14. Whether AQAR was placed before statutory body ?

Name of Statutory Body	Meeting Date
Staff Council	08-Oct-2020
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
16. Whether institutional data submitted to AISHE:	No
17. Does the Institution have Management Information System ?	Yes
If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	Efforts are ongoing to operationalize the Modules of CAIMS (College Administration and Information Management System) Separate notices are also circulated to the staff via Notice Resister. 1.Students Admission Management Module 2.Students Information Management Module 3. Certificate Management Module 4.Account Management Module 5. Academic Audit Management

Part B

# **CRITERION I – CURRICULAR ASPECTS**

### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Govt. Degree college, Jammikunta is affiliated to Satavahana University, Karimnagar. It has mechanism for well-planned curriculum delivery and documentation. The college IQAC Prepares the Academic plan in the beginning of the year according to the CCE, Hyderabad guidelines. The Central Time Table Committee designs time table for all UG Programs as per Satavahana University, Karimnagar workload and norms. It is displayed on Notice Board of each and every Department. According to the Academic Plan Teachers of every department prepares the Annual Curricular Teaching Plan and Lesson plan as per the syllabus and work load for the academic year. The lecture plan and its execution recorded period wise in daily Teaching Diaries, of the Teachers. The principal monitors the same. Teachers are expected to execute their course deliverables as mentioned in teaching plan. All Dept wise Teachers refers to the standard reference books prescribed by University along with latest information available through online and other resources for effective implementation of curriculum. Besides the use of conventional method, various other teaching methods, like Quiz, Group discussion, power point presentations, Field visits, videos, Assignments, use of charts and graphs etc., are used for effective curriculum implementation. Based on the result analysis of every

course curriculum, corrective measures were suggested in university board of studies meeting and college academic reviews meetings. The outcomes were recorded in the concerned departmental activity registers.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The college is affiliated to Satavahana University, Karimnagar .The University conducts the regular semester examinations which consists of theory , practical, internal exams and assignments .The theory and semester end practical examinations are evaluated by the university. The college conducts the internal examinations , assignments , and student seminars, by these the students are evaluated at the college level. More over the college encourages the faculty to conduct weekly test, group discussions, quiz and debates with these measures the students are evaluated and required remedial measures are taken by the college .Internal assessment tests and other measures taken to judge the performance of students, This is done fairly and in an effective manner. After evaluation the faculty and Students doubts are discussed in the classroom, whenever class tests, internal assessment tests are conducted. The results of the students 'performance are used by the faculty to identify slow and advanced learners. Students are encouraged to improve their performance in future by counselling with our mentor mentee system. Nearly 30 students are entrusted to each faculty member to be mentors and advisors of the students. The mentors sort out the personal issues, academic and non academic problems of their

mentees and provide counselling and guidance, With this a continued evaluation procedure is followed .

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The college follows Satavahana University Academic Calendar. As per the academic calendar each semester classes runs for 90 days in which the semester syllabus is covered. Regular internal exams , assignments and student seminars are conducted. Marks posted for these exams are submitted to the examination branch of the University. Other curricular and co curricular activities like quiz ,debates ,seminars, workshops, field trip, sports and other activities are conducted. The Commissioner of Collegiate Education, Hyderabad provide us the year plan of various activities like Haritha Haram, tree plantation, observation of important days and other activities. The college accommodates all those activities in our academic calendar .The college wise and the department wise academic calendar is prepared and the faculty is instructed to follow the plan and keep the records of those activities. The departments keep their activity record in various registers and they also display it on the college website.

#### 2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The College did not constitute student's council separately but with the help of mentors the Principal nominate the class representatives for each class. The college conduct the CRs meetings along with the senior faculty members whenever required during the academic year. The academic and administrative strategies are discussed with them and all the information will be communicated to them so that it will be later communicated to the students by them. The CRs are given opportunity to discuss openly the pros and cons on the conduct of the curricular, cocurricular and extracurricular activities that are practiced in the college. The suggestions given by them regarding the maintenance of the minimum facilities in the college are considered immediately. The major activities such as celebration of fresher's day, college annual day, conduct of cultural activities games and sports will be organized only after taking the opinion of the CRs in the CRs meeting .All these activities are organized and conducted in perfect and successful manner because the students are allowed to involve in designing, planning and in implementation of the programs. The students are nominated as the members in various curricular, cocurricular and extracurricular and administrative committees

