Access to relevant quality education and training programmes for diverse sections of society with a focus on hitherto deprived sections at lower costs by using the modern technologies in teaching – learning process as well as in administrative and support services is the goal of this University. The University programmes aim at making education and training programmes instruments for living and for making a living.

MISSION:

- Enrichment of on-going academic programmes
- Competency building through education and training programmes
- Interactive individual based teaching learning process;
- Reliable and credible students evaluation systems;
- Results oriented, accountable and transparent administrative and logistic support systems; and
- Research, innovation, training and networking for system development and staff development.

DR. B.R. AMBEDKAR OPEN UNIVERSITY:

Dr. B.R. Ambedkar Open University also known as Telangana Open University is a public university in the city of Hyderabad, Telangana, India. It provides free study material for enrolled students the material with standards

The university was established in August 1982 by Act of the State Legislature. It was inaugurated by the President of India. The founder and first vice chancellor was Prof. G. Ram Reddy. The university was renamed "Dr. B.R. Ambedkar Open University" on 24 October 1991 after the architect of the Indian Constitution Dr. Bhimrao Ramji Ambedkar on the occasion of the centenary of his birth. The principal aim of the university is to provide an opportunity to those who are not in a position to avail themselves of the facilities for higher education through regular on-campus study at conventional colleges/universities. It adopts a flexible approach to eligibility, age of entry, choice of courses, method of learning, conduct of exams and operation of educational programmes. The university makes use of a variety of learning media including radio, television, film, audio cassette and the printed study material, besides arranging contact and counselling programmes and Sc 'Practicals' which makes for the traditional teacher-student interaction. The university functions through a network of 117 study centres located in the twin-cities of Hyderabad and Secunderabad and all the districts of the State. The Study Centres are located in selected colleges throughout the State from which they draw their counselling staff who are experienced members of their teaching staff. The students receive guidance and counselling from the Counsellors at the Study Centres. The BSc students are expected to complete 30 practicals in each subject at the study centre. Students enrollment (1999–2000) was 63,046 (men 43,276, women 19,770)

FUNCTIONS:

Open University system is flexible in terms of admission, choice of courses, duration and age requirements, teaching methods and evaluation procedures. Thus it offers an alternative channel to those who missed the opportunities for higher education. The university caters specially to women, working people and those who want to improve their academic qualifications and Professional skills. The university lays special focus on socially disadvantaged and geographically isolated people who never had access to higher education earlier..

CAMPUS:

Located on an elevated site of 53.63 acres (217,000 m²) in Jubilee Hills, the campus has the Administrative and Support Services Block, the Grade building, Academic Branch and Library building, Study Material House, an extensive Open Plaza, a Conference Hall, and an Auditorium named after Late Sri Bhavanam Venkatram, former Chief Minister of Andhra Pradesh who was instrumental in establishing this University. There are laboratories in the Science Faculty for providing hands on training to Science Students of Physics, Chemistry, Geology, Botany, and Zoology. The Science Practicals hereafter will be conducted at the Newly constructed Science and Technology Multi Functional Lab (STML) building at the Campus all under one roof. The Narla Memorial Library is also housed in the Academic Building. A Multimedia Lab, Two Synergy Halls, a well-furnished Faculty Room and a Language Lab have also been set up in the Academic Building. All the buildings on the campus are linked by the LAN facility.

OBJECTIVES OF THE UNIVERSITY:

- To provide educational opportunities to those students who could not make advantage of conventional institutions of higher learning.
- To provide equal educational opportunities for higher education through distance mode for a large segment of the population, including those in employment, women (including housewives) and adults who wish to upgrade their education or acquire knowledge and studies in various fields.
- To provide flexibility with regard to eligibility for enrolment, age of entry, choice of course, methods of learning, conduct of examinations and operation of the programmes.
- To complement the programmes of the existing Universities in the state in the field of higher learning so as to maintain the high standards on par with the best universities in the country.
- To promote integration within the state through its policies and programmes.
- To offer degree courses and non – degree certificate courses for the benefits of the working population in various fields and for those who wish to enrich their lives by studying subjects of cultural and aesthetic values.
- To make provision for research and for the advancement and dissemination of knowledge.
- To serve as a source of continuing education, consultancy and to provide equal access to knowledge and higher education. KNM Govt. Degree College,
