GOVERNMENT DEGREE COLLEGE TANDUR

Telangana Skills and Knowledge Centre (TSKC)

Tandur

The curriculum for TSKC was prepared by the Commissioner for Collegiate Education, in which soft skills, Group Discussions, Team Presentations, Book Reviews, arithmetic abilities, Computer awareness etc., are incorporated. The same was successfully implemented at Government Degree College tandur, All the lecturers are involved in this program.

The ever increasing prominence of India on the global map has lead to a growing demand for hard working and talented students good with computer skills, communication skills and industry related skills like that industrial visiting under TASK. The doors of global job market are opened to students who can speak fluently, compute quickly, write legibly and analyze logically. The conventional curriculum offered through B.A., B.Com and B.Sc., courses does not impart requisite skills relevant for dynamic job market especially that of emerging industries like Software and BPO. The Department felt the need to offer training to bridge the skill deficit of students and to enable them seize employment opportunities in job market.

After formation of new state Telangana, Jawahar Knowledge Centres (JKC) were restricted as as Telangana Skills and Knowledge Centres with broader objective to meet Human Resource requirement for State's growth plan while fulfilling the stakeholders aspirations.

The curriculum for TSKC-TASK was prepared by the Commissioner for Collegiate Education, in which soft skills, Group Discussions, Team Presentations, Book Reviews, arithmetic abilities, Computer awareness etc., are incorporated. The same was successfully implemented at Government Degree College

Composition of TSKC-TASK, TANDUR

TSKC Chief-Coordinator: Dr.Vivek Kumar Dubey, Principal.

Coordinator : S.Ramgopal Reddy, Lecturer in Zoology

Full Time Mentor (FTM): B.Ramesh, TSKC Mentor

Objectives

- To impart requisite skills relevant for dynamic job market and to enable students to seize employment opportunities.
- To provide latest technologies to the students from poor and marginalized sections of the society and to encourage them to compete with their urban counterparts
- To enable the students climb the ladder of success by providing world class infrastructure and experienced faculty
- To help students realize their potential and aim high in life and to motivate students to be creative, independent and self reliant
- To provide SC and ST students with adequate knowledge and employability skills
- To ensure empowerment of girl students by providing job skills
- To conduct Job Fairs & Campus Recruitment drives and to facilitate the placement of students trained in TSKCs.
- Design curriculum integrally related to the needs of the job industry
- Ensure all students' and stakeholders' needs are understood, focus on problematic areas like “voice based efficiency” and “accent with minimum mother tongue influence” to provide a sustainable solution to the demands of the placement generating companies.
- Generate modules tailored to the learner's level of proficiency, lesson plans and study material by utilizing the expertise of faculty in GDCs who were trained by ELF Master Trainers under TASK from the Various Companies.
- The student on completion of training should comfortably and confidently use employability skills in a variety of social and business situations.
- Improve their learning outcome.
- Expand Training package to include courses that are in demand and promise 100% placement opportunity like TALLY, MS Excel, Networking, Hardware, Hetero Labs etc.
