FEED BACK REPORT 2021-22

(Students, Teachers and Alumnae)

Government Degree College was established in 2008 by the State Government with a vision to provide quality higher education to the economically and socially backward students of this area. The IQAC of the college is continuously working for the quality measures to be initiated in the core areas for the betterment of the college.

REPORT ON FEEDBACK ANALYSIS

INTRODUCTION

Feedback is an essential part of any Institution to overcome challenges and achieve excellence in the teaching and learning process, and to identify areas for further development. This report focuses on the feedback received from students, teachers and alumnae.

Student's feed back:

The Students' Feedback reflects student's perception of the curriculum, teachers' commitment and efforts, and students' overall learning experience. 50 student feedback forms were received for the academic year 2021-22 by the end of the academic session.

INTERPRETATION:

- Analysis of the report suggests that most of the students satisfied with coverage of syllabus, design and delivery.
- Students are satisfied with the teaching methods employed by their teachers and the conduct of internal assessments.
- Students satisfied with remedial coaching and efforts made by the teachers for their improvement.
- Students satisfied with extracurricular activities that are facilitated in the college.
- Students are satisfied with the overall academic ambience of the college.

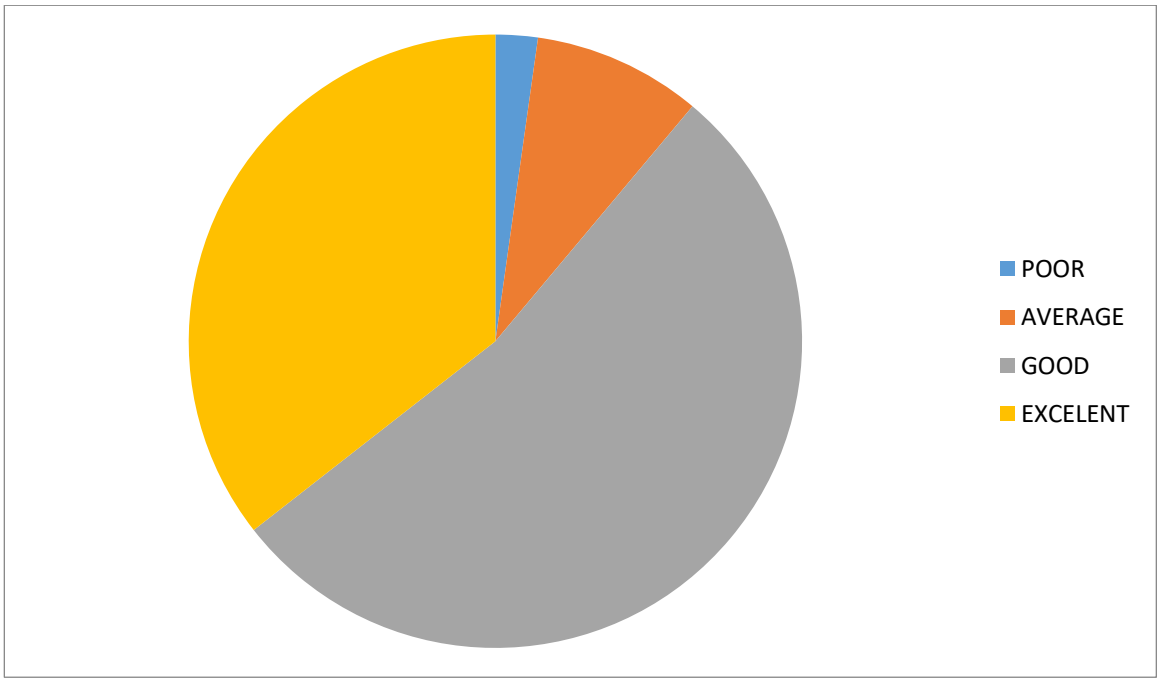
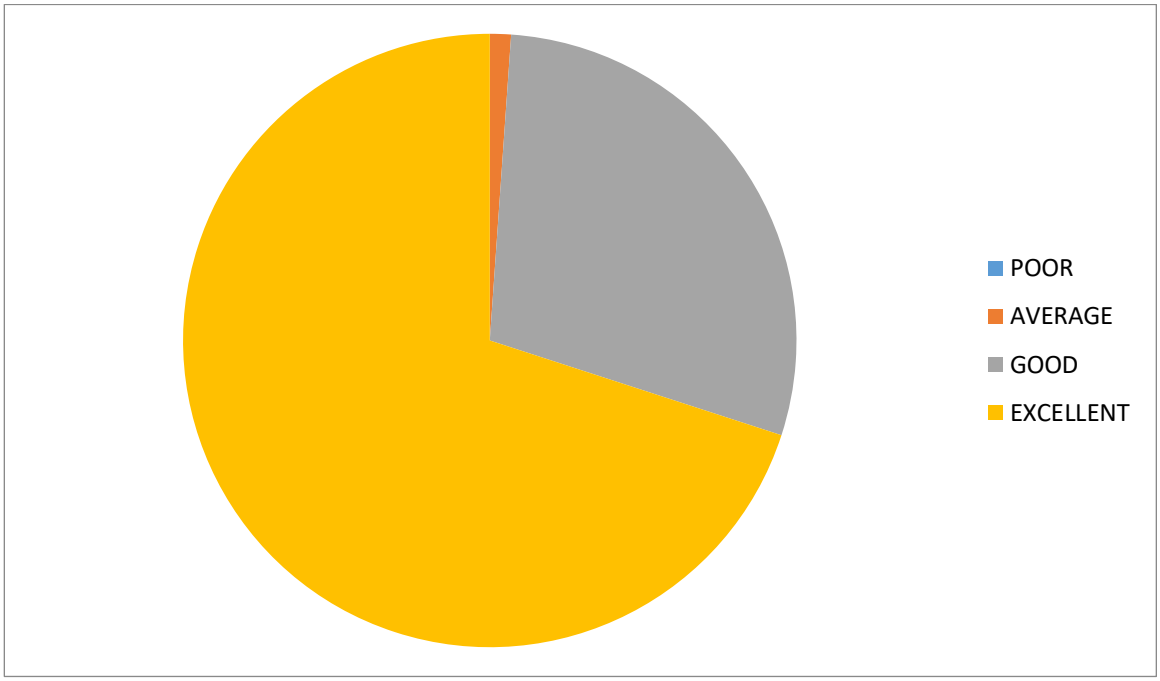
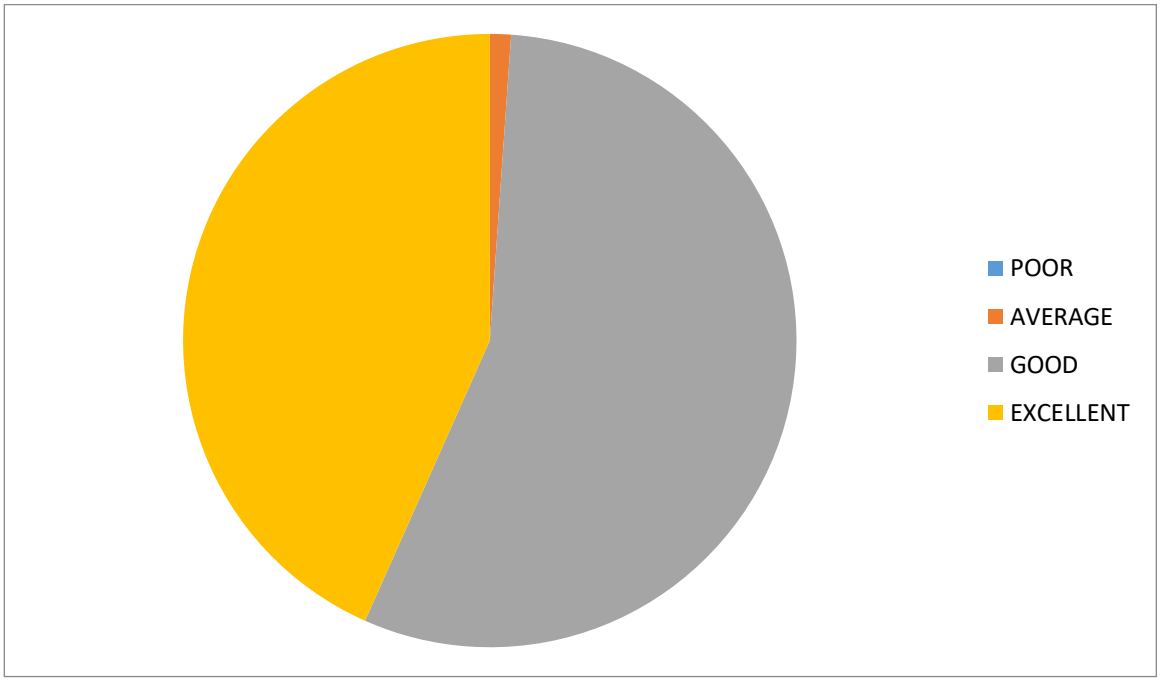
18. Accessibility of the lecturer out side the classroom for academic interaction.