#### 5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

**CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT** 

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The college is practicing the decentralized and participative management system for the effective implementation of the academic and administrative programs. A). Decentralized management: It includes the Principal, Staff and students PRINCIPAL: The Principal is the Key person who implements the plans and policies of the Top Management of the institution. In the process of execution of polices and plans, the Principal has to face different types of challenges so that He will get good experience and transform into an efficient leader. STAFF: The teaching and nonteaching staff play a pivot role for the effective implementation of the Plans and polices. In the process of the decentralization, the Principal delegates his powers to the Staff by nominating them as mentors, Conveners, Coordinators and as in charges of various academic and administrative committees (bodies). The staff while implementing the Curricular, Cocurricular, Extracurricular and administrative programs of the college at grass root level they face the variety of challenges and hardships, while overcoming these hardships, they groomed as the leaders. STUDENTS: The institution believes that every student will have a hidden talent either in Academics or in Cocurricular and Extracurricular activities. The faculty and the Principal provide the opportunity to the students by nominating them as the members of various academic and administrative committees where they gain experience in facing the various challenges. In this process the students get the chance of discovering themselves and improve their self confidence to groom herself as a future leader. B). Participative Management: The college promotes the culture of a participative management also for its overall development. The college has two levels of participative management viz. Level1 and Level2 LEVEL1: It Consist of the Principal, Vice -Principal and CPDC. They discuss the policies and plans at the Top Management. LEVEL2: It consist of Principal and teaching and nonteaching staff. After the consultations both with the teaching and nonteaching staff members the Principal takes operational decisions for the

betterment of the institution.

6.1.2 – Does the institution have a Management Information System (MIS)?							
Yes							
6.2 – Strategy Development and Deployment							
6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each)							
Strategy Type	Details						
Admission of Students	<ol> <li>Admission Campaigning 2. Regular upgradation of course curriculum 3. Availability of updated information like Eligibility Admission Process, Program contents, Career Opportunities on institute website / program webpages</li> <li>Regular programs with institute faculty as resource persons, to answer all student / parent queries 5. Increase in social media presence</li> </ol>						
Industry Interaction / Collaboration	Many departments of the college are having collaborations for mutual						

Human Resource Management 1. Faculty forum meeting conducted on upgradation of computer skills of the

knowledge sharing . the students go to field trips to various industries to get practical knowledge

	<pre>teaching faculty. 2. Encouraged the faculty to attend professional conferences, workshops in their respective area of specialization. 3. Feedback on teaching faculty collected and analysed. 4. Guest Lecturers/Talks organized by the Departments for upgradation of knowledge. 5. Emphasis on awareness of community welfare and environmental protection 6. Reduction of paper consumption by adopting electronic means of communication 7. Biometric system for monitoring timely attendance</pre>
Library, ICT and Physical Infrastructure / Instrumentation	The College library functions in a hall of dimensions 30X40 feet's situated in the ground floor with good ventilation and aeration. It has 4100 Text books and 3200 Reference books. The Internet centre having 14 Systems is used as the Digital Library. The internet having 5 Mbps speed is used. The library is having INFLBNET membership and is fully automated, it is using Soul Library Software. Name of the ILMS software : SOUL Nature of Automation : partially Version : 2.2.1 Year of Automation : 2017 The college is having indoor outdoor facility , A well equipped GYM for physical education and labs in science, commerce and arts departments with LCD projectors and internet facility
Research and Development	The faculty is engaged in research individually by publishing research papers in noted research journals. Some of the faculty members have their sole published research books with ISBN. The faculty is encouraged to do major and minor research projects funded by UGC. The students are learning how to write research papers by adopting JIGNASA study projects evaluated and awarded at state level program
Examination and Evaluation	The Affiliating University has allotted 80 marks for the semester end exams and 20 marks for internal assessments of each subject. The time schedule and question paper pattern of semester exams and internal assessments is decided by the university. The university decided to conduct two internal assessments in a semester each for 20 marks but the average of the two assessments will be considered for deciding the grade. The IE question paper pattern will be common for all

