It is to be noted that, though the management of the college should normally obtain affiliation from the university during the respective academic year, as per the rules in force after withdrawing the new un-aided UG courses, but, because of the situation prevailing due to COVID-19, the temporary extension of affiliation is being granted by the University without undertaking any physical inspections of the college, as a special measure only, due to the existing compelling circumstances caused by the prevailing COVID-19 pandemic. Further, the Kakatiya University grants temporary affiliation as the Telangana State Council of Higher Education, Hyderabad has also already given permission to the respective colleges for new un-aided UG courses / additional sections / combinations, since it is not possible at this juncture to undertake physical inspections of the colleges due to the prevalence of the COVID-19 pandemic.

The above temporary extension of affiliation shall be subject to the following terms and conditions:

1. The college management should provide adequate and sufficient accommodation as per the university directives for the management and running of the existing and as well as the new courses.
2. The College Management should renew affiliation from the university during each academic year until permanent affiliation is granted by the University as per the rules existing in force and as amended from time to time.