19. Personal care and affection while dealing with individual students and helping students.



20. Overall opinion on the lecturer



PARENTS FEEDBACK 2021-22

Feedback is sought from the parents on infra structural facilities, teaching standards, overall discipline of the institution, academic progress and personality development of wards. 10 parents responded to the feedback process and expressed their views .

INTERPRETATION:

Majority (90%) of the parents satisfied with infrastructure facilities, overall discipline of the wards and their academic progress as most of the students got admission in PG courses.

They also suggested to improve infrastructure facilities and library facilities.

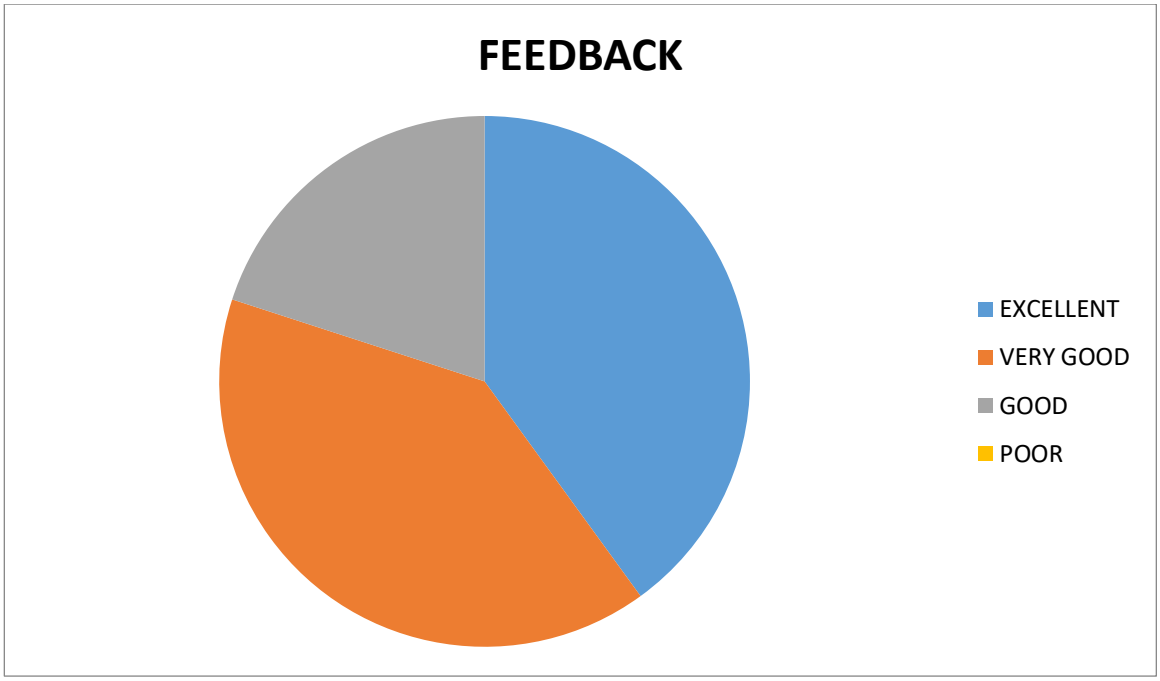
Parents also suggested that the curriculum needs to be updated periodically with respect to industrial needs.

Majority of the teachers expressed their satisfaction for training their wards with life skills like Yoga and Self Defence techniques.

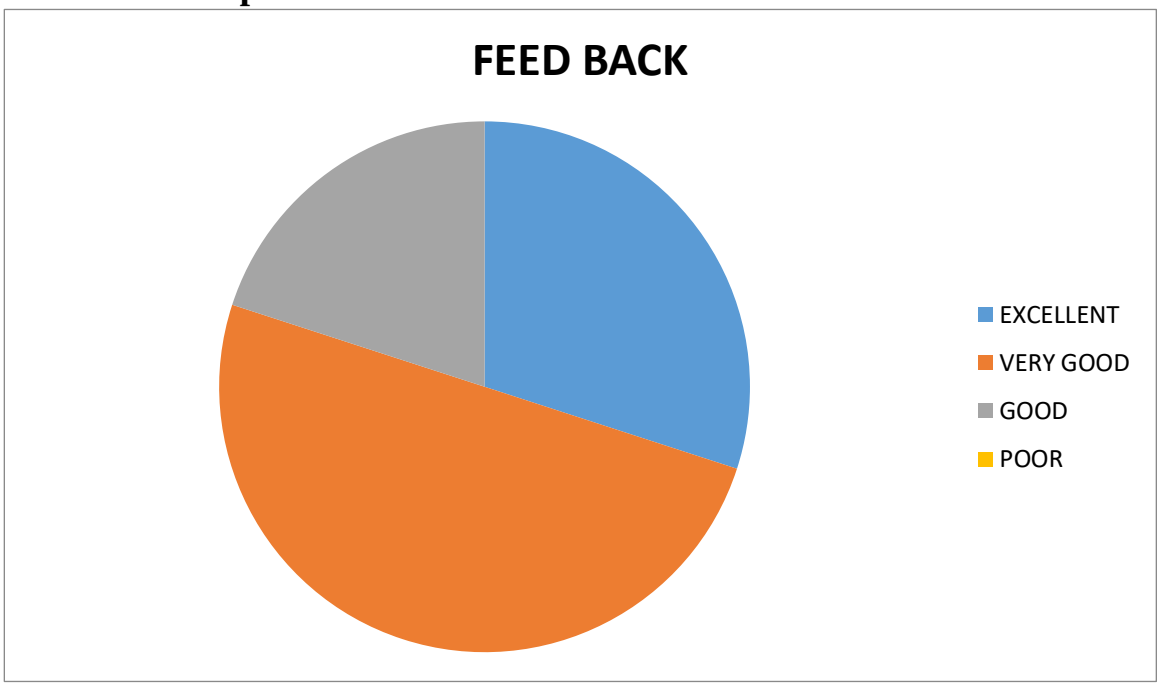
They also suggested to improve library facilities.

