

MVS GOVT. DEGREE COLLEGE, MAHABUBNAGAR
DEPT. OF HISTORY 2020

During the time of lockdown, the Dept. of History started online pg entrance coaching with the collaboration of Gdc Serilingampally, GDC jadcherla and GDC MVS college of Mahabubnagar. Head of the dept. S.Raghavender Reddy with support of K.Krishnapriya, Dr. Gopal gave coaching to almost 65 students daily. This coaching started from May 5 th 2020. Planned only for 45 days but continued upto 60 days. Raghavender Reddy sir dealt with world history very elaboratively. He took classes daily for 2 periods as the chapter demanded. Krishnapriya dealt with Indian history, especially Modern Indian History. Gopal sir dealt with Telangana history and Beeraiah sir dealt with Ancient indian history very well. Students are very enthusiastic towards our classes and they were very interestingly asking many doubts. A what's Up group was created with almost 180 students to share important notes and materials. Students also share information among them in this group.

It is very useful to remote area students like Narayankhed. They were not able to approach us because of covid or poor conditions. In this pandemic situation I served a lot to downtrodden students and as a student of history I also carry forward my subject to future generations. Almost 16 students benefited from this programme. In between historical legends like Adapa Sathyanarayana, retired professor of History, K.Arjun Rao head of history dept. Osmania University and Kodanda Rami Reddy sir gave their extension lectures on various topics and motivated students a lot. I was very thankful to them for their concern towards our government college students.

*Government Degree College for Women
Sangareddy, Telangana.*

DEPARTMENT OF HISTORY
