- (c) to assign any right of recovery for past damages to Company; and
- (d) to execute any other documents deemed necessary by Company to obtain, record and perfect patent, copyright, mask works and/or trade secret protection in all countries, in Company's name and at Company's expense. I understand that Company may delegate these rights. I agree that, if requested, my disclosure, assignment, execution and cooperation duties will be provided to the entity designated by Company.

This Agreement does not apply to an invention for which no equipment, supplies, facility or trade secret information of the employer was used and which was developed entirely on the employee's own time, unless (a) the invention relates (i) to the business of the employer or (ii) to the employer's actual or demonstrably anticipated research or development, or (b) the invention results from any work performed by the employee for the employer.

4. Respect for Rights of Former Employers. I agree to honor any valid disclosure or use restrictions on information or intellectual property known to me and received from any former employers or any other parties prior to my employment by Company. I agree that without prior written consent of such former employers or other parties, I will not knowingly use any such information in connection with my Company work or work product, and I will not bring onto the premises of Company any such information in whatever tangible or readable form.

5. Work Product. The product of all work performed by me during and within the scope of my Company employment including, without limitation, any files, presentations, reports, documents, drawings, computer programs, devices and models, will be the sole property of Company. I understand that Company has the sole right to use, sell, license, publish or otherwise disseminate or transfer rights in such work product.

6. Company Property. I will not remove any Company property from Company premises without Company's permission. Upon the end of my employment with Company, I will return all Company property to Company unless Company's written permission to keep it is obtained.

7. Protective Covenants. I acknowledge that a simple agreement not to disclose or use Company's Confidential Information or Proprietary Developments after my employment by Company ends would be inadequate, standing alone, to protect Company's legitimate business interests because some activities by a former employee who had held a position like mine would, by their nature, compromise such Confidential Information and Proprietary Developments as well as the goodwill and customer relationships that Company will pay me to develop for Company during my employment by Company. I recognize that activities that violate Company's rights in this regard, whether or not intentional, are often undetectable by Company until it is too late to obtain any effective remedy, and that such activities will cause irreparable injury to Company. To prevent this kind of irreparable harm and to protect Company's trade secrets, I agree that during my employment and for a period of twelve months following the end of my employment with Company, I will abide by the following Protective Covenants:

(a) **No Solicitation of Customers.** I will not (in person or through assistance to others) knowingly participate in soliciting or communicating with or accepting any order from any customer of Company for the benefit of a Competing Line of Business if I either had business-related contact with that customer or received Confidential Information about that customer in the last two years of my employment at Company;

(b) **No Solicitation of Company Employees.** I will not (in person or through assistance to others) knowingly participate in soliciting or communicating with an Company Employee for the purpose of persuading or helping the Company Employee to end or reduce his or her employment relationship with Company if I either worked with that Company Employee or received Confidential Information about that Company Employee in the last two years of my employment with Company; and

(c) **No Solicitation of Company Suppliers.** I will not (in person or through assistance to others) knowingly participate in soliciting or communicating with an Company Supplier for the purpose of persuading or helping the Company Supplier to end or modify to Company's detriment an existing business relationship with Company if I either worked with that Company Supplier or received Confidential Information about that Company Supplier in the last two years of my employment with Company. As used here, "Competing Line of Business" includes a business that involves a product or service offered or to be offered by anyone other than Company that would replace or compete with any product or service offered or to be offered by Company or its related corporations (unless Company and its related corporations are no longer engaged in or planning to engage in that line of business). "Company Employee" means an individual employed by or retained as a consultant to Company or its related corporations. "Company Supplier" means an individual, corporation, other business entity or separately operated business unit of an entity that regularly provides goods or services to Company or its related corporations, including without limitation any OEM, ODM or subcontractor.

8. Enforcement. I make these agreements to avoid any future dispute between myself and Company regarding specific restrictions on my post-employment conduct that will be reasonable, necessary and enforceable to protect Company's Confidential Information and Proprietary Developments and other legitimate business interests. The Protective Covenants are ancillary to the other terms of this Agreement and my employment relationship with Company. This Agreement benefits both me and

Company because, among other things, it provides finality and predictability for both me and the company regarding enforceable boundaries on my future conduct. Accordingly, I agree that this Agreement and the restrictions in it should be enforced under common law rules favoring the enforcement of such agreements. For these reasons, I agree that I will not pursue any legal action to set aside or avoid application of the Protective Covenants. This Agreement will survive the end of my employment with Company and shall, likewise, continue to apply and be valid notwithstanding any change in my duties, responsibilities, position, or title.

9. Relief; Extension. I understand that if I violate this Agreement (particularly the Protective Covenants), Company will be entitled to (i) injunctive relief by temporary restraining order, temporary injunction, and/or permanent injunction, (ii) recovery of attorneys' fees and costs incurred by Company in obtaining such relief where allowed by law, and (iii) any other legal and equitable relief to which Company may be entitled. Injunctive relief will not exclude other remedies that might apply. If I am found to have violated any restrictions in the Protective Covenants, then the time period for such restrictions will be extended by one day for each day that I am found to have violated them, up to a maximum extension equal to the time period originally prescribed for the restrictions.

10. Severability; Authority for Revision; Assignment; Governing Law. The provisions of this Agreement will be separately construed. If any provision contained in this Agreement is determined to be void, illegal or unenforceable, in whole or in part, then the other provisions contained herein will remain in full force and effect as if the provision so determined had not been contained herein. If the restrictions provided in this Agreement are deemed unenforceable as written, the parties expressly authorize the court to revise, delete, or add to such restrictions to the extent necessary to enforce the intent of the parties and to provide Company's goodwill, Confidential Information, Proprietary Developments and other business interests with effective protection. In the event the restrictions provided in this Agreement are deemed unenforceable and cannot be reformed to make them enforceable, then any prior agreements that I have made with Company relating to confidential information or proprietary developments shall not be deemed to have been superseded or otherwise affected by this Agreement, but instead shall remain in effect. The title and paragraph headings in this Agreement are provided for convenience of reference only, and shall not be considered in determining its meaning, intent or applicability. This Agreement will inure to the benefit of the parties' heirs, successors and assigns. This Agreement, including but not limited to the Protective Covenants, may be assigned by Company to a subsequent employer, successor or assign without the need for further authorization or agreement from me. This Agreement will be governed by the laws of the country and/or state identified as my work location in which I work at the time of its enforcement.

11. Acceptance by Company. A counterpart of this Agreement has been manually executed by a duly authorized representative to indicate Company's acceptance of the terms hereof and Company's covenant to perform its obligations hereunder (including, without limitation, Company's agreement that I will be provided certain confidential and proprietary information, training, and/or customer contacts to assist me in my duties). Such acceptance on behalf of Company is conditioned upon my reciprocal agreement to such terms. I acknowledge the sufficiency of Company's acceptance of the terms hereof to establish the mutual rights and responsibilities defined herein.

12. Acceptance by Employee. By placing my signature below, I confirm that I have read and fully understood the terms of this Agreement, and have been at liberty to seek legal advice on the same prior to my acceptance of such terms.