FEEDBACK ANALYSIS OF PARENTS 2021-22

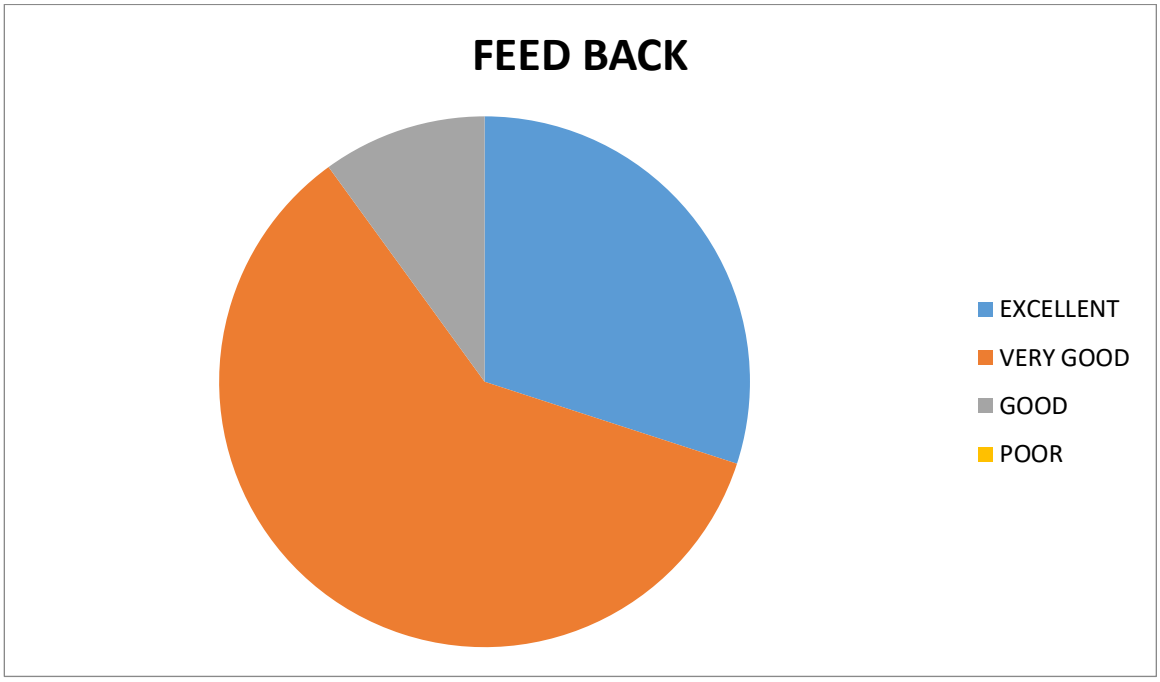
1. Overall infrastructure facilities available in the institution



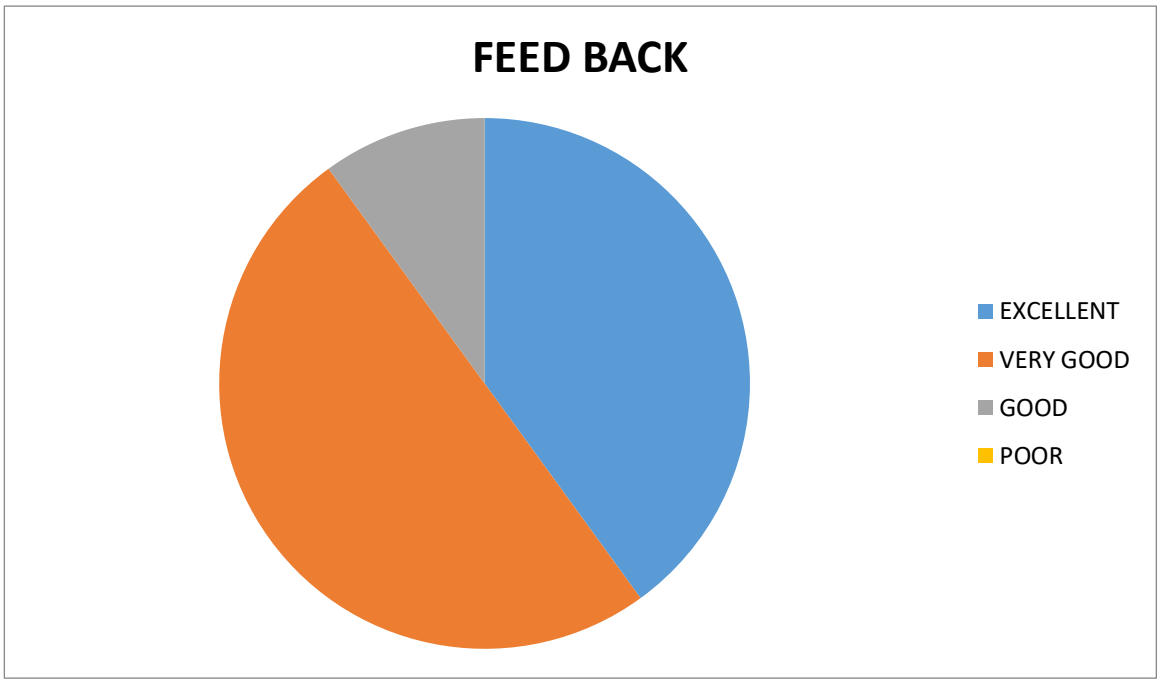
2. Overall discipline maintained in the institution



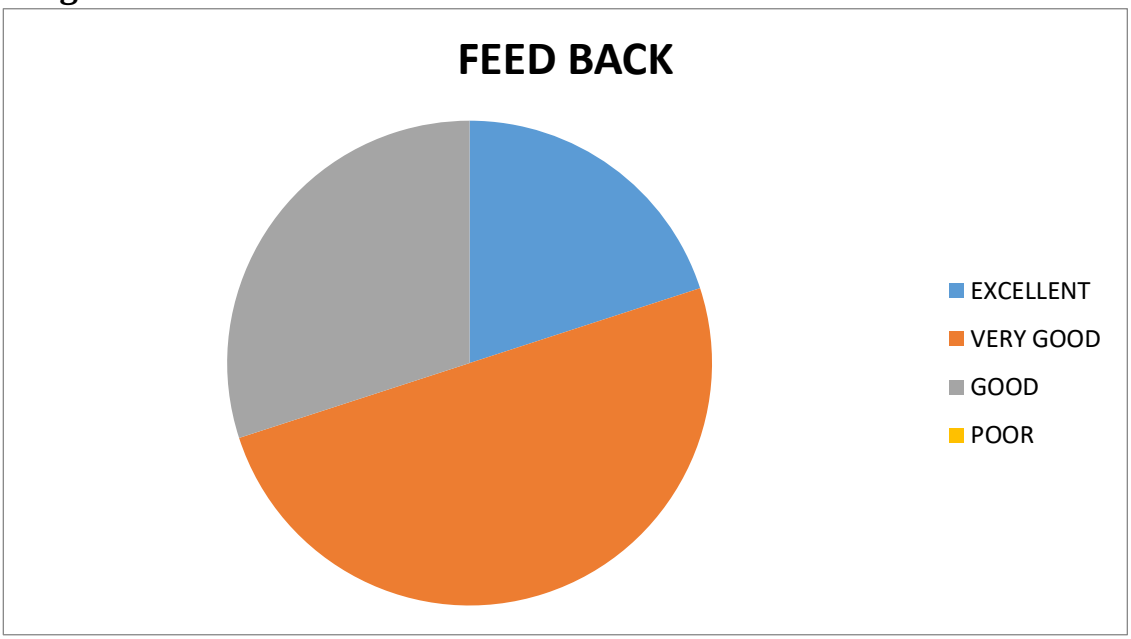
3.Overall academic progress of the ward in the institution



