We equip young people with the skills and knowledge they need to grow up and move out of poverty.

Our youth centered Livelihoods Program connects the aspirations and potential of young people to available market opportunities. We build their employability skills and map job potential based on individual strengths and mobility.

We work with support structures: parents, the community at large and local institutions to ensure results in social, emotional and economic well being for all young people living in that area. Our approach mobilizes the entire ecosystem available to the child or youth to create informational change in their lives.

Magic Bus Connect to Work Programme addresses the challenges faced by young graduates and first time job seekers through skilling them for the 21st century work environment and connecting them with available jobs in local area. Programme aims to bring young people into workforce- reduce the joblessness among young people and strengthen the economy by capitalizing on huge young workforce of India by placing them with right employers. Backed by innovative technology tool, strong stakeholder's engagement and market aligned essentials, this Programme offers scalable long term solution. This program will aspire to place 15,000 fresh graduates in job in the year 2021 - 22 across Hyderabad, Medchal, Rangareddy and Sangareddy Districts

In context to that we would be obliged if MALD Govt Degree College (Gadwal), can support us with required data base of fresh graduates or if they help us connect with the youths on virtual platform so that we can train them and place them in better job opportunity.
