merchandise in bulk & fixes a price to the profit to the student and distributed it to the CMs/RMs as per their targets and handover to the colleges to sell to their students.

After completion of the selling, students will be asked to fill a questionnaire based on the learning outcomes.

The purchase amount will be collected back from the colleges and handover to the TASK.

Based on the learning outcomes, the responses will be evaluated and awarded by TASK.

Edibility Criteria:

Youth between 18-25 years (Engineering/Degree/Diploma) belonging to Telangana State.

Extension talk on Physical fitness – Oct.2021

KAKATIYA GOVERNMENT COLLEGE, HANAMKONDA, WARANGAL DIST.

Program Category : Capacity building and Skill Enhancement

SCHEDULE : 02.02.2021

ORGANISED BY: Department of Physical Education

ENROLMENT: 350 Students

OBJECTIVE OF THE PROGRAM :

Creating an integral approach of physical fitness to common ailments.

Executive Summary

Backdrop of the concept

WHO defines physical activity as any bodily movement produced by skeletal muscles that requires energy expenditure. Physical activity refers to all movement including during leisure time, for transport to get to and from places, or as part of a person's work. Both moderate- and vigorous-intensity physical activity improve health.

Popular ways to be active include walking, cycling, wheeling, sports, active recreation and play, and can be done at any level of skill and for enjoyment by everybody.

Regular physical activity is proven to help prevent and manage non communicable diseases such as heart disease, stroke, diabetes and several cancers. It also helps prevent hypertension, maintain healthy body weight and can improve mental health, quality of life and well-being.

A special gathering held on 02.02.2021 regard to Extension talk on Physical fitness undertaken by the department of physical Education targeting both faculty and students.

Dr. J.Somanna Physical Director chaired this session. . DR.P. Indira Devi. Principal, Dr.E.Rambhaskar Raju, IQAC COORDINATOR addressed the gathering and highlighted the importance of physical fitness in human life.

Dr. J.Somanna program convenor, Dr M. Rambabu , NSS program officer delivered an extensive talk on the concept.

The following concepts extensively covered in this talk both theoretical and practical aspects

1. Muscular Strength

This is the “power” that helps you to lift and carry heavy objects. Without muscular strength, your body would be weak and unable to keep up with the demands placed upon it. The way to increase strength is to train with heavy weights, working in the 4 – 6 or 12 – 15 rep ranges. The heavier the weight, the fewer reps you should perform.

2. Muscular Endurance

Endurance is the ability of your muscles to perform contractions for extended periods of time. Rather than just lifting or carrying something for a few seconds, the muscles are used for minutes. The way to increase strength is to train with light weights, working in the 20 – 25 rep range. Working with lighter weight will train the muscle fibers needed for muscular endurance, and the higher rep range leads to a longer period of exercise.

3. Cardiovascular Endurance

Cardiovascular endurance is your body’s ability to keep up with exercise like running, jogging, swimming, cycling, and anything that forces your cardiovascular system (lungs, heart, blood vessels) to work for extended periods of time. Together, the heart and lungs fuel your body with the oxygen needed by your muscles, ensuring that they have the oxygen needed for the work they are doing. The Cooper Run (running as far as possible in 12 minutes) is a test commonly used to assess cardiovascular endurance, but many trainers use the Step Test (stepping onto a platform for 5 minutes). Both are accurate measures of a subject’s cardiovascular endurance.

4. Flexibility

Flexibility is one of the most important, yet often overlooked, components of physical fitness. Without flexibility, the muscles and joints would grow stiff and movement would be limited. Flexibility training ensures that your body can move through its entire range of motion without pain or stiffness. To test your flexibility, lean forward and try to touch your toes. Those with good flexibility will usually be able to touch their toes, while those with limited flexibility will not. The sit and reach test (sitting on the floor and reaching toward your toes) is another good way to assess your flexibility. The more flexible you are, the closer you will come to touching your toes and beyond.

5. Body Fat Composition

Body fat composition refers to the amount of fat on your body. For example, a 100-pound person with a 25% body fat composition will have a lean body mass of 75 pounds.

To qualify as fit:

- Men must have a body fat composition lower than 17 percent
- Women must have a body fat composition lower than 24 percent

The average man tends to have about 18 to 24 percent body fat, while the average woman has 25 to 31 percent body fat.

College faculty and 350 students attended this session .

Executive Summary

Backdrop of the concept

The Institute of Company Secretaries of India (ICSI) is the only recognized professional body in India to develop and regulate the profession of Company Secretaries in India. It is a premier national professional body set up under an act of Parliament, the Company Secretaries Act, 1980. ICSI functions under the jurisdiction of the Ministry of Corporate Affairs, Government of India. The Institute provides top-quality education to the students of Company Secretaries (CS) Course and best quality set standards to CS Members. At present, there are more than 65,000 members and around 2.5 Lakhs students on the roll of ICSI.

Constituted under an Act of Parliament, which is the company secretaries act, 1980, the Institute of Company Secretaries of India is a national professional body which regulates and develops the profession of company secretaries of the country.

The functions of the Institute of Company Secretaries of India are administered by the Ministry of Corporate Affairs of the government of India. The certificate of bestowing the designation of Company secretary is awarded by the ICSI to a candidate who qualifies for the membership of the institute.

The institute of company secretaries of India or ICSI is managed by a council of fifteen elected members and five nominees of the central government. The ICSI works with a vision of becoming a global leader in promoting good corporate governance.

The mission of the Institute of company secretaries of India is to develop qualified professionals with high calibre to ensure good corporate governance. With this mission, the ICSI has its headquarters at the New Delhi office. Apart from the head office, the institute of company secretaries of India or ICSI also has regional councils in the cities like Chennai, Kolkata, Mumbai and New Delhi. It also has a nationwide network with an overseas presence in the USA and Dubai.