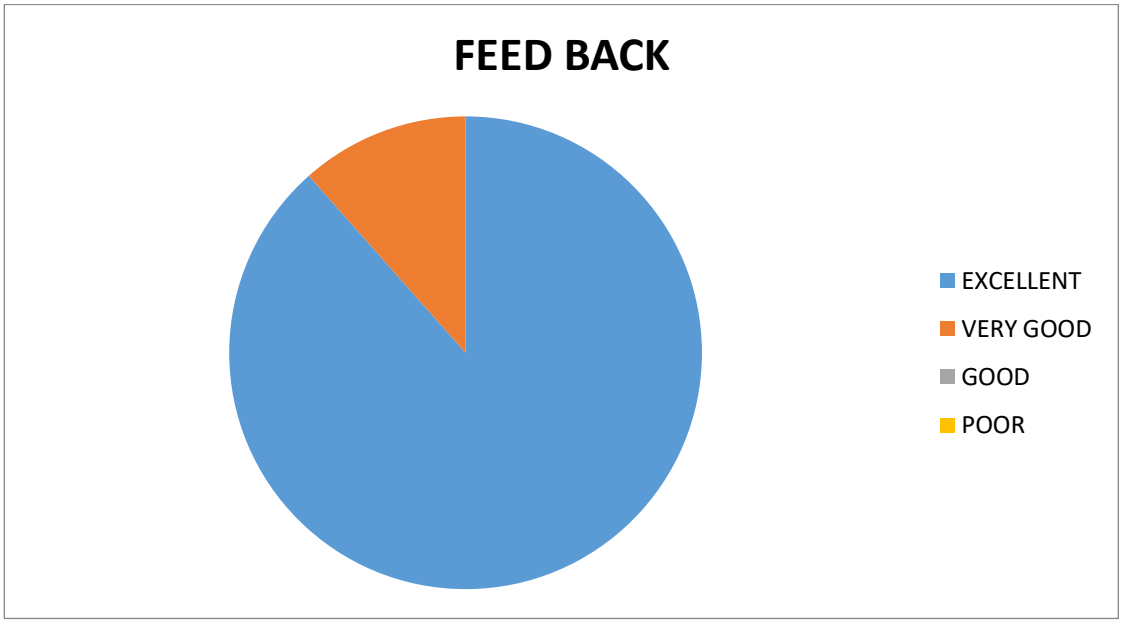
4.Overall personality development of the ward in the institution



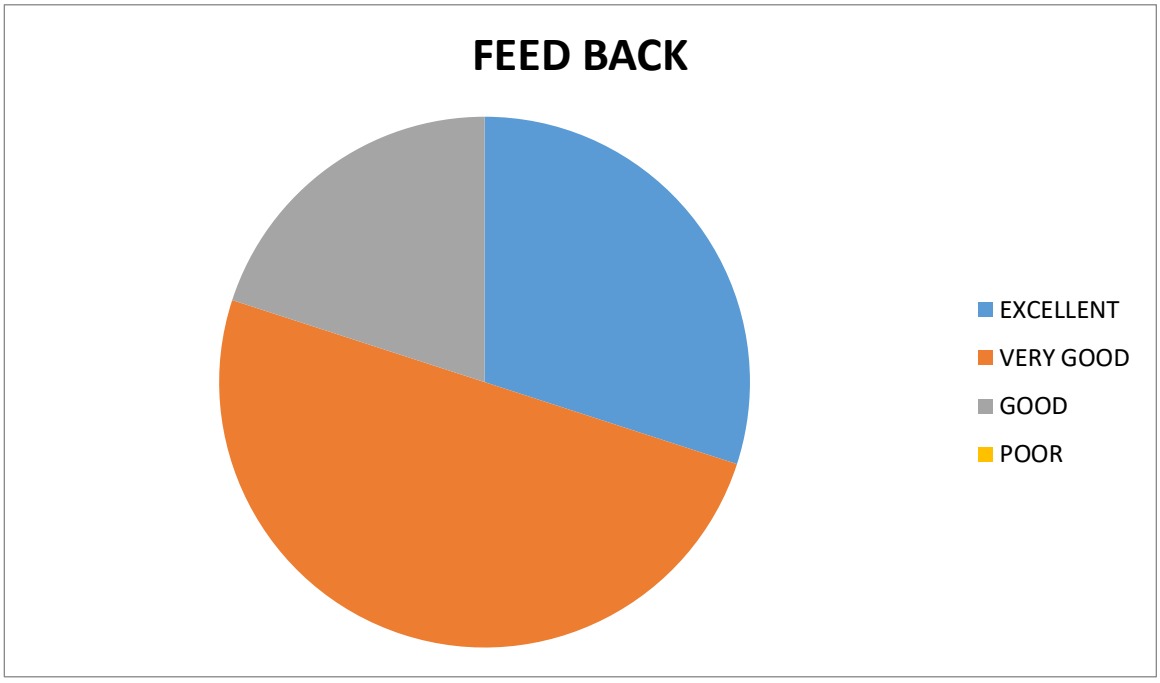
5.Teaching standards maintained in the institution



6. teachers approach towards the wards



7. Teachers response towards the parents



FEED BACK ANALYSIS OF ALUMINI 2021-22

ALUMNI FEEDBACK

Alumni feedback is essential for overall improvement of the college.

We received 10 feedback forms from alumni and majority of them expressed satisfaction with the curriculum, course contents and the teaching methods adopted by the teachers.

INTERPRETATION:

Majority of the alumnae members gave positive response to course coverage, ICT tools usage by teachers and teaching methods adopted.

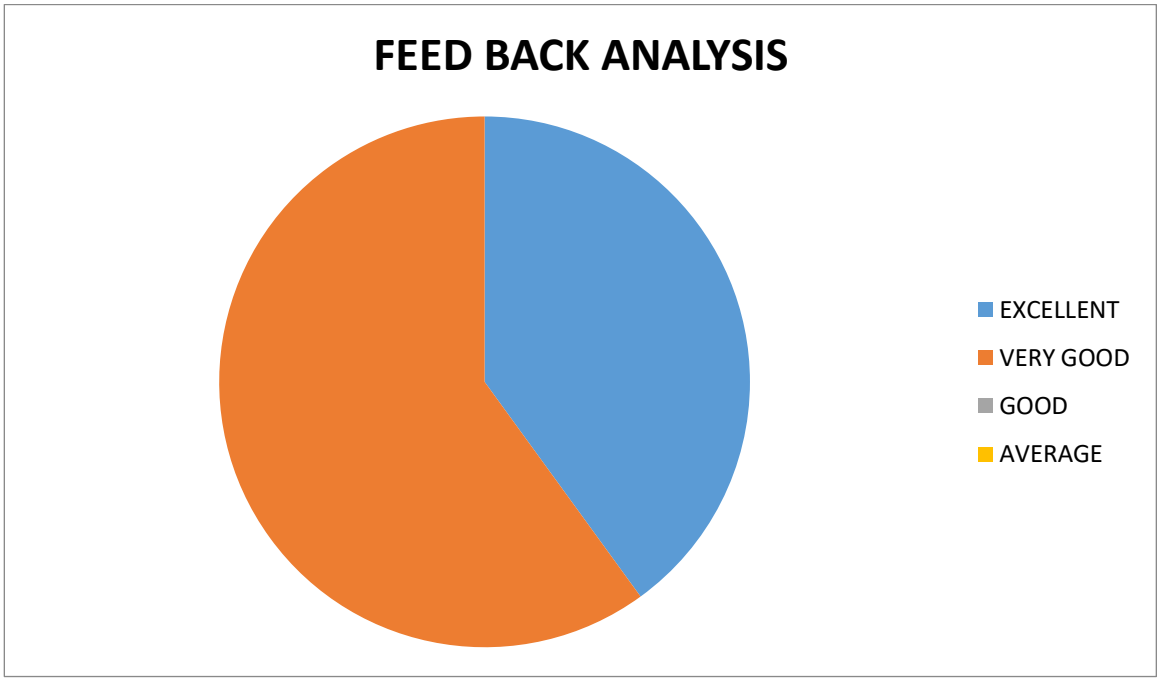
Most of the alumnae satisfied with co-curricular and extra curricular activities of the college.

Few members expressed their dissatisfaction with library facilities.

