Dr. Syam Prasad Sura   **Mobile :984994448**
      Principal (FAC)

_____

4.3.1 Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection

- The institution constantly upgrades its ICT facilities.
- All matters related to procurement of Infrastructure (Physical, Consumables and IT) are discussed by the purchase committee, at the institutional level:
- The Principal and Staff Council, along with the Purchase Committee finalize the requirement.
- The procedure for procurement varies depending on the nature of funds to be utilized for the procurement of infrastructure:
- The funding sources are UGC Grants, Government budgets, Special fee, and RUSA etc.,
- The utilization of the funds is monitored by various committees like purchasing committee, maintenance committee, UGC committee and RUSA committee.
- Stock verifications committees are framed for the annual verification of the stock utilized in the college.
- In the departments, the stock is crosschecked with the stock register.
- Stock registers are maintained in the Departments by the In-charges for consumable and non-consumable items.

➢ During the academic year 2017-2018 the college began with only one (01) ICT enabled classroom.
➢ At present, the college has expanded its IT facilities as follows:
➢ 12 ICT enabled classrooms which are available for use as lecture halls
➢ 02 ICT enabled Computer Laboratories
➢ 01 ICT enabled Virtual Classroom
➢ Presently the college has 69 Desktop computers and 5 laptops along with a minimal ICT infrastructure. Ever since the inception of the college there has been a significant increase in the number of computers and today.

- The institute has always been reviewing the current needs and accordingly the internet bandwidth is upgraded from time to time for uninterrupted connectivity. Our institution is currently using B.S.N.L. High-Speed Internet Wired (improvised Wireless) with 200 Mbps Speed. The institute has a 24X7 Wi-Fi facility on the college campus.
- The maintenance of computer, Internet, Wi-Fi networking, installation of software and maintenance and up-gradation of hardware including that of College Official Website is done from time to time.

The following rooms have ICT facilities:
