Accessing the vast number of library books is facilitated by the use of SOUL software developed by INFLIBNET.

4. The Practice

- Conducts user awareness programmes to students for effective use of library resources such as Books and periodicals and question papers of previous examinations.
- Provides reference Services for project works, Assignments, Eloquution, Quiz, Essay writing competitions at various levels to participating library readers.
To guide and advise the UG students to pursue PG courses and appear for various competitive exams for employment in Government and Private sectors.

5. Evidence of Success

- Number of users visiting this library improved by open access Library management.
- Every year students are getting Post Graduation admission in Central and State Universities, Competitive Examinations. The Commissioner of Collegiate Education has applauded our best practice and stated that it stands as model to the rest of the colleges in the state.
- Library Timings also enhanced from 3:30 pm to 5:00 pm (actual timings 9:00 pm to 3:30 pm).
- Compilation of paper clippings of various activities /events /programmes /seminars organized and conducted by several departments of this college. Achievements in various competitions at different levels are also being documented systematically date-wise, page-wise etc.,

6. Problems Encountered and Resources Required

Human Resources – Staff Technical

7. Responsible:

Mr. A. Durga Prasad, Asst. Prof. of Library Science
Library Committee Members & Faculty
Dept. of Library Science, GDC (A) Siddipet.

BEST PRACTICE – 2:

1. Title of the Practice:

Improvement in the participation of students in academic and extra-curricular activities at national and state level

2. Goal:

The goal is to identify interested students and nurture their skills so that they could hone their skills to optimum level.

3. The Context:

The students who showed interest in curricular and co curricular activities were identified. They were imparted motivational lectures. They were made to compete among their class mates at regular intervals.

4. The Practice

- ❖ Students who have a passion /inclination for teaching were given opportunity to take part in the selection process of MANA TV live telecast presentation.
- ❖ The students who were interested in co-curricular activities were given opportunity to participate in State level and National level competitions such as YUVATARANGAM, YUVAJANOTSAVALU.

5. Evidence of Success

- The number of students who got ranks and seats at various PG courses increased.
- The Commissioner of Collegiate Education announced Rs. 50,000 cash incentive for the students who get a PG seat in Central Universities. Five students got opportunity in this category.
- Students came out with flying colours as evidenced by their getting selected in district level, state level competitions of
 - YUVAJANOTSAVALU
 - YUVATARANGAM
 - Osmania University level competitions for sports and cultural activities
 - M. Maheshwari (B.Com II yr.) stood first in the **National level competitions** at Bhuvaneshwar, Odisha.
- One NCC cadet participated at Republic day parade in 2016, the third one in the consecutive 3 years.
- Three Students also got selected (at state level)to teach a live telecast lesson on MANA TV.

6. Problems Encountered and Resources Required

As the college had adopted the CBCS and Semester system the students had to lose working days owing to their participation at District, State and National level competitions. But we persisted and the students took extra classes to fare well in academic and competitive exams.

7. Responsible:

- NCC Officer
- NSS Programme Officers, Physical director, Cultural committee and
- MANA TV coordinator

BEST PRACTICE –3

Title of the Practice:

INFRASTRUCTURE: Construction of classrooms under RUSA

2. Goal:

To construct 4 classrooms to meet the demand of growing strength

3. The Context:

For the past 4 academic years the strength of students who join the college has been in steady increase mode. But the number of classrooms is not sufficient to meet the demands.

4. The Practice:

The college has opted for the grants of RUSA under VII component.

5. Evidence of Success:

The college was the first one to get the acceptance of the state RUSA for the grants. The inauguration for the construction of building was done on 18 Feb 2016 and the rooms will be ready in two months to occupy.

6. Problems Encountered and Resources Required

The college had to accept some academic and governance reforms under RUSA as the funds are norm based.

7. Responsible:

The RUSA committee.

CRITERION – WISE INPUTS

CRITERION I: CURRICULAR ASPECTS:

The college has been serving the society for the past 6 decades. It has become the first Autonomous College in the district. The college was served by excellent teachers like Chukka Ramaiah. The students like the first chief minister of Telangana State, Sri. K Chandrashekar Rao garu, added feathers to its cap.

That the college has been registering the highest number of admission in UG first year for the past three academic years in Osmania University region, speaks volumes of its success. The state first ranker in Intermediate HEC group in March 2015, K Venkataswamy, joined the institution in BA programme.

All the curricular aspects of the college have been designed with vision and mission. The college was granted autonomy and redesigned its syllabus from the academic year 2015. All the departments have BOS and entire administrative structure was remodelled to suit the needs of autonomy. The next academic year will be a watershed year in the history of the college as its first batch after autonomy will complete its cycle. The college has also seen that the meetings of Academic Council and Governing Body were convened and academic administrative and financial resolutions were ratified. The college opted for CBCS which gives a lot of scope for improvement. The students of college who excel in their academics are given incentives in the form of cash prizes to the tune of Rs. 60,000/-. The students who get admission into central universities are given Rs. 50,000/- a year as cash incentives by the Commissionerate of Collegiate Education, Telangana. All the reforms in higher education are possible only if implemented whole heartedly at the institutional level. The college implemented all the said reforms at the behest of its stakeholders.

CRITERION II: TEACHING-LEARNING AND EVALUATION:

The college follows transparency in admissions. Admission into the college in UG programmes are strictly according to rules and regulation made by the higher authorities. The admission into PG courses is governed by the Osmania University and the list of allotted candidates is sent to the college. The student data are preserved. Admission process into degree programmes has become online from the academic year 2016-17.

The college ensures that all the students from disadvantaged sections of society get scholarships. Remedial coaching is imparted to the students who have backlogs. Eminent personalities who have expertise in various fields are invited to extend their services to the students.

ICT enabled teaching is encouraged to make the class room interaction more effective. Students got admitted into various Central Universities and other state Universities for the past five years. From this year on the CCE under the aegis of the state Government has been benevolent to the students who got admission into central Universities. These students get Rs.50,000/- per annum in their post Graduation. The college had six such brilliant, hard working and diligent students. All of them were incentivized with the said cash prizes.

The college has a huge demand for some courses. The college organizes orientation programmes for students in the first week of their admission. All the rules to be followed and the facilities available at the college are informed to them. The college was endowed with the services of doyens such as Chukka Ramaiah. 14 teachers have Ph.D's and more than 20 got through CSIR/UGC-

NET/SLET/SET.

The college has adopted external paper setting and evaluation. This ensures absolute transparency. The library has copious volumes of books. The students can use and benefit by using INFLIBINET N- LIST. The three batches of students have submitted their student Study Projects and two of them were awarded for the state first prize. Teaching is more students centred. Many teachers have enrolled themselves into Ph.D programmes.

The college has opted for CBCS. This has changed all the academic, administrative and financial set up of the college.

The students and staff of the college have presented MANA TV live sessions. The college was given opportunity to present “ **Best Practices in Government Degree Colleges**” and the **NCC and NSS units were given opportunity to present the service motto and extension activities on MANA TV.**

CRITERION III: RESEARCH, CONSULTANCY AND EXTENSION:

Our college has research forum to monitor and help scholars. The college promotes research endeavour among staff and students. The college encourages the organizing of seminars, workshops and other research related activities. The staff have 14 Ph.Ds and more than 20 UGC/SLET/NET. All departments subscribed journals. The online resource such as INFLIBINET, N- LIST and plethora of e-books are available. Students of department of Telugu and Zoology have been awarded state first prizes in students Study Projects (Research). The number of participants in seminars, workshops increased phenomenally. The publication by the faculty has a remarkable progress. Eight of the staff members have been sanctioned MRP's by the UGC worth Rs.20 lakhs approximately.

The department of commerce organized two National Seminars sponsored by UGC, the Department of Zoology organized one national seminar sponsored by UGC. The department of Telugu organized a national seminar sponsored by APSCHE and the department of Public administration organized a national workshop sponsored by TSCHE and ICSSR. Apart from this various departments of the college organized many state level, District level and college level research related activities.

Various departments reached MOU's with reputed and service oriented organizations.

CRITERION IV: INFRASTRUCTURE AND LEARNING RESOURCES:

The college has potential to grow and serve the society. It has adequate number of class rooms and laboratories. The college grew with time. All the required infrastructure was provided.

The UGC women's hostel building was completed. A separate five roomed block was built by utilizing RUSA funds. The contribution of local philanthropist to construct a gate and an arch at the North East corner of the college has become a remarkable achievement for the college. The Commissionerate of Collegiate Education appreciated this effort. The local MLA and Minister for irrigation, marketing and Legislative affairs Sri T. Harish Rao garu donated an RO plant for the holy objective of providing potable water to students and staff.

To facilitate teaching and research all the departments were provided computers and printers. some of the departments prepared PPT'S for all topics in some subjects. The DIGI class room was sanctioned. The material such as three computers LCD projectors and three interactive white boards were sanctioned. The college already had two interactive white boards. To
The Principal
Govt. Junior college
Medak district

Sir,

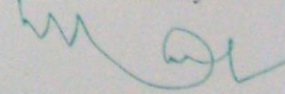

I take this opportunity to thank you for the co operation extended by you. With the co operation of all junior colleges in general and your college in particular 1061 students joined in the first year of our college across all disciplines.

Kindly accept my heartfelt gratitude for your genuine co operation in recommending your students to join our college. I learned that some of the members of your staff are the alumni of our college. I request you to extend my personal invitation for them to join our alumni association. Further I request you to visit our college at the time of your convenience to personally see how the various academic programmes are being undertaken at our college. Your feedback will be of much importance for us in our constant improvement from better to best and become a fulcrum in bestowing the best of our services to our students. Some lecturers in our college have been trained in soft skills. They are ready to extend their services at your college for a class or two. In this regard I shall be glad if their services were to be utilized in eliciting the best from your students and motivating them to perform more.

We are planning to give free guidance to the first paper of APSET 2014 and 2nd and 3rd papers for English literature. Please inform your lecturers about the same. The dates and timings will be informed soon.

I came to know that your strength in the first year recorded some improvement compared to that of last year, which is a positive sign because this is a fruit of your incessant hard work. I wish you the very best in your endeavour in the achievement of your professional goals.

Yours sincerely