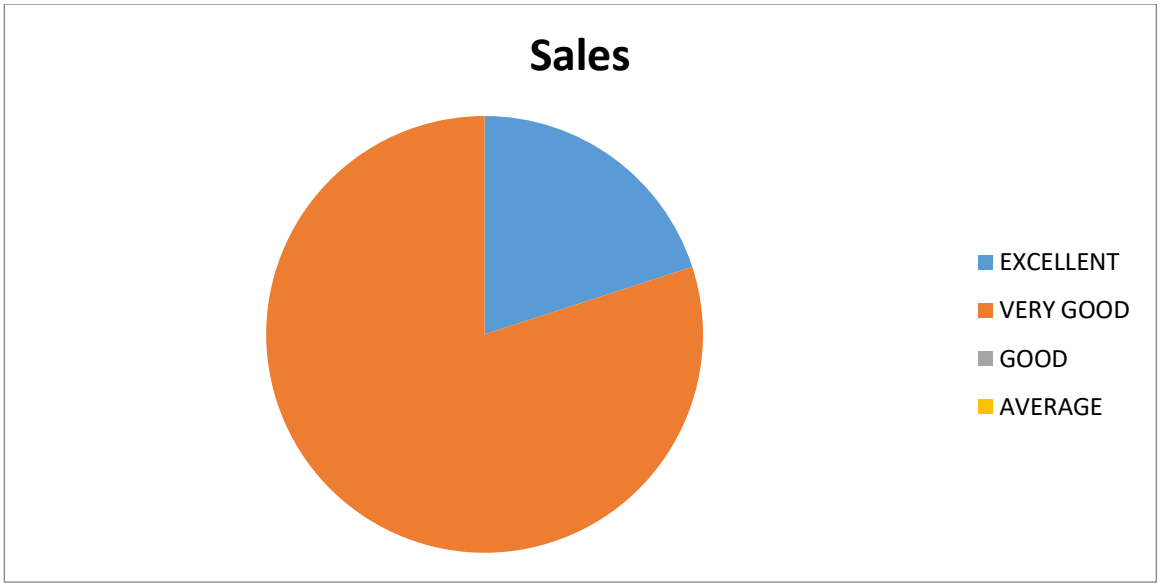
They have also made suggestions on the areas of improvements which have been noted for further action.