-		<pre>the affiliated colleges under the University. The question paper pattern and division of 20 marks will be as follows. 1. Multiple Choice Questions 5 Marks 2. Fill up the Blanks - 5 Marks 3. One word Answers - 5 Marks 4. Assignment submitted by the students - 5 Marks After completion of the internal exams (Theory/Practical's) the Marks obtained by the students should be uploaded in University login which will kept open by the University for a limited period of time. The absent student has no chance to appear the exams.</pre>
	Teaching and Learning	To achieve the targeted goals in teaching -learning process, the college implement the academic strategies prepared by the IQAC such as preparation of annual academic calendar, annual curricular plans. The teaching staff follow the Student Centric methods of teaching and use all the available teaching aids along with the traditional Chalkboard method. To make the teaching learning process effective the strategies like debates, group discussions, seminars, etc. are also implemented. The institution by its continuous monitoring and evaluating mechanism ensure the quality of teaching with it's qualified, dedicated and expert teachers. The institution conducts the Assignments unit tests / internal exams for augmenting the performance of the students, based on the evaluation results the students are divided into slow and advance learners
	Curriculum Development	The college is affiliated to satavahana university and adopts the syllabus prescribed by the university. The college is offering 27 programs at UG level in Telugu, English and Urdu media, viz., BA( HEP ) TM,EM, UM BA(EPP) UM B.Com( Gen)TM, EM, UM, B. Com ( Computers) EM BSc( MPC) TM, EM BSc (MPCs ) EM BSc ( BZC) TM, EM BSc ( Biotech )EM and PG course (MA Economics). The semester system as per CBCS was introduced from the academic year 201617.The faculty encourage the students to get additional knowledge of the concerned subject by prescribed books and useful websites.

6.2.2 - Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	The college year wise academic plan is prepared CCE also provide year program to organise various programs. College also follows university provided ALMANAC. According to the year plan CCE Plan university ALMANAC college conducts various activities and record the proceedings accordingly
Administration	The college administration is supervised by Prinicpal with decentralized method . The teaching faculty works under the guidance of various heads of departments. The office runs under the guidance of superintendent. The college administration is monitored and followed by CCE with the information i received and send to the CCE by office.The college progress is uploaded on NAAC, AQAR, NIRF AISHE portals ever year.
Finance and Accounts	The college is a govt. institute and the funds are provided by state govt.The self finance courses funds ar utilized as per the govt. guidelines. The office maintains the finance records, regular audits are conducted to monitor the finance accounts of the college. Major financial transactions are conducted online through bank
Student Admission and Support	Students are admitted into the college through the state wide centralised admissions portal DOST. Students get allotment of seats throug online application system and after completing the formalities online students admission process is completed. The college also has a DOST helpline centre for online admissions at. Students support is provided through this helpline centre for various admission related problems.
Examination	The college is affiliated to Satavahana University, Karimnagar, and follows the patterns of University conducted exams. For each semester theory exams are conducted by the university at college level, internal exams and assignment are conducted and marks are allotted. These marks are added to the theory marks

7.1.2 - Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

7.1.2 Environmental Consciousness and Sustainability/Alternate Energy initiatives such as: The college take possible measures of waste management i) Preventing the use of polythene bags inside the campus ii) The college has kept waste bins at different places and in the class rooms and in the campus also kept the waste bins in the toilets. iii) The college has developed a dump yard to dump the waste materials. Green Practices: Most of the students of this institution belongs to villages. They use public transport Local students come to college on bicycles. • Most of the staff of the college use to come by public transport like bus and train. • Use of public transport avoid pollution ensure eco friendly environment. • Use of plastic polythene bags are abolished inside the college campus and use of paper bags are encouraged. • As our college office and library is fully computerized hence most of the work is done paperless. • Our college campus is green landscaping with trees and plants and measures are taking to develop a botanical garden. • The Haritha Haram Committee and NSS units are taking all the measures to create a green campus

# through plantation. The college keeps regular contact with Forest Department for supply of saplings from various nurseries.

