About the Product

EZPA- The EZ Placement Assistant is the fruition of our long-standing endeavour to help students launch themselves into the job market. It's a one stop solution to empower the placement officer of every academic institute and enhance job opportunities to every student. It gives instant visibility before thousands of employers who are ready to hire. It is a comprehensive tool with the following salient features for student job placements:

- Powerful Chat interface
- Video Resume
- AI/ML Powered Search
- In app Audio/Video calling

- One Click Job Posting
- Multilingual job Posting
- Improve your placement strike rate for all your students
- Invite new employers to your placement curriculum
- Augment the performance of your placement associates

EZPA is a personal placement assistant offering a structured way of managing the placement workflow. It is an automated end-to-end placement suite that offers an intuitive and holistic approach to placement the engine. The suite provides smart categorization of students based on their streams, subjects, special classes and CGPA.

Project Scope and Delivery Method

The Scope is divided into three parts

Part A: (MOU Sign-off + 30 days) Induction to the key stakeholders at Hyderabad office as well as across the colleges the application and usage. Collecting of data of students which needs to be uploaded in the tool in the prescribed format.

Part B: (MOU Sign-off +60 days) Session with the students on the benefits of EZPA and other product offering from EZJobs which will benefit and assist the students in a faster job search. Session on interview and soft skills.

Part C: (MOU Sign-off +90 days) Reaching out to employers via specialised marketing tools by EZJobs in collaboration with Commissionerate of Collegiate Education. Continued technical support from EZJobs and regular updates to Commissionerate of college education on the progress across colleges.

Intellectual Property:

All materials and resources used to will be owned by the respective parties, and the individual organisation will continue to maintain its ownership and control over its resources.

Agreement Validity Period:

Both CTE, CCE and SVIPL agree that the master agreement is valid for three years from the date of execution until either party decided to discontinue the agreement.

As needed CTE, CCE and SVIPL will work together to redefine this agreement.

Assumptions:

- The colleges identified by the Department will have one assigned SPOC/Placement coordinator with access to a Computer Desktop/Laptop to update the data of all the students.
- The College will have the required Internet bandwidth to access EZPA time to time.

Negotiate In Good Faith

The parties agree that they will always cooperate with each other and act in good faith and with the joint objective of successfully and expeditiously concluding and carrying out all the arrangements and agreements contemplated in this Memorandum.

Confidentiality:

Confidential Information shall be deemed the property of the disclosing party. Nothing contained in this Agreement or disclosure of the Confidential Information shall be construed as granting to or conferring on the recipient any rights by licensor otherwise, expressly, or impliedly, to any patents, trade secrets, copyrights, trademarks, or other rights in the Confidential Information of the disclosing party. ALL CONFIDENTIAL INFORMATION IS PROVIDED "AS IS". NEITHER PARTY MAKES ANY WARRANTIES, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING WITHOUT LIMITATION WARRANTIES REGARDING NON-INFRINGEMENT, TRADEMARK, COPYRIGHT, PATENT OR ANY OTHER INTELLECTUAL PROPERTY RIGHT OR ACCURACY, COMPLETENESS OR PERFORMANCE.

"Confidential Information" shall mean all information of the disclosing party and its Affiliates, including any commercial, financial, technical or other information relating to the past, present and future research, development, business activities, products, and services of the disclosing party, which is disclosed to the recipient in

connection with the Business Purpose (whether disclosed orally or in any other form whatsoever, including without limitation data, drawings, films, documents and computer readable media) and which is marked or otherwise designated as confidential or proprietary or is reasonably understood to be of confidential or proprietary nature.

Each party undertakes the following in respect of Confidential Information for which it is the recipient:

- (a) To treat Confidential Information of the disclosing party as confidential, using the same degree of care as it uses for its own confidential information
- (b) Not, without the disclosing party's prior written consent, to communicate or disclose any Confidential Information to any person exceptonly to those employees of the recipient's organization, on a reasonable need to know basis, who are concerned with the Business Purpose, provided that access to the Confidential Information shall be restricted to those personnel who have entered into a non-disclosure or other confidentiality agreement with the recipient containing terms substantially similar to the terms of this Agreement.

Non – Disclosure:

The parties acknowledge that, while performing and fulfilling their duties hereunder, they may have access to and be entrusted with confidential information concerning the present and contemplated financial status and other activities of either party, the disclosure of any of which confidential information to the competitors would be highly detrimental to the interests of the either party.

Next Steps:

Review and sign off the MOU between Commissionerate of Technical Education and Collegiate Education

Agree of the Date of implementation as defined above.

Agree on the roles and responsibilities of either party post the product implementation.