Majority of them are satisfied with the overall environment of the college

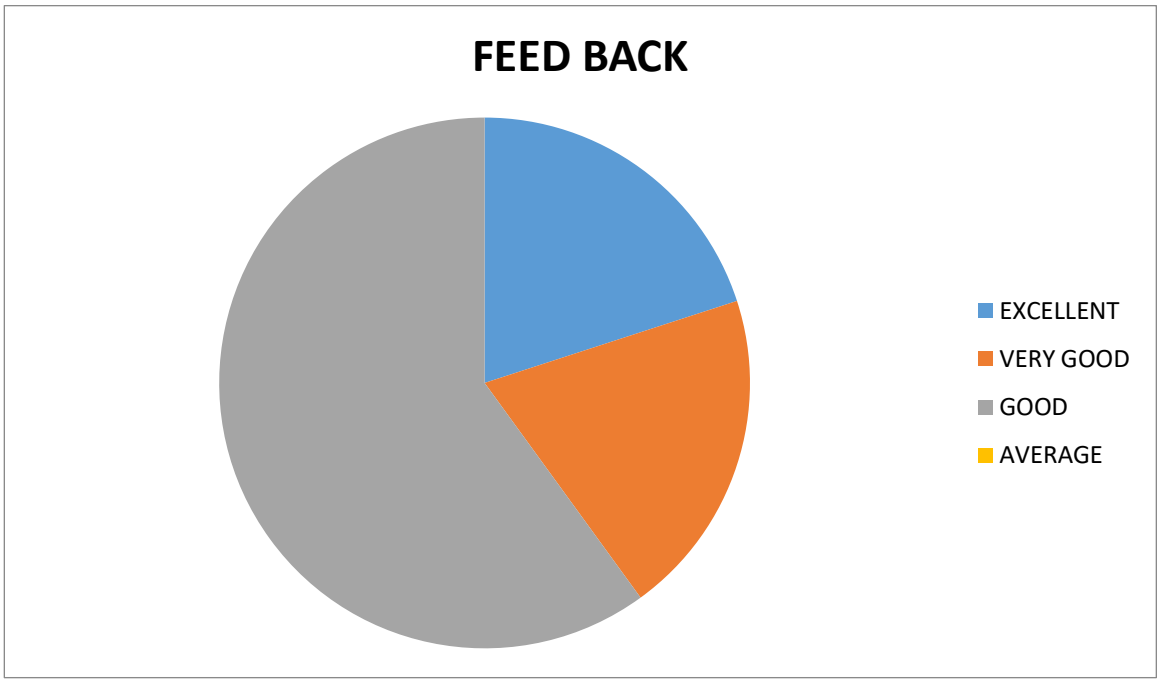
1. Coverage of syllabus by teachers



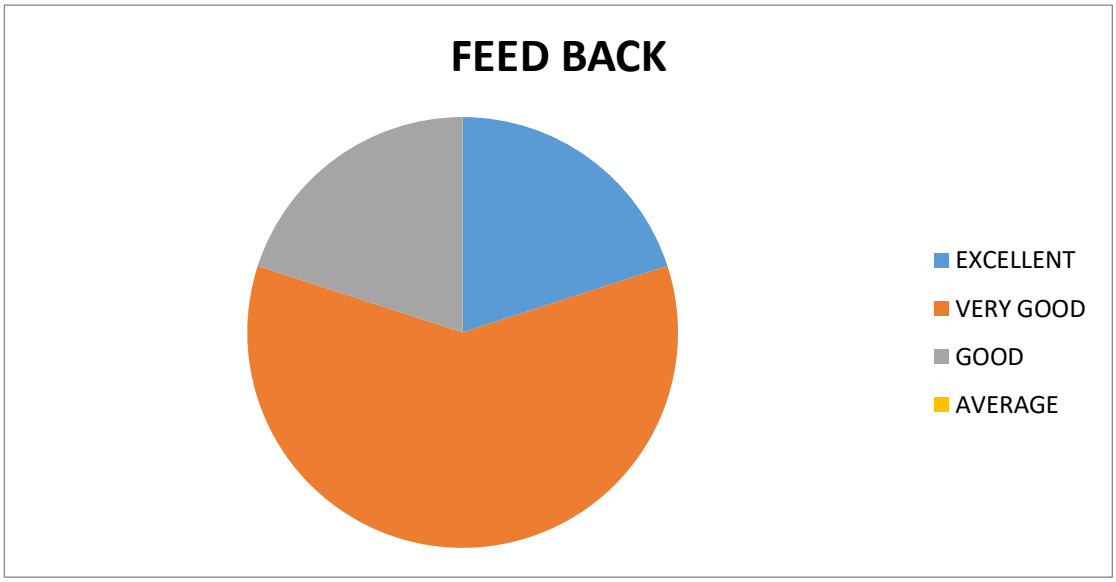
2. Teaching methods adopted



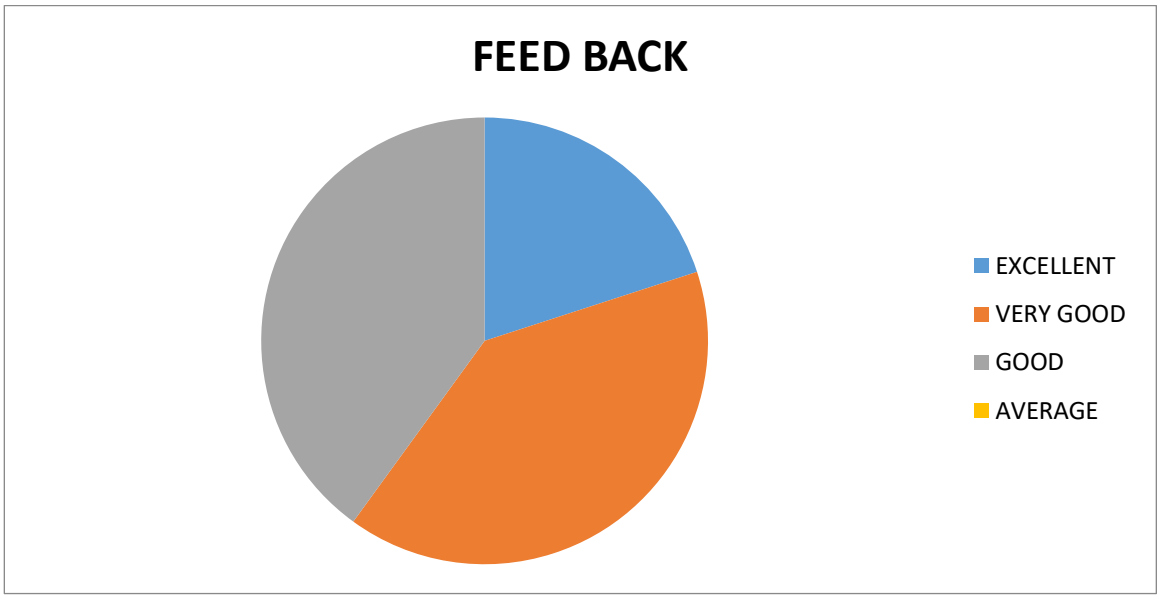
3. Use of ICT tools by teachers



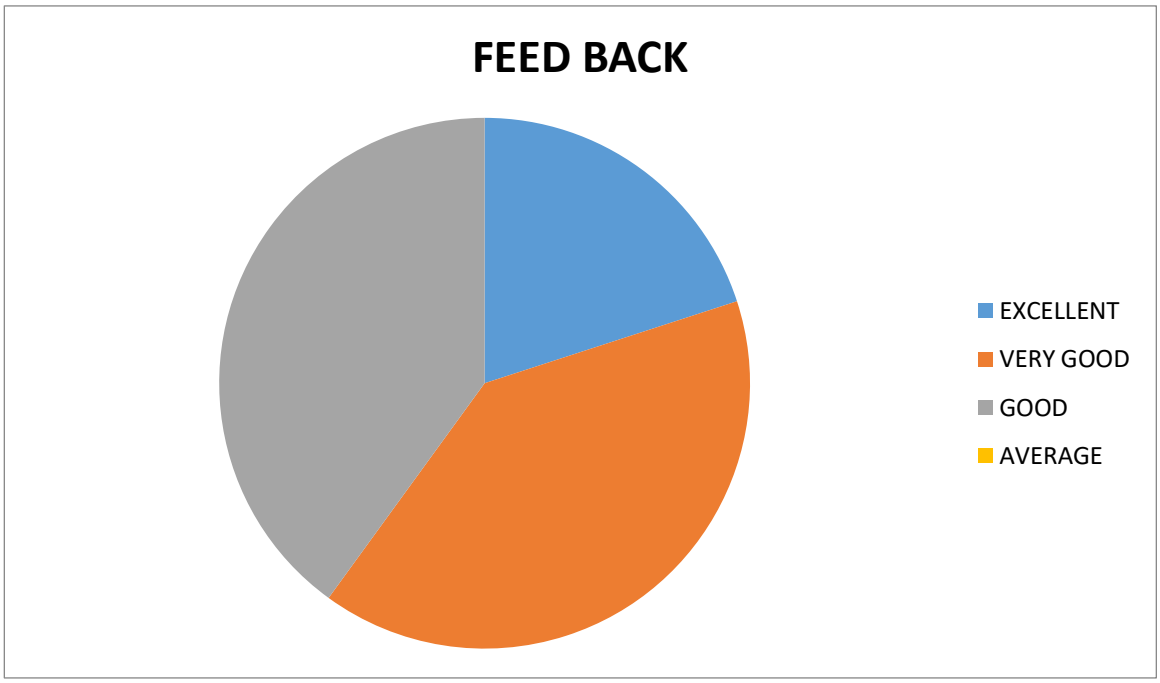
4. Laboratory facilities



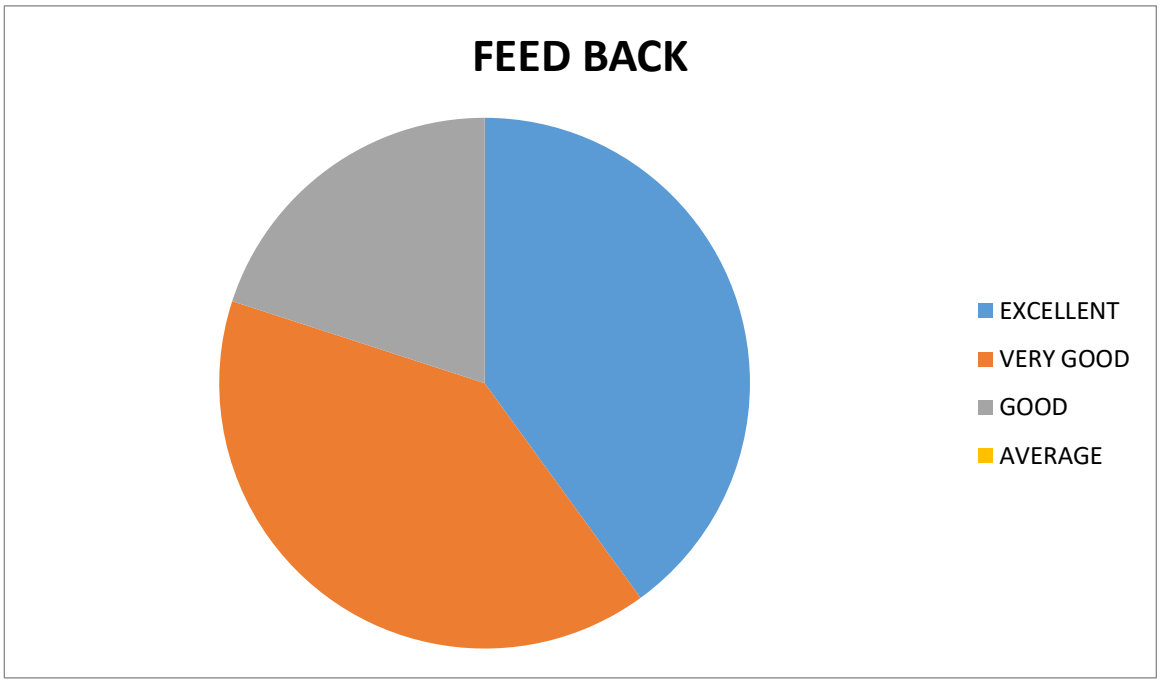
5. Co-curricular activities



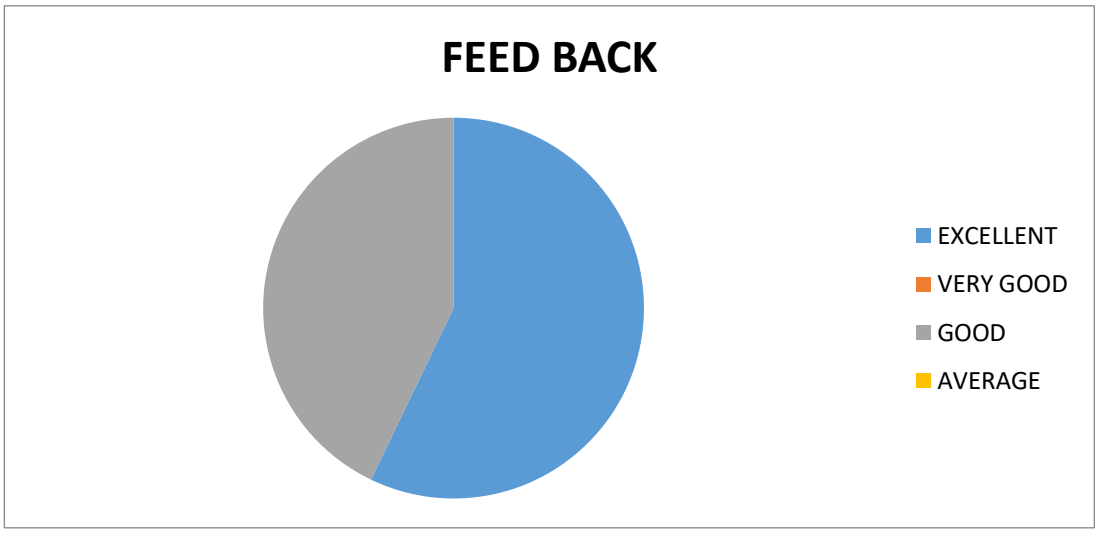
6. Extra curricular activities



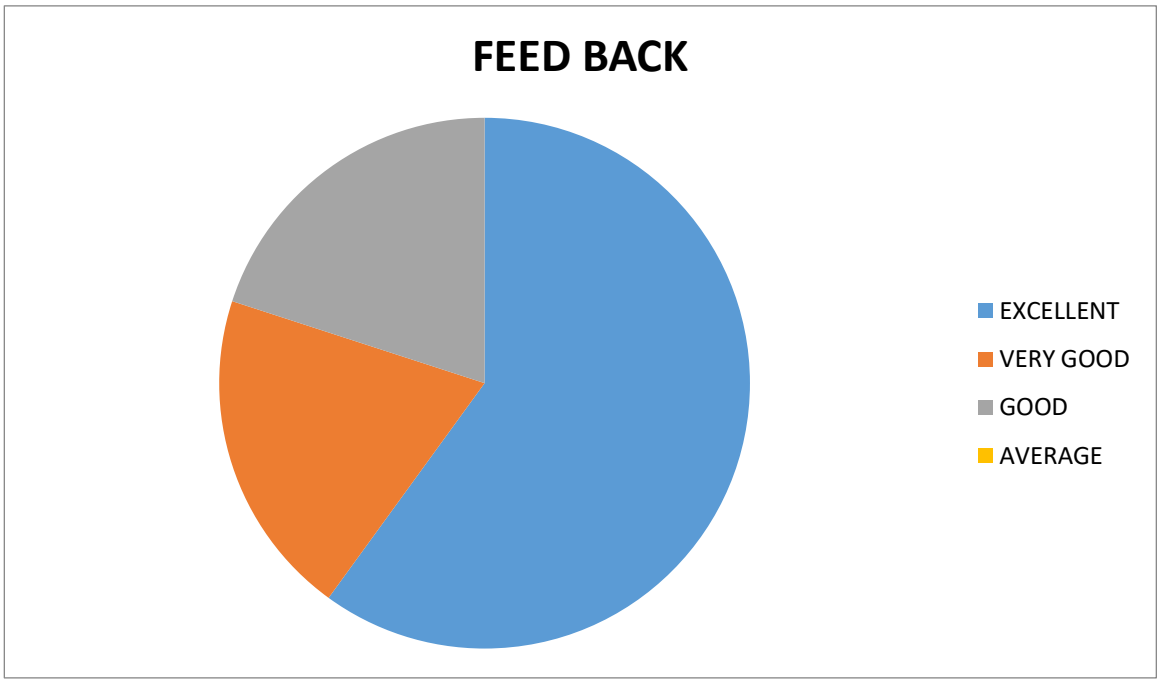
7. Drinking water facility



8. Rest room facilities



9. Guidance and placements



FEED BACK OF TEACHERS -2021-22

Feedback is sought from the teachers on aspects related to curriculum and the teaching-learning process.