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

 Haritha haram plantation of trees and its maintenance as a year long program by NSS . 2. subscribing emagazines for paper free leanings resources.3.regular swatch bharath cleanliness programs undertaken throughout the year.4. Rain Water harvesting pits constructed in campus.5.Campus was declared as plastic free zone.6. vermi compost pit constructed

#### 7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

1.2019-20 Academic Year Best Practice -1 Title of the Practice: SELF DEFENSE TRAINING . The context that required the initiation of the Practice: • Selfdefence training programme for girls is considered as the need of time as there are atrocities on girls are rising country wide and the state of Telangana also witnessing such cases. A gruesome incident occurred in Shamshabad, Hyderabad where in a lady veterinary doctor was raped by a group of young lorry drivers and burnt her to ashes. The right of self-defence is the right of people to use reasonable force or defensive force for the purpose of defending one's own life or the lives of others. In the present-day context when society is facing so much violence against women, it is a must that every girl child be trained in self-defence technique. GOAL: • To train the girl students in self-defence so as to counter immediate threat of violence Objectives of the Practice: 1.To prevent the atrocities on girls 2.To make girl students physically and mentally fit 3.To boost the self confidence of the girl students To make realise the need for the self defence training THE PRACTICE: • Training in Self-defence was imparted to the students. • 40 Girls students received the training. Mr.Mahamood la local karate instructor volunteered to train the students. Obstacles if any, strategies adapted to overcome them: In the beginning the girl students hesitated to join the training, but after the motivation given by the lady faculty the programme continued successfully. Sometimes it was difficult to convince the parents Impact of the Practice: • The students developed a sense of self confidence. Best Practice-2 Title of the Best practice: Environment-friendly Campus The context that required the initiation of the Practice: There have been several initiatives taken by the college for the benefit of all stakeholders and also to contribute to society at large. An educational institution can play a vital role in societal and environmental reforms besides its various academic pursuits. Keeping the growing ecological concerns and a dire need for immediate action to carry out and promote ecofriendly practices is the need of the hour. The college firmly believes that, when it comes to environment conservation, awareness must be followed by sustainable practices. In this endeavour, different departments along with various clubs and committees have undertaken several initiatives and organized different activities to reduce the carbon footprint and inculcate greener practices. The Practice: • Tree Plantation: Regular plantation drives were organized in the college in collaboration with different departments, cells and committees. Teaching and non-teaching staff members in association with the students take active participation in these tree plantation drives. College also has been following the practice of greeting guests with potted plants for all functions and activities organized in the college for several years now. It is also a step in the direction to promote green practices and spread awareness at the same time. • Infrastructural Additions: In a constant endeavour to make the college campus increasingly environment-friendly and follow sustainable

practices, certain infrastructural additions were carried out and further are being worked upon. College has two functional rain water harvesting pits. Another step in the pursuit of adopting clean and green practices, • Waste Management: College has banned the burning of leaves and branches. Compost pits were prepared in the college premises. These compost pits are used for dumping organic waste/green waste for future reuse as manures. College uses vermi compost pits to create compost from bio-degradable waste. The compost pits rely on the natural decomposing, accelerated by earthworms and bacteria that break down organic matter into manner. Digitisation and automation of several academic and administrative activities have reduced the usage of papers manifold. • Environmental Science as Ability Enhancement Compulsory Course (AECC): The Satavahana University mandated to choose Ability Enhancement Compulsory Course paper on Environmental Science for 1st Semester. Impact of the Practice: • The students got awareness on benefits of environment friendly campus campus green coverage enhanced.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Government Degree College Jammikunta is one of the oldest colleges in the north Telangana region established in 1965. Since it is well connected with Rail and Road ways, the students from far off places like Jangaon and Sirpurkagaznagar also pursued UG courses from this college during sixties and seventies, of last century. The college was celebrated Golden Jubilee year in 2017. The Alumni of the college is contributing much in Social, Cultural and Political fields of the area. It is running UG programmes in Arts, Commerce and sciences. Six PG programmes are also running in the college. It is catering to the academic needs of the backward and mostly agrarian region of Jammikunta with good infrastructure. The Campus is of 20 Acres of area. 10 Acres with play ground, a well equipped Gym is available in the college. A New 3 storied building construction is under progress. Two state of the art Computer labs, well equipped INFLIBNET member Library are serving the needs of the students.ICT enabled class Rooms quenching the cognitive thirst of the students in collaboration with TSKC. Experienced and qualified teachers dealing the students professionally to realize the goals of the institution. The faculty is imparting quality education to the students and orienting them to pursue higher studies. Activities related to academic, cultural, games and sports are devised to recognize and encourage the inherent talents of the overall students in general and backward and marginalized students in particular. The institution is doing its best to tap the knowledge and skills of the students to make them better human resources on the whole to make them best citizens and human

beings.