10 teachers responded to the feedback process and they expressed their views on curriculum design, update of course contents, library resources and infrastructural facilities for teaching, conduct of exams etc.

INTERPRETATION:

Majority of the teachers agreed that the curriculum design of their respective courses are suitable To the current scenario.

Majority of the teachers satisfied with infrastructure facilities available in thecollege.

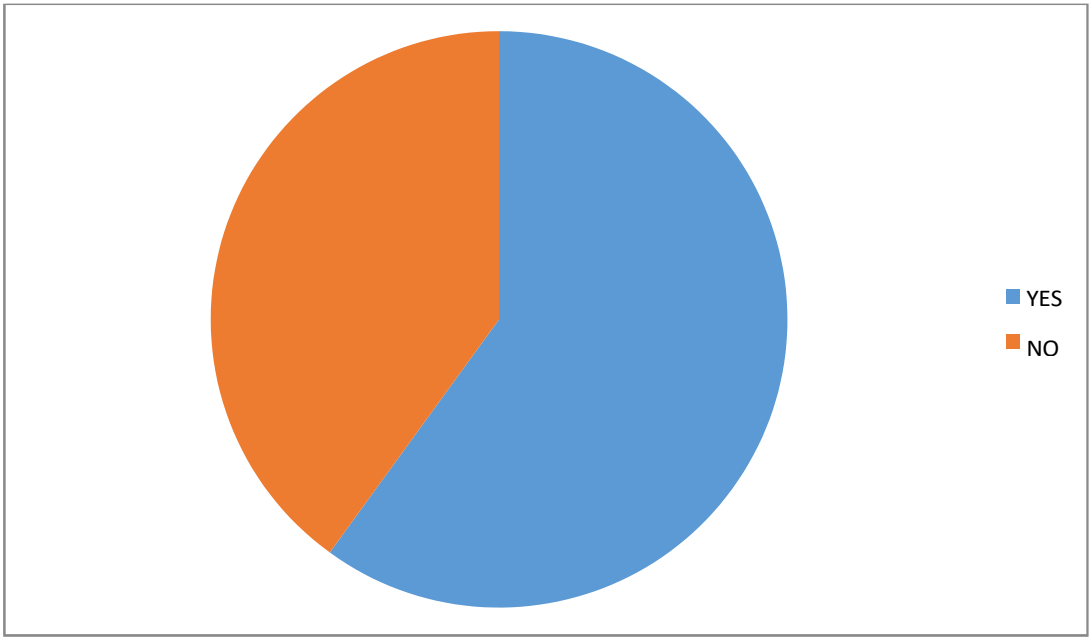
Most of the teachers expressed satisfaction for getting trained with ICT tools as they helped in taking online classes during pandemic period.

Most of the teachers suggested to improve library resources.

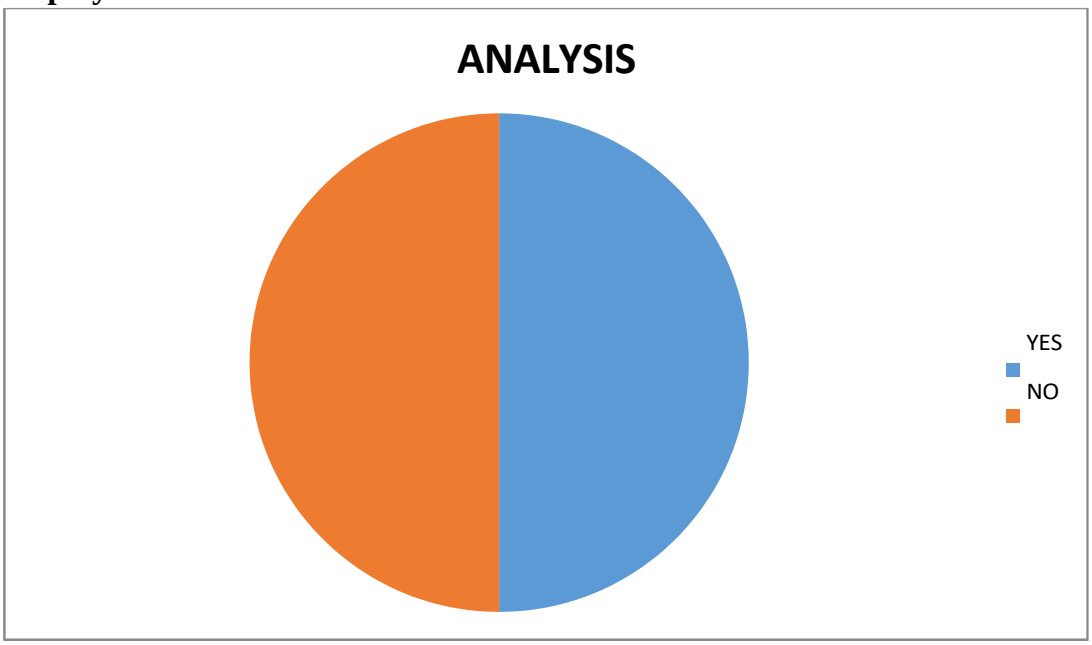
Teachers suggested that curriculum should be updated periodically to suit tothe needs of the society.

FEEDBACK ANALYSIS OF TEACHERS-2021-22

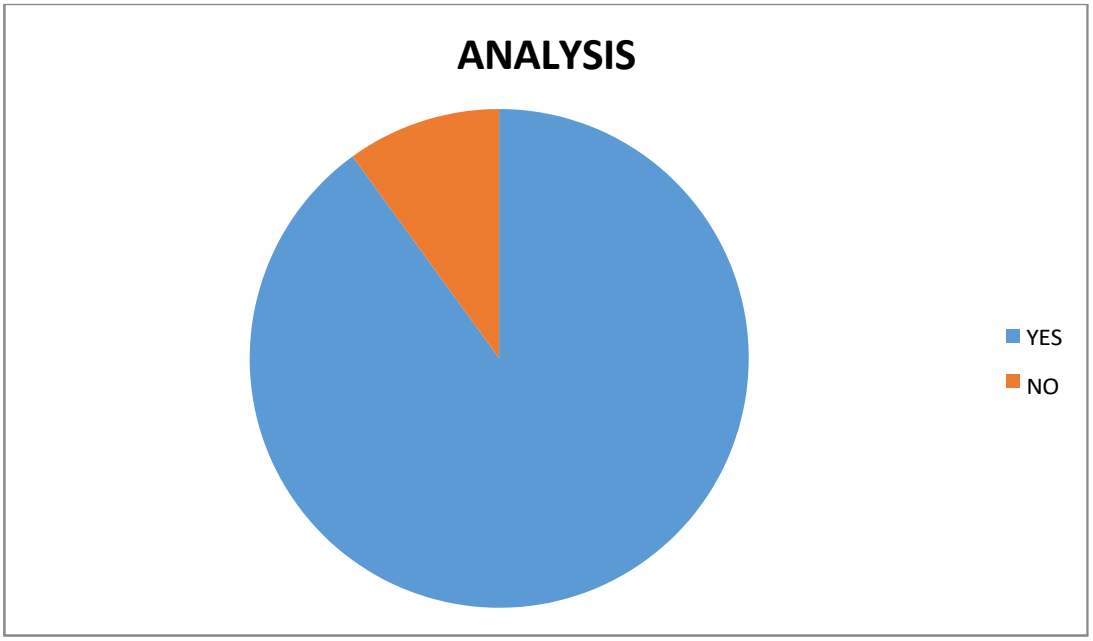
1. Does the curriculum design is suitable to the currentsituation



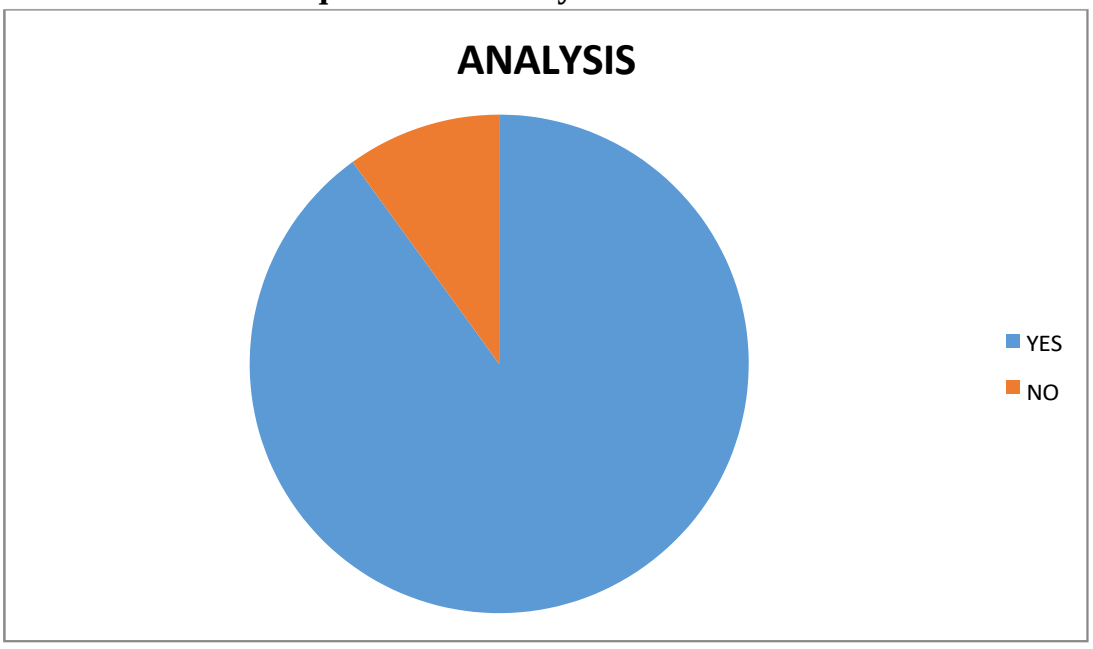
2. Does the current course content is useful to the studentsfor employment?



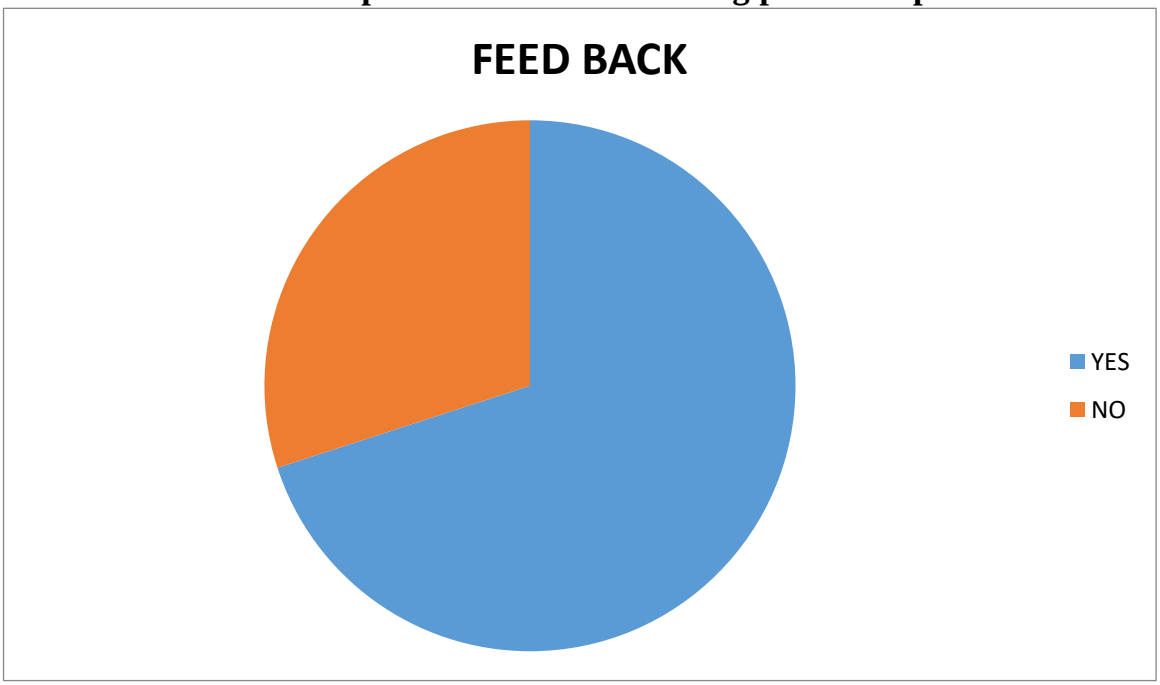
3. Are reference books in the library are helpful?



4. Are new books required for library



5. Are online classes helpful to the studentsduring pandemic period?



6. Is it required to train the teachers on ICT Tools?
